TRUCKS AND TRACTORS 802

ONLY a few days more and Portland's largest truck sale will be history.

It's a crime to sell motor trucks at the prices we are quoting, but there's nothing else left for us to do.

We must vacate this building by January 1.

Whoever that buys a motor truck during this sale saves from 50 to 75 per cent on his investment.

We have no junk. Every truck a good, old, reliable make and is ready to go.

Several of them have been completely overhauled.

Lots of them have tires practically as good as new.

Some of them are equipped with dump body and hoist.

Several chassis.

Capacities from 1/2 ton to 10 tons.

We will accept your old truck or car at a very liberal price and give you easy terms on the balance.

Here is your chance to replace your old equipment at a very small cost and in a way which makes it easy for you to handle.

If you don't see what you want in this list, you'll find a truck here if you will come in and look them over.
