NEW YORK, Dec. 28.—While Floyd Johnson stowed away Italian Jack Herrman in great fashion up at Syracuse, word comes from the Salt City that the Iowan's showing was not at all impressive. He was not only big and clumsy and showed no real ability n getting about. True, Herrman lasted only three rounds, but it was the pre-vailing opinion he should have lasted but one; that, in fact, there should have been but two blows struck in the fight—the hammer on the gong and ohnson's right to the button

Down in the big town the fans, how ever, received the adverse reports with smiles. They know that Johnson has not gone as far as he will go, but just the same he never has looked as bad as he must have looked in Syracuse.

What's the answer? Why, the Brennen fight on January 12, of course! Johnson would like nothing better than to face Knockout Bill while Bill is in a tate of mellow over-confidence.
