MILES HEARD FROM AGAIN.

The General is Getting Things in Satisfactory Shape for the Indians.

PINE RIDGE, Jan. 20.—General Miles succeeded in allaying to a great extent the excitement under which the Indians labored yesterday over the killing of Few Trails.

The First large beef issue under the new agent, Capt. Pierce takes place tomorrow. Fifty-five hundred people will be fed. One beef will be issued to each twenty-two people instead of to thirty as formerly. This increase greatly pleases the Indians.

General Miles is selecting ten chiefs from both Ogallalas and Brules to send to Washington to set their case before the interior department. They will be accompanied by F. M. Lewis, special Indian agent, who has arrived for that purpose.

Captain Baldwin, of General Miles' staff, was buried this morning.

Ten more guns were turned in to-day.

Wild Scenes in Congress.

WASHINGTON, Jan. 20.—In the house, in pursuance of the policy of the Democratic house Bland this morning demanded the reading of the journal of yesterday in extenso. Its reading was not completed until 1 o'clock.

After this ensued one of the wildest scenes of confusion the house has ever seen during the present congress.

Mills then expressed a wish to debate the question approving the journal but the speaker declined to recognize him. Then with excited gestures Mills strode down and shaking his fist at the speaker, roared out: "You are perpetrating a fraud upon this House and you know it," and his party colleagues burst into rounds of applause and cheers and gathered around their champion.

After a stormy scene approaching near a personal rupture between gentlemen on opposing sides, the speaker was obliged to call upon the Sergeant-at-arms for assistance. The storm passed away for a time and the journal was approved. Yeas 144, nays 103.

Evarts has a Majority Over Hill.

ALBANY, Jan. 20.—Both branches of the legislature voted for United States senator to-day. There were six absentees from the assembly. The ballot taken gave Evarts a majority over Hill. A joint session is to be held tomorrow when all democrats are expected to be present and as a result will elect Hill.

PALMER, Neb. Jan. 20.—There was a heavy run on the Deposit Bank here yesterday resulting from a rumor that the institution was in an unsafe condition. The bank paid all demands in full and Cashier Shipley has gone to Omaha to arrange for funds to tide over the crisis.

MURDERERS CONFESS.

Negro Barber Tells How John Sheedy was Killed by him.

LINCOLN, Neb., Jan. 18.—There were three arrests in the past twenty-four hours in connection with the murder of John Sheedy on Monday. McFarland, a colored barber, was the first suspect, and he to-day made a confession, acknowledging the killing, and implicating the wife of the murdered man and her supposed lover. All are in jail. McFarland declares Mrs. Sheedy agreed to pay him \$15,000 to make away with her husband. Developments of a sensational nature are expected. Sheedy was an old resident and quite wealthy. Mrs. Sheedy left a former husband to marry Sheedy who was old enough to be her father. Recently she became infatuated with one Harry Walshone, and McFarland asserts she employed him to rid her of her husband. He also says Mrs. Sheedy poisoned her husband the day after he struck him down with a loaded cane so as to make sure of his death. Sheedy was a brother of Dennis Sheedy, president of the Colorado National bank, of Denver, and cousin of Pat Sheedy, the noted Chicago sporting man.

SARAH ALTHEA TERRY.

She is Attacked and Beaten by a Fresno Attorney.

FRESNO, Cal., Jan. 18.—Sarah Althea Terry has had more trouble with N. C. Coldwell. A few days ago she went to his office on business relative to the Terry estate, he being the administrator's attorney. When she swore out her warrant before Justice Prince, she said: "I had business to attend to and tried to have somebody else attend to it. I went to Mr. Van Meter and other attorneys, but they all told me it was imperative that I see Mr. Coldwell. I had a friend with me, and we both went to his office. As soon as I had the door open far enough for him to see me, he jumped up, made three steps and struck me a blow which deprived me of consciousness, and I fell on the floor, where he began to kick me. Just exactly how I got away I cannot say. I came home and a lady put me to bed and cared for me. I remained there until to-day." The attack is admitted by Coldwell.

THE KOCH LYMPH.

A San Francisco Physician Obtains a Supply of It.

SAN FRANCISCO, Jan. 18.—Dr. Gustave Beck just returned from Europe and has brought to this city a small quantity of Koch's lymph. He has sufficient quantity for 5000 injections, and will present a portion to this city and county hospitals and the medical society, retaining some for use under his personal supervision. The lymph is packed in small bottles, secured in a wooden box, each bottle bearing a red seal with Koch's name upon it. The doctor was two months in Europe, and believes that application of lymph in initial cases of tuberculosis will be attended with great success. The lymph in color is of a sherry brown, and is of the consistency of a light wine.

The Result of Nervous Strain.

LINCOLN, Neb., Jan. 18.—The long vigil of ex-Governor Thayer during the exciting scenes at the opening of the legislature, when he remained in his departments eighty hours for the purpose of keeping out Governor Boyd, has resulted in a dangerous attack of nervous prostration. To-night the ex-governor is a raving maniac, and physicians say his condition is alarming, owing to his age. He is nearly 75 years old.

Late to-night the ex-governor's friends deny that his condition is serious, and say he will be about as usual within a week.

Opinion of the French Press.

PARIS, Jan. 18.—The *Debats* newspaper professes not to understand the indignation expressed by Americans at the action of England in carrying the Bhering sea difficulty to the American supreme court, and thinks the members of the court should feel flattered by the confidence placed in their judgment.

Shipping a Valuable Cargo.

SAN FRANCISCO, Jan. 18.—The British tramp steamer, *Strathclyde*, which arrived here some time ago, after a long passage from Java, with a cargo of sugar, sailed yesterday for the United Kingdom. She takes a cargo of wheat valued at about \$1,250,000. This is said to be the most valuable cargo of its kind that has left this port for some time.

Strikers Returning to Work.

GLASGOW, Jan. 18.—Men who had gone to work on the Southwestern line have refused to join the strike, notwithstanding the earnest solicitation of those still out. This has caused many others to lose heart and return to work.

The Run on the "Busted" Bank Still Continues—Car and Wheel Works Shut Down.

KANSAS CITY, Jan. 20.—The run on the Kansas City Safe Deposit and Savings bank continued to-day. When the bank opened this morning the crowd was larger than at any time yesterday.

The Kansas City car and wheel works at Birmingham, a suburb of this city, shut down to-day for an indefinite period. Superintendent Suderland says the works will probably remain closed until they can get a freight rate that would permit their doing a profitable business.

A Most Important Discovery.

LONDON, Jan. 18.—The *Times* announces that the authorities of the British museum have discovered among a collection of papyrus rolls acquired recently in Egypt the text of Aristotle's treatise on the constitution of Athens, from which numerous writers of antiquity quoted, but which hitherto have been known only in detached fragments. This discovery is almost unprecedented in the history of classical learning. There is no doubt of the genuineness of the manuscript.
