ANNOUNCEMENT extraordinary! Genuine Vocalion phonographs at reductions of a third AND MORE. An offer all the more remarkable because made right at the opening of the holiday season. What a glorious opportunity to secure a splendid gift—one that will be an addition to any home—at a wonderful saving.

NO NEED to go into detail concerning the merits of Vocalion phonographs. The Vocalion is the only phonograph equipped with the wonderful "Graduola" tone control, which permits you to "play" the selection. It is in all respects a high grade phonograph, one that will satisfy the critical by reason of its musical excellence and appearance.
