All Watch Work Warranted.

Bankers and Dealers.

June 1891, the Dallies' newspaper advertisement for fall stock offers a variety of goods including flannels, white goods, and summer undergarments, among other items. The ad also mentions the opening of the Opera Restaurant and highlights the business of the rival newspaper, The Dalles Daily Chronicle. The ad is a typical mid-19th century advertisement, offering a range of goods and services to the local community.
