A Young Girl's Figure Needs Are All Cared For By

The Netherall

At last we have found something for our young customers that will take the place of a vest, a bust-confiner and a girdle. It gives just the degree of support and control necessary to keep the figure from spreading and becoming "bumpy"; yet does not in any way restrict free movement in dancing, rowing, golf, tennis or any other form of athletics.

Come and see it in our Corset Department. You'll say you're "simply wild about it" as all the other young girls have done. It tubs as easily as a handkerchief as it is made of a combination of lovely soft suede cloth and silk tricot and in the beautiful shades of flesh, orchid and white and what is best of all it only costs $5.00, $6.00, $7.50 and $10.00.
