

GENERAL AD VANCES ARE FORCED IN SECURITIES WHEN STOCK PASS INTO STRONGER HANDS

REBOUND SHOWN IN STOCK MARKET

Wall Street, Nov. 28.—The stock market, which was under a heavy load of interest in the financial situation today, gave an exhibition of what it meant to the market...

When a stage is reached where the transfer from weak to strong hands has gone far enough to remove the greater part of the available supply and leave the short interests without means of getting the weight of the market...

None of the dividend announcements, either stock or cash, had much effect. In the case of American Can putting the share one basis appeared to have been fully discounted...

The foreign exchange market in the afternoon after selling off quite sharply in the day, showed a recovery in the afternoon...

The recovery on the stock exchange was accompanied by simultaneous improvement in bonds, in cotton and in grain.
