

1000 PRIZE FOR YOU, IF YOU CAN CATCH THIS MAN

Hunt for 'Shadow Junior,' Says Mayor, in Behalf of American Legion Frolic Saturday.

If Mayor Baker is right, and being mayor he should be, Portlanders may expect most anything within the next week.

The cause of it all is the American Legion in general and Portland post in particular, which is staging a big show Saturday night at the Auditorium and guarantees all comers a real "Night in Paris."

Legionnaires invite the public to capture this person. The one doing so will receive \$100 in cash money, provided he plays the game according to the rules laid down.

Firstly, you are entitled to receive the \$100 you must have on your person two tickets for the show, "A Night in Paris."

Secondly, you must tap Shadow Jr. on the right shoulder and say, "Pardon me, you are Mr. Shadow who will appear in "A Night in Paris" with the American Legion at the Auditorium, Saturday night, December 30."

Shadow Jr., upon being recognized and spoken to, will respond by saying "Oui (wee), I'm Shadow."

Remember the rules, for if in your statement you leave out as much as a comma you don't get the hundred."

Shadow is being managed by George Latimer, known as Jules Cheron, manager of "Mile. Filli," the petite dancer of last year's big frolic.

As an added attraction card to the big show, the legion is trying to get movie stars of the first magnitude to come for the event. Efforts are now being made by Claude Bristol to have either Mary Pickford, Douglas Fairbanks, Katherine MacDonald or Harold Lloyd come.

To do this he has asked Ralph E. Williams, Oregon national committee man, to use suitable influence on Will Hays, the Pooch-Bah of Moviedoms.

National Committee Chairman of this legion is also aiding the Portland post in getting representative movie stars.
