TheTennessee known Asylum Burned—

Dismantle Fire of Stryker—New B. E. Line to the Pacific Coast.

The Associated Press Reports are that 12 people were killed and 26 others injured in a fire at Stryker's asylum in Tennessee.

New Orleans, March 14.—The news about this fire brought to New Orleans a general announcement of the seriousness of the situation. The asylum was located on the outskirts of the city and was being used as a hospital for the sick and disabled.

The fire started in the kitchen and quickly spread through the building. The inhabitants were able to escape the flames and were taken to the hospital for treatment.

The cause of the fire is still under investigation, but it is believed to have been accidental.
