Church Election.

The Congregational church, of this city held its annual parish meeting last Thanks to Dr. Competition. night. There were present 54 persons and the meeting was an enthusiastic and pleasant one. The deacons elected were : S. L. Brooks, E. P. Roberts, R. A. Ros- his office. coe and A. R. Thompson, while R. A. Roscoe was chosen trustee. Rev. W. C. Curtis was unanimously given a call as permanent pastor, which is a handsome tribute to a worthy and accomplished gentleman. The church has been more prosperous the past year than any since its organization and all feel that it is because both members and pastor have been working together for the cause of Christ. The deacons elected are all representative men and will be a power for good during the coming year. Deacons Brooks and Roberts have held & Beers old stand. these same positions for many years and have seen the church grow from a small and struggling one to a large, flourishing and popular congregation with the finest edifice in the city, and with every indication that it will double its membership within the next twelve months. To these two men and their estimable wives much of the present prosperity is due. A thank offering of \$162.50 was taken up at the conclusion of the election.
