THE PORTAGE RAILWAY

The Discussion of the Portage Railway Bill to be Taken Up by the Legislature Tomorrow.

The People of Counties Connemar and Galway in Ireland on the Verge of Starvation.

OREGON LEGISLATURE.

Proceedings of That Body at Salem Yesterday.
SALEM, Jan. 22.—Among the bills introduced in the senate to-day were, to reimburse Clatsop county.
By Fulton; to create the office of attorney general.
By Cross: relating to the sale of tide lands.
By Moore: to protect young fish in irrigating and mining ditches.
Special committee on Senator Raley's bill regarding appropriation of water for irrigation and other purposes was reported favorably upon and adopted by the House.
Senate joint resolution for portage railroad at The Dalles was made special order for Friday.

Congressional Proceedings.
WASHINGTON, Jan. 22.—In the senate Aldrich moved that the senate proceed to the consideration of the resolution to amend the rules by adoption of the plan of cloture.

Point order made on the Democratic side that the unfinished business was a motion to correct the journal of Thursday's proceedings.

The vice-president indicated his desire to hear argument on the point and positions on each side were stated by various senators, Stewart arguing strongly on the Democratic side.

The vice-president ruled Aldrich's motion to proceed to a consideration of the cloture rule in order, and over-ruled Harris' point of order.

Harris appealed but the chair was sustained. Messrs. Teller, Walcott and Stewart voted with democrats. Aldrich moved to proceed with the consideration of his resolution on cloture, and Gorman moved to table the vote. Yeas, 30; nays, 35.

A vote was then taken on motion to consider cloture rule. It prevailed by a vote of 36 to 32.

Immediately after, however, Harris called up his point of order and made a speech against the cloture resolution saying that it was not explicit enough to meet the rules.

The vice-president ruled against him. Harris took an appeal and was permitted to debate it. He is now reading from an apparently inexhaustible mass of manuscript to kill time.

In the house the approval of the journal is being made the subject of prolonged debate. But there is entire absence of the disorder of the past few days.

The journal has been approved and the District of Columbia appropriation bill passed.

The house has gone into committee on naval appropriation bill, general debate being limited to four hours.

Review of Troops at Pine Ridge.
PINE RIDGE, Jan. 22.—The review of troops in the field took place this morning about four miles from the agency. It attracted great attention, nearly all the friendly and hostile Indians on the agency witnessing it. After the review there was a display of the transportation department. There were three thousand men in the review.

Progress of the Strike.
CHICAGO, Jan. 22.—Business seems to have been practically suspended by the Chicago & Erie road between Huntington, Indiana, and this city. No train has arrived or left here since yesterday and no attempt made since Wednesday night to move any freight. Erie officials here refused this morning to give any information as to the condition of affairs.

Barn and Horses Burned.
BIGGS, Cal., Jan. 22.—A large barn containing eight fine horses, combined harvester, wagons, hay, harness, etc., belonging to E. D. Smith was burned last night. The loss is \$2,000; insurance, \$2,000. It is supposed to have been caused by tramps.

The Silver Pool Scandal.
WASHINGTON, Jan. 22.—The special committee on the silver pool this morning examined Senators Stewart, Teller and Walcott. They denied all knowledge of pool.

No Election Yet.
SPRINGFIELD, Ill., Jan. 22.—One ballot was taken in joint session of the legislature to-day for U. S. Senator, it was without any change from yesterday. Adjournment then taken until tomorrow.

THE FIELD OF SPORT.

Dempsey's Description of His Battle With Fitzsimmons.

NEW YORK, Jan. 20.—The Herald's New Orleans special has the following: "How is Dempsey?" Jack is sufficiently recovered from the terrible thumping he received last Wednesday night to get out on the street and move around with something of his accustomed ease. For four days he was confined to the house and suffered severely most of the time, his body and neck being badly bruised. He was seen to-day and asked how he felt, the inquirer venturing the opinion that he had not been much hurt, judging from appearances.

"It is almost a week now," replied Dempsey, "and I still feel the effects of the fight, and if you saw my body you would think so." Rolling up his left sleeve he exposed his arm, which was still discolored as far up as the elbow. "Just look at that," said Jack, "the left side of my chest from the armpit to waist is in the same condition. My legs, also, near the knees, are cut from coming in contact with the ropes," and with a good-natured smile he remarked: "I know I've been in a fight. I never saw Fitzsimmons till I saw him in the ring that night. He is a mighty good man. I knew nothing of the fight after the eighth or ninth round and was surprised when I was told that we had fought thirteen rounds. I did not hit him more than five times. He was too tall, and when I tried to hit him he would stand up, bend his chest out so as to save his stomach, and I could never reach him. All I know of the fight after the eighth and ninth rounds, and I have only a slight recollection of that, is that Fitz was touching me on the shoulders, and I was standing up to fight. I learn that Fitz has also refused to accept the Police Gazette belt, and he is right. There is nothing in these belts. I have one and was compelled to get out of a sick bed and defend it against Johnny Regan."

COUNTY OFFICERS' DAY.

Sheriffs, Clerks, and Treasurers in Session at Salem.

SALEM, Jan. 20.—To-day was county officers' day in Salem, conventions of sheriffs, county clerks and treasurers of several counties of the state having been held here this afternoon. There were three separate conventions. Sixteen sheriffs attended the meeting of the sheriffs, thirteen clerks the county clerks' meeting and four treasurers the meeting of the treasurers. The county clerks and sheriffs want a system adopted by which all counties will have a uniformity of blanks. The main object of the meetings is to get acquainted and discuss and consider old laws and proposed laws. The treasurers want the salaries of county treasurers increased, and will have a bill introduced on this subject. Their claim is that since Oregon has been a state no change has been made in the compensation, while the duties of the office, bonds, etc., are constantly increasing.

Swindlers Work on the Negro.
ATLANTA, Ga., Jan. 20.—The excitement among the negroes over the "colonization in Liberia" scheme, being engineered by the "United States and Congo National Emigration Steamship Company," does not abate. About 2000 negroes came to Atlanta from Texas, Mississippi, to wait for the promised ship, which hasn't come, and the cold weather of the past few days found them in such destitution that the city, in many instances, has been compelled to aid them. There is some talk of bringing the matter before the courts, but as each paid so little it is not probable that such action will be taken.

A Benefit to Dempsey.
NEW ORLEANS, Jan. 20.—Jack Dempsey has been tendered a benefit by the Olympic club. The affair will take place next Monday, and among those announced to appear are Kilrain, Muldoon, Fitzsimmons, Jimmy Carrol, Tommy Warren, Andy Bowen, Bob Farrell, Billy Woods, Mike Conley and Jack Dempsey.

Roller Skating Record Broken.
SAN FRANCISCO, Jan. 20.—The champion skater, Frank Delmont, of London, and J. A. Snowden, of Boston, raced for a \$200 stake tonight, at the Olympian rink, a distance of two miles. Delmont won in 6:13. The first mile was made in 3:01, beating the world's record of 3:03 1/2.

Kansas Alliance Victory.
TOPEKA, Kan., Jan. 20.—The legislature in joint session to-day elected Edwin H. Snow, the alliance caucus nominee, as state printer. Snow polled every alliance and democratic vote and one republican.

The World's Fair.
CHICAGO, Jan. 20.—The world's fair directors to-night formally ratified the agreement to put five of the exposition buildings on the lake front, close to the center of the city.

San Francisco Market.
SAN FRANCISCO, Cal. Jan. 22.—Wheat buyer 91@1.48 1/2, season 1.42 1/2.

BOSTON PROTESTS.

A Large Meeting of Citizens is Held in Boston to Protest Against the Passage of the Free Silver Bill.

FREE SILVER MOVEMENT.
Boston Merchants Protest—An Amendment Required for Harrison.

Boston, Jan. 20.—Faneuil hall was packed to-day with business men of Boston, gathered at the hall of Mayor Matthews, to formally protest against the free coinage of silver.

Starving in Ireland.
DUBLIN, Jan. 22.—The people of Connemar and Galway are on the verge of starvation.

The Okanogan Indian Scare.
SPOKANE, Jan. 20.—Colonel John Booge received the following dispatch to-day from Brigadier General Curry, who went out into Okanogan county several days ago to take arms to the settlers and investigate the Indian discontent, and report on the advisability of sending in the militia.

We arrived here Saturday safely, and delivered the arms. The young bucks are threatening and defiant. The older Indians urge peace. I think there will be no trouble at present. Have sent Sub-Agent Thomas to gather in the leading Indians. We will meet them Tuesday at the reservation. I think I will, with this help, stop further trouble. We will start for home Wednesday if the conference is satisfactory.

Limit it to America.
NEW YORK, Jan. 20.—Private Washington dispatches to a Boston banker say: "The best information is that the silver bill will be amended to limit free coinage to American production. In this form the president will approve the bill."

Glasgow Strike Grows Very Serious.
LONDON, Jan. 20.—The Times' Glasgow correspondent says: The area of the strike enlarged considerably yesterday. Burns has induced the southwestern employes at Hurford to strike, and there is little doubt but others will follow. The consequence will be serious, including a check to the influx of men accepting employment with the Caledonia and North British companies.

The New Canadian Pacific Steamer is a Fast One.
LONDON, Jan. 22.—A trial trip of the new screw steamer Empress of India was made at Bonanout, to-day. The steamer maintained a speed of 19 1/4 knots per hour. The Empress of India is owned by the Canadian Pacific Railroad Co., and will be employed in service between Vancouver and Japan.

Heavy Post Office Robbery in Chicago.
CHICAGO, Jan. 22.—It just transpired that a package of valuable letters belonging to the Northwestern Nat. bank has been stolen from the post office. The package consisted in sixty letters containing from \$100,000 to \$150,000 mostly in drafts, checks and notes.

Villas is Nominated.
MADISON, Wis., Jan. 22.—The Democratic legislature in joint caucus to-day nominated for U. S. Senator William F. Villas.

Chicago Wheat Market.
CHICAGO, Ill. Jan. 22.—Wheat steady, cash 87 1/2, May 87 1/2 @ 87 3/4, July 89 1/2.

There is no doubt whatever that the "tightness" of the money market is due to the fear that the value of the dollar may be impaired by silver inflation. This leads men to withhold money, deny credit and lock up gold in anticipation of the time when it may command a premium, says the Portland Oregonian.

Suppose gold was demonetized, how long after that would the hoarders keep it locked up? The value of their dollar would be considerably "impaired" by such a procedure and they would be glad to get it in circulation on any terms. It is the power and value given gold by law which makes it put on airs over silver and other products. This is the reason that at times gold is able to "command a premium."—East Oregonian.
