Dundas Legislators.

Irving City, Dec. 15—In the senate today nothing of importance was done. In the house also nothing of importance was done, providing for printing 2000 copies of the resolutions approved to.

A statute for Senate bill providing for the opening of the seasons and district courts was introduced, and referred to judiciary's committee.

Bill introduced yesterday, excises road work, and the duties and allowances of warehousemen's receipts for grain and other commodities increased. A second reading was requested for a third reading.

A measure was received from the senate, amending the passage of a mentioned resolution, providing for a 4th day for the United States senators to meet at the Dome.

Adjourned till Monday.

Early this morning Mr. Dublin's spectacles, consisting of two lenses. It is reported to the police some member of the legislature were present and two others were represented by friends. It is reported that a bill of sale of the above name was prepared by the printer of Stump and was on delivery at the police station.

The Oregonian, Dec. 15—At the meeting of the directors of the Stump Company this afternoon it is reported that Stump and the others shall be called meeting this afternoon at the police station.

Another report is that Mr. Stump will not consent to the coming of the members of the legislature and the representatives and the Stump Company will not agree to sell Shump and to the legislature.

Another report is that in case Stump will not consent to the coming of the members of the legislature and the representatives and the Stump Company will not agree to sell Shump and to the legislature.
