THEY WANT SILVER.

The Terrible Financial Condition of the Argentine Republic Can Only be Averted by a Silver Standard.

New Orleans Wants a Fight Between Slavin and Sullivan—A Philadelphia Firm Wins a Big Suit.

WASHINGTON, June 19.—The bureau of American republics has received a copy of the annual message of president Oelgrini, of the Argentine republic, which was laid before congress May last.

The financial crisis, the president says, grows worse daily. Paper money of which there is two hundred and sixty millions in circulation is sustained at 80 per cent. He estimates the losses since the crisis began at \$200,000,000.

He considers the best solution of the financial difficulties would be to correct the defects in the state banking system's service the credit of the state bank and enable them to continue. He adds: "But a gold standard is the inseparable difficulty in the way of resuming specie payments. If we want a metallic basis we must resort to silver, all the objections raised against the silver standard, may apply to Europe but do not affect us."

A HERO'S BEHESTS.

The Will of the Late General Albert Pike Now on File.

He leaves all articles of personally in trust for the benefit of the order of which he was grand commander. The fee to which he was entitled in the famous Choctaw award he leaves to his two sons and daughter. The money in the treasury of the United States, arising from the sale of under process of confiscation of his property in Little Rock, he wills to the United States "that they may have honest title thereto, no longer hold them as the proceeds of plundering under the form of law and also that indebtedness of the United States to me for four horses lost by me in military service of the United States in Mexico."

AN EMBEZZLER WANTED.

A Trial Being Made With the German Government for his Surrender.

WASHINGTON, June 19.—The department of state is informed that the German government has declined to surrender True, W. Hoyt, a defrauding employee of the Gas Light company of Philadelphia. There is no extradition treaty with Germany, covering points of offence and while the German government is willing to surrender him without a specific treaty stipulation, it was only upon the condition that this government would recognize demands by the German government for the surrender of escaped criminals, whose crimes are not covered by existing treaty. This condition could not be accepted. The United States government has been in communication with the government of Great Britain and it is hoped that efforts will not fall in securing Hoyt in the end.

THE MURDERED CHINAMAN.

A Chronicle Correspondent Gives Further Particulars of the Work of the Indians.

SAN FRANCISCO, June 19.—Deputy Recorder Barnard of Bridgeport, Morocounty, has written to the Chronicle giving fuller particulars of the killing of the Chinaman Ah Tai by the Walker Lake Indians at Bridgeport, June 9th. Ah Tai was afraid to leave the court room after his discharge and one of his attorneys went to request the sheriff to give him a body guard. Four Indians then rushed into the court room of Justice Fales' court. Ah Tai and one of the latter's attorneys being the only occupants, they seized the Chinaman and dragged him into the street where they were joined by other Indians who took the victim half a mile out of town and made mince meat of his body.

A Young Wife Drowned.

PORTLAND, June 19.—Mrs. Rosie Wilson was found drowned this morning in a slough on Sauvie's island. Mrs. Wilson had only been married four weeks and was little more than a child. It is supposed that she committed suicide on account of the ill treatment of her husband.

Thinks President Hippolyte Crazy.

NEW YORK, June 19.—A letter from Hayti says that Hippolyte continues to kill his supposed enemies but they accumulate faster than he can kill them. The writer thinks Hippolyte is undoubtedly crazy.

Importers Win a Test Suit.

PHILADELPHIA, June 18.—The jury in the Myer and Dickinson test suit against the government to recover duties paid on importations of hat trimmings returned a verdict this morning in the United States Circuit court for the plaintiffs. The plaintiffs claimed that the goods were liable to twenty per cent. duty, while the officials held that they were dutiable at thirty per cent.

The government will appeal for a verdict to the Supreme court. By this verdict the government is liable for from twenty to thirty million dollars that it had collected on duties from importers of millinery materials in various parts of the country.

More Trouble for the Cherokee Strip.

ARKANSAS CITY, June 19.—It is reported that a thoroughly organized body of boomers will shortly enter the Cherokee strip, cut all fences and burn the grass, thus forcing cattlemen off the land. Cattlemen on the strip without authority of law have been warned by Secretary Ross of Cherokee nation that all cattle found trespassing will be seized.

THE CANADIAN WIRE-WALKER.

He Will Again Attempt to Walk Over the Most Dangerous of the Niagara Rapids.

NEW YORK, June 17.—Samuel J. Dixon, of Toronto, Canada, the only man who ever walked over Niagara falls on a wire, is now located in this city. He is making preparations for several wire-walking trips over the most dangerous parts of Niagara rapids. Dixon September 6th of last year crossed the falls above the suspension bridge on a swaying cable of woven wire only five-eighths of an inch thick. His performance was most remarkable but what he intends to do some time next month will be more difficult than anything he has yet attempted. It is his intention to make about four trips both ways from the American to the Canadian side, and vice versa. The wire will extend from the Canadian to the American side, between the suspension bridge and the whirlpool rapids, above the spot where Captain Webb lost his life while trying to swim the whirlpool. Dixon intends to make his last walk on that day a memorable one. He intends to cross the wire about 9 o'clock in the evening. He will be followed by a powerful calcium search light as he makes his journey. When he is midway across, the calcium light will be turned off and a fireworks display will begin.

Troubles of a Theatrical Manager.

LOUISVILLE, Ky., June 17.—John T. MacAulay, manager of MacAulay's theater, was arrested and put in jail yesterday, where he remained an hour, before he was released on a writ of habeas corpus. Last February Eugene Elrod, formerly MacAulay's business manager, sued the manager for slander, MacAulay having discharged Elrod and said he was robbed by him. Elrod got a verdict of \$2500, and MacAulay had never satisfied this. He had his former employer arrested on a capias. A bond of \$500 was given for MacAulay's appearance today.

The Lawyers are a Great Help to the Railroad because they express so many opinions.

AN OVERPLUS OF DEATHS.

Montana Breaks the Record for Mortality During the Past Week.

HELENA, Mont., June 17.—An unprecedented number of fatalities have occurred in this state within the last week, not due to any disastrous calamity. Most of them were accidental, though some were criminal. Tuesday night of last week Editor Penrose was assassinated at Butte, and there is yet a small clue to his murderers. Sunday last Charles Carlson, a foreman on the Barker branch, was drowned in Belt creek at Nesbitt. He had a quarrel in a saloon, and thinking a gang was about to set upon him plunged into the stream. Charles A. Jones, a young lawyer of Butte, made a fourth attempt at suicide, and was successful. The same day a miner named Thomas Bunn was killed at Wickes, in a shallow prospect hole, by a cave-in. Mabel Witham, a girl in her teens, was killed Monday, at Missoula, by being shot in the head with a target rifle in the hands of Mrs. James Mulligan, whose carelessness is responsible for the shocking accident. The same day a transient boarder named Woods ate poisoned mushrooms at a boarding house in Great Falls and died in great agony a few days ago. Peter Peters, a Swede, living on Quartz creek, Missoula county, accidentally shot himself in the abdomen and died from the injuries. A lad named Fortune was drowned last week near Great Falls, and Mr. Benton Kennedy met a similar fate in the Yellowstone, not far from Livingston. The horribly mutilated body of a tramp was found on the track near Livingston yesterday, and the only clue to his identity was an envelope addressed to W. F. Purcell, Brantford, Ontario.

DISHONEST DEALINGS.

Disgraceful Methods Resorted to by a Once Reputable Firm.

KINGSTON, N. Y., June 17.—Serious complications have arisen out of the recent failure of the large dry-goods house of George B. Merritt & Co., of this city. The liabilities range from \$80,000 to \$80,000. Several chattel mortgages were filed against the stock, which was to have been sold today, subject to their mortgages. Yesterday H. C. Clain & Co., of New York, procured an attachment for \$3000, and Sheriff Dill forcibly effected an entrance into the store and seized goods appraised to the amount of the attachment. The stock remained in the store, and was sold today at auction to Post-master Noah Wolven, who held a \$10,000 chattel mortgage. Clain & Co. allege that the mortgages were given with intent to defraud creditors, and George B. Merritt, the senior member of the defunct firm, says he knew nothing of the mortgage until the seizure was made on Saturday. Several creditors will combine and fight the validity of the mortgage.

A PECULIAR DECISION.

Slavin Wins the Fight But All Knockout Bets Are Off.

NEW YORK, June 17.—Jere Dunn, referee of the glove fight between Slavin and Kilrain in Hoboken, last night, today made the official decision that Slavin won the bout and was entitled to 75 per cent. of the \$10,000 purse, but that all bets that Kilrain would be knocked out within the ten rounds were off. New York sporting men look upon the decision as inconsistent.

DENIES THAT HE ABSCONDED.

A Statement From an Agent of the New York Life Insurance Company.

NEW YORK, June 17.—Julio Merzbacher, one of the Spanish-American agents of the New York Life Insurance Company, who has been charged with being short over \$300,000, has given a London correspondent a statement, in which he says he left New York with the knowledge and consent of the company, and adds:

"I have been unfortunate in speculation in Wall street, and was caught very badly in the panic of last fall. When the strain became too great I assigned to my partner, Mr. Sanchez, all my profits, past, present and future, in the Spanish-American department, and also all other available assets in my possession. He in return, and without any further consideration, assumed my liabilities, of which there were none except to the Spanish-American department. I arrived in London December 13 and have been in communication with Sanchez and many of my New York friends. I have lived openly and above board, and have no reason for hiding myself. It is hardly imaginable that I would have been allowed this had I absconded with a large amount of money."

CORBETT TALKS.

He Thinks Slavin and Jackson Should Settle Who is Champion of Australia.

SAN FRANCISCO, June 16.—Jim Corbett arrived from Portland this morning. Regarding the Slavin-Kilrain fight he said:

"Slavin did fully as well as I thought he would. He showed he was a hard puncher and a good man. I see Peter Jackson is willing to meet him, and as the championship of Australia is still in dispute I think the two men should be brought together. So far as the championship of the world is concerned I concede it to Sullivan, but I am willing to meet the winner of a fight between Slavin and Jackson in order to defend the title for America, but I do not care about doing battle with men who are disputing the championship of their own country.

Two veins of coal have been discovered on the east bank of the Deschutes river, nearly opposite the Mutton mountains in Wasco county. The veins are about 12x30 feet and extend for nearly five miles along the Deschutes.—Observer.
