have fived in The Dalles since 1866, alreceiving more attention than ever before and a fruit cannery will be, and in fact him. pa had to come and take it home for him.

We understand that the bonds of Al Lawson are to be raised to \$5000. This is right and it ought never to have been is right and it ought never to have been less. If we know the temper of the peoless. If we know the temper of the peoless is now, a much needed industry. It is now, a much neede The run of fish during the past twentyto enjoy many more happy reunions.

At the Umatilla House at 6 o'clock p. The "Observation Social" given by Gusina R. Patjens, of Kent. Two hours morning.

## Twenty Dollars Reward.

Parties have been cutting the supply old sthool building on Union street, at other way.

Of the depth of water on the Columbia river bar, Major Handbury, who has

ward of \$20 is hereby offered for evidence that will lead to the conviction of persons doing the same. By order of the Board of Directors.

quarters of a mile and a depth nowhere less than twenty-seven feet. These depths are referred to the plan of average lowest low water. The distance from the sounding giving thirty feet on the outside of the bar to the same depth on the inside is now but one-half mile."

We are very much pleased to learn that the merchants and business men of Portland have signified their intention of assisting in a substantial way towards placing a boat on the lower river to connect with the Regulator. The project the world to swallow. Grease it with green grease, I mean. That makes things look right. I saw a fellow the other day talking about the whiskey business, and he had a card the size of an envelope. On it he had in big letters: 'W-R-O-N-G.' He held it up and said: 'You see that? You see 'wrong' on it.' Then he put a five dollar bill over it and held it up. 'Now,' he says, 'you can't see it. It's there, but you can't tell it.' That's the way it is with a heap of things—put money on it and it looks all right. Senator George is talking more sense to the farmers than any man I know." Blade.

A Bright Young Telegraph Operator. Some three weeks ago Mr. Turner, the efficient telegraph operator at The Dalles W. U. telegraph office, was taken so ill that he had to give up work in the office here, and Mr. Balfe Johnson, a pupil of the Wasco Independent Academy, took up the work and has carried it on ever sinc. Balfe has never had the advantage of a regular education in a telegraph \$1.25 per 100. office, but has picked it up by operating office, but has picked it up by operating Pure maple sugar at Joles Bros., eight over one of the amateur lines, where pounds for \$1.00. people play at telegraphy. For a day or two the Chronicle was doubtful that the don't have la grippe. young operator would be able to take its Everything was in readiness for the associated press report, but Balie's cour-'Regulator' at eleven o'clock this fore- age grew with the emergency and he noon.
