### MARCHING-UP CLOSER.

General Miles is Drawing his Troops Closer to the Hostiles Who Must Surrender or Die.

The Proposed Harvester Combination Runs Up Against the Law and will not Organize.

#### THE INDIAN SITUATION.

Presumed to be Unchanged but the Crisis is at Hand.

WASHINGTON, Jan. 9.—There were no telegrams from Gen Miles at the war Department this morning and the idea prevailed that the situation was unchanged at Pine Ridge. The opinion is spreading that the crisis of the campaign so often predicted and so long deferred is nearly at hand. Secretary Proctor is constantly in receipt of requisitions from various sources, mostly from governors of states adjacent to the scene of trouble, asking for arms with which to supply the local troops raised for defense. The requests have not been complied with.

#### POSSIBLE WAR.

The Indians Near Guthrie May Make Serious Trouble.

ST. LOUIS, Mo., Jan. 9.—A special from Guthrie, I. T., says: Much excitement prevails here in regard to the present Indian outlook. A grave apprehension is felt and trouble is expected soon, as soon as the disarming of the Indians begins. The Cheyenne and Arapahoe Indians came into King Fisher and purchased every cartridge that could be had. The aspect is serious. Judge Lee, of the supreme bench, said to-day that inland towns should at once organize in companies to aid if necessary the settlers along borders.

#### RUN UP AGAINST THE LAW.

The Gigantic Harvester Combination Finds They Cannot Organize.

CHICAGO, Jan. 9.—Some time since preparatory steps were taken by the leading manufacturers of agricultural implements looking towards the formation of a gigantic combine, to be known as "The American Harvester Co." To-day President McCormick furnishes the following statement to the associated press. "The American Harvester Co., has been brought face to face with grave legal obstacles to the consummation of the enterprise for which it was formed. These are of such a character that the whole undertaking must be abandoned."

#### The Nebraska Legislature Trouble.

LINCOLN, Neb., Jan. 9.—This morning the session of the legislature was wrangling over the minutes of the convention which were badly mixed on account of the confusion. This work was unfinished at noon.

All the newly elected state officers are in possession of the offices except Governor Boyd who is kept out by Gov. Thayer on the ground that he is ineligible.

#### The Railroad Conference.

NEW YORK, Jan. 9.—The sub-committee of the advisory board of western Railroads met this morning to complete the by laws begun by them yesterday. The discussion was had upon the Pacific Roads and the manners in which business across the country was to be divided. The sub-committee wanted to have the distribution of freight left to them and to this there was decided objection.

#### Wire Company Fails.

WILLIAMANTIC, Conn., Jan. 9.—William G. Gilson, owner and business manager Hope River Wire Co. has closed his mill. An assignment is expected in a few days with heavy liabilities.

#### Fire in South Dakota.

MITCHELL, S. D. Jan. 9.—A serious fire occurred this morning at Armour Douglas county and is still raging. At last accounts almost the entire business portion of the town had been destroyed. Aid has been sent from here.

#### A Possible Terrible Disaster.

GIBRALTER, Jan. 9.—A large wood and petroleum warehouse situated in dangerous proximity to a powder magazine is in flames. Troops are doing everything possible to prevent what may prove a terrible disaster.

#### May be Less Before Miles Gets Through.

WASHINGTON, Jan. 9.—The census bulletin shows the total Indian population of the United States to be 244,705. This makes the total population of the country, including Alaska, almost 63,000,000.

#### San Francisco Market.

SAN FRANCISCO, Cal. Jan. 9.—Wheat buyer 91, season \$1.44%.

#### Chicago Wheat Market.

CHICAGO, Ill. Jan. 9.—Wheat steady. cash 90%, May 97@97%.

#### THE WAR NEARER HOME.

Indians on the Fort Hall Reservation Dancing and May Make Trouble.

BOISE CITY, Jan. 7.—Advices from Pocatello that the Indians on Fort Hall reserve have been dancing and 200 in war paint have taken to the mountains with arms is causing excitement here. Governor Willey has been asked to order the governor's guards to Pocatello, and probably a company of United States cavalry at Boise barracks will be sent there. The Indians on the reserve number 1200 or 1500, more than half of them treacherous and warlike Bannocks, who caused a prolonged war twelve years ago. People at Pocatello have almost no arms, and the towns of Blackfoot and Eagle Rock are on the border of the reserve. The Indians who took to the mountains are working eastward toward Wyoming.

Lemhi county legislators express the belief that if the Indians at Pocatello go on the warpath they will be joined by tribes on the Lemhi reservation, who number about 500, embracing 125 able bodied bucks.

CHARLESTON, S. C., Jan. 7.—Captain Wallace, killed by Indians at the battle of Wounded Knee, was buried to-day at Yorkville, S. C. his old home.

#### HAVE AGREED AT LAST.

Parnell and McCarthy Both Retire as Leaders.

LONDON, Jan. 7.—A telegram gives the basis of settlement agreed upon by other members of the Irish party present at Boulogne. Justin McCarthy is to resign the chairmanship, and a meeting of all members of the Irish parliamentary party, including the Parnellites, is to be called, at which a new chairman will be elected. Parnell and Harrington agreed to give cordial support to whomsoever may be elected. The choice is said to be between Arthur O'Connor and O'Brien.

Dillon has cabled his approval of the plan for Parnell's temporary retirement and the election of O'Brien as chairman of the parliamentary party. Negotiations are to follow with McCarthy for his consent to the arrangement.

It is learned that the result of the Boulogne conference was that O'Brien, at his own entreaty, was empowered to ask authority to retire in favor of Dillon. O'Brien agreed, however, that if it were preferred that he himself should serve he would do so. O'Brien and McCarthy will have an interview at Boulogne tomorrow when it is expected that a final settlement of the matter will be reached, subject to Gladstone's recent proposal. The Parnellites are pledged to abandon Parnell if he proves insincere in carrying out his part of the programme.

#### THE CALIFORNIANS.

Senator Stanford the Caucus Nominee for Re-election.

SACRAMENTO, Cal. Jan. 7.—At the joint Republican caucus to-night Senator Hancock was elected for chairman and Assemblyman Phillips, of San Francisco, secretary. Senator Carpenter, of Los Angeles, nominated Stanford for United States senator in a brief speech. The roll being called, Assemblyman Hunwell, of Mono and Inyo, voted for Morrow under instructions from his constituents, and when the rollcall was finished he moved to make the vote for Stanford unanimous, which was done. Eighty-five votes were cast for Stanford. The Democratic caucus unanimously decided to give the complimentary vote for senator to Stephen M. White, who was nominated by Senator Ostrom and seconded by Assemblyman Shanahan. Senator Seawell presided and Assemblyman Armes was secretary.

#### San Diego Forger Arrested.

SAN DIEGO, Jan. 7.—S. Phillips was arrested and placed in jail to-day on a charge of obtaining money from local banks on bogus checks. He succeeded in obtaining about \$250 from the bank of Commerce, and \$350 from another bank, on checks signed by the Burbank Furniture and Manufacturing company, which turn out to be forgeries. He has been posing as a capitalist, having contracted for considerable property here.

#### The Illinois Legislature.

SPRINGFIELD, Ill., Jan. 9.—The state senate in accordance with the action of the caucus of the Democrats, last night had a bill introduced for the repeal of the compulsory education law, and the substitution of an enactment which practically concedes everything to the sectarian opponents of the present law all that they demanded during the last campaign.

#### Struck By a Train.

CHICAGO, Jan. 7.—Four piano movers, driving an unmanageable horse, were tonight struck by an Illinois Central train. One of them, named Geneweiser, was instantly killed and the others fatally injured.

#### MOVING UP CLOSER.

Drawing Nearer the Indians and Getting Ready to Fight.

PINE RIDGE, S. D., Jan. 9.—Yesterday afternoon all the commands in the field were ordered to march from three to five miles nearer the hostiles. Late last night the order was put into effect. At intervals of two or three days the cordon will be drawn more tightly around the hostiles until they agree to either come in peaceably or be whipped into submission.

The disposition they display is to accept overtures of General Miles is susceptible of but one interpretation and that is that they propose to surrender and retain their arms or die in their defense. This backs up the fact that a majority of those who have come in are hostiles' squaws and children who desire to get out of the way. The coming in of Red Cloud is variously interpreted. His good faith is doubted.

#### Awarded a Large Fee.

SAN FRANCISCO, Jan. 7.—Judge Levy to-day rendered a decision awarding Attorney John A. Wright a fee of \$95,000 for services rendered the late P. A. Roach, as administrator of the Blythe estate.

#### Don Cameron the Nominee.

HARRISBURG, Pa., Jan. 7.—J. Donald Cameron was the unanimous choice of the Republican caucus for United States senator to succeed himself.

#### The Alliance Men Win.

ST. PAUL, Jan. 6. The house completed its organization to-day by the election of a "Fusion alliance democratic" ticket.

#### The Pine Ridge Fighting.

The New Castle (Wyoming) Journal in speaking of the battle at Pine Ridge says:

The fight Monday was a desperate one, about six hundred being engaged upon both sides and a little over two hundred being wounded or killed. The terrible character of the wounds and the large number of killed is accounted for easily. Most of the troops that did the firing when the Indians broke were within twenty-five feet of them. It was expected the Indians would run, but they stood their ground, never flinching until at least fifty of their number lay upon the ground. Their courage continues to be the one topic discussed.

#### A Recipe For Dyspepsia.

For breakfast eat from one to nine biscuits, letting the size determine the number; the biscuits should be hot before eaten. You should also eat a few pieces of bacon; if the pieces are small eat more. Drink hot, strong coffee. If a piece of the last evening's mince pie be left over, it won't make much difference with you should you disappear with that. Of course, you will soon disappear if you follow this advice. At other meals, if you find yourself able to eat at any other, eat freely of pickles and pastry. Do this, and I guarantee that in a little while you will not have a sign of dyspepsia or any other ill to which flesh is heir.

#### When a man is walking on his uppers the presumption is that he isn't well heeled.

For a cut, bruise, burn or scald, there is nothing equal to Chamberlain's Pain Balm. It heals the parts more quickly than any other application, and unless the injury is very severe, no scar is left. For sale by Snipes & Kimerly.

#### Notice to Taxpayers.

Notice is hereby given that the city council has extended the time for paying city taxes until January 31, 1891. All taxes not paid by that time, will be collected by process of law. J. S. First, January 3rd, 1891. City Treas.
