LOCAL BREVITIES.

Good Friday. Next Sunday is Easter. The Duke of Celilo is in the city. John Parker the Hood River saw mill man is in the city. Dr. Davenport, the dentist of Wamie is in town today. Maier & Benton make a specialty of fine teas and coffees. Mrs. Thomas the milliner of Dufur was in the city today. Fred Skibbe and N. Harris went to Portland this morning. There was a light fall of snow on the Klickitat hills last night. For fine jewelry, silverware and fine watch repairing go to S. L. Young. H. C. Neilson calls attention to his choice stock of gentlemen's neckwear. Chas. Stubling sells Milwaukee beer, bottled by himself, at 25 cents a bottle. John Roth of Kingsley left today for Port Townsend with a car of beef cattle. Walla Walla is afflicted with measles. There are said to be 160 cases in the city. I. C. Nickelsen claims to have on sale the best organs and pianos that the market affords. Birds in their little nests agree. And 'tis a shameful sight. When two "retired ministers" fall out and chide and fight. Joles Brothers will receive today from across the river a ton of number one early rose potatoes. Garretson, the jeweler, has a magnificent display of ladies' and gentlemen's gold and silver watches. The west bound passenger passed today at 10 o'clock p. m. in two sections, and filled with emigrants. Milt Akin and Elizabeth MacPherson both of this city were married at the Cosmopolitan hotel yesterday. John Pashek expects today a fresh arrival of foreign and domestic suitings and pants goods. Call and see them. Livermore & Andrews are going out of business at The Dalles and are selling off their rustic chairs and lounges cheap. Battalion drills will be held on next Tuesday and Thursday evenings preparatory to the coming regimental ball. The attention of the ladies is called to the new advertisement of McFarland & French as it is of special interest to them. It is said that a "skermish drill" will be given, under the command of Captain Nevius on the upper beach next Sunday afternoon. Elder J. A. Orchard will hold religious services in the county court room on next Sunday at 11 o'clock a. m. and 7:30 p. m. A cordial invitation is extended to all. The new granger store is now open and ready for business—all but the show windows, and Pap Chandler bid us say nothing about them till after he closes a treaty with China. The butcher business must be booming. Wood Brothers have bought a new handsome delivery wagon, built by F. Skibbe, and F. P. Taylor has followed suit by buying another from Filloon Brothers. Max Vogt has been giving a number of his frame houses a new coat of paint while the opera house has been newly clothed in a suit of white wash on the outside next to the alley. A farewell party by the gymnasium club will be given next Monday night at their hall over the I. C. Nickelsen store. As this will be the last of these pleasant entertainments a good attendance is desired. Norton's surveying party have got as far as the ranch of Mrs. Dick Brookhouse, on Lower Fifteen Mile Creek. They have met with no difficulties, and report that the farmers, through whose lands the road is being surveyed, are so well pleased, that no trouble will be experienced in procuring right of way. The state of Washington has passed one good law which escaped the veto power of governor Laughton. It is a law "giving any person who may do any labor upon any farm or land, in tilling or sowing, harvesting or threshing any grain, as laborer, contractor or otherwise, a lien upon such crops for his work or labor, and every landlord shall have a lien upon the crops grown, or growing upon demised lands, for rents during the year; the liens shall be preferred liens."

The M. E. Entertainment.

A very enjoyable entertainment, said to be one of the very best ever given in this city took place at the M. E. Church on Wednesday last. It was in lieu of Dr. McInturf's lecture on Japan. The entertainment consisted of readings, recitations and music by the choir. Sergeant Major Riddell presided with becoming dignity and the efforts of Master Hugh Frazier, Dottie McFarland, Mr. D. Parish, and Rev. Mr. Brown were eminently successful. Miss Luella McFarland gave a recitation entitled "Lasca," in a very pleasing manner. It was full of grace and vivacity and was indeed charmingly given. Miss Walf Grubbs of Portland gave a recitation which was the gem of the evening. Miss Grubbs is always a favorite with The Dalles people and she never disappoints an audience when she comes before it, and this was no exception. She is thoroughly finished in her performances and it is always a pleasure to listen to her.

Note and Comment.

While the farmers of Kansas and Nebraska are repudiating their debts and bewailing their lot, it is well to call attention to the prosperity of some of the farmers in the Pacific Northwest. Here is a sample item from the Pomeroy Independent: "We desire to point out that one man in Garfield county is doing well. This year he had a profit from his farm of \$3000 clean cash. He sold his wheat last Friday, except 1000 bushels. His crop of barley is sufficient to pay all expenses of his farm the past year. The name of this farmer is George Stallcop, one of our county commissioners." This is by no means an exceptional case. The exceptional cases in this country are those farmers who through lack of thrift, or by inebriety or wasteful living, fall not only to be well supplied with the necessities of life, but also have some of the luxuries.

Looking out a New Road.

Emil Shanno and Charley Schmidt returned last night from Hood River. They and Jim Hamilton of the Cascade Locks were appointed by the last county court to survey and locate a new county road in the mountains south of Parker's Mill. They did so, but under such difficulties as one may imagine when he is informed that three to four feet of snow lay over the route, and Emil says it snowed like—well like Sam Hill during the time they were at work and had it not been for the service of a guide they would have been lost. Mr. Shanno says the new road will tap as fine a body of timber as he has ever seen.

Yesterday's representative of the CHRONICLE heard a Scotchman, well known in these parts, tell the following story: "I left Scotland when quite a lad and, coming out to San Francisco, I joined one of the Congregational churches of that city. A few nights after I joined I attended a prayer meeting in the church and was greatly surprised at being called on, by the pastor, to lead in prayer. I was mad; you bet I was. I had never prayed in my life in public, but I was not going to back out all the same. So I started off, at a smart gait, with the prayer I had so often heard from the lips of our old Scotch minister, Doctor Feeney, and I prayed for everything, including the queen, Albert, Edward, Prince of Wales and all the royal family. I guess they were all surprised at the clever prayer, but I noticed the pastor never asked me to pray again."

We have long known that Dr. Shackelford has the most intelligent horse in the city, in fact he is getting too much so. This morning the doctor left him in front of Blakeley & Houghton's drug store while he attended to some business inside. The horse noticed the fine bicycle of Mr. Houghton leaning against the post in front of the store, and, no doubt, thinking that if the doctor had a horse like that he himself would have a soft snap and might be turned out to grass for the summer, he deliberately fastened the lines of his bridle on the bicycle and walked off with it. An officer had him promptly arrested and restored the bicycle to its owner. It will be difficult to find a "jury of his peers" to try the horse for larceny, for he has no peers anywhere. Meanwhile he has been turned loose on his own recognizance.

Marshal Gibbons has got word two or three times of a crazy man who is out in the Kingsley neighborhood accompanied by a boy and who undoubtedly is the man Tegarden who registered at the Umattilla house last week. It is to be hoped he may be arrested and his state inquired into before he does any damage to himself or any one else.

The court house is getting a nice new coat of red paint on the outside. When finished it will greatly add to the beauty of the structure.

Every lady in town who wants a new spring hat or bonnet should call on Mrs. Phillips.

Again it becomes our duty to record a very sad death that occurred at a happy home in Klickitat valley, about fifteen miles from this city last night at about 10:30 o'clock, when the wife of Larsen O'Brien passed away with only about fifteen minutes warning, in her 48th year. At eight o'clock yesterday evening she appeared to be in as good health as she ever was in her life. Two hours and a half later she was dead. The trouble was heart disease. She leaves a husband and one girl of ten years to whom when the warning came she had barely time to say good bye. She will be buried next Sunday at 4 o'clock in the Catholic cemetery at this place beside an infant child already laid there.

Dunham, which will take place from the Congregational Church at 2 o'clock. A full attendance of members and visiting brethren is specially requested. By order of the W. M. O. D. DOANE, Secretary.

I have sold four dozen of it within the last sixty days and do not know of a single case where it failed to give the most perfect satisfaction."
