A COMPARISON.

The traffic of the Suez Canal for 1890 was 3,389 vessels, registering 6,890,014 net tons

WILL NOT STAND IN THE WAY.

The CHRONICLE has interviewed Messrs. Liebe, Dufur and Johnston, three of the directors of the Dalles and Deschutes Portage Railway and Navigation company

RAILROAD MATTERS.

The last issue of the Wasco News says: "The construction of a railroad through Sherman county or into the interior of it, is a matter that our people should not let rest until the question is finally settled

If The Dalles portage projectors construct their road into Sherman county up Spanish Hollow, or bring their influence to bear to get a road into the county

Sherman county is ready to join hands with The Dalles in securing the construction of this line, providing the matter does not end in all talk and on paper

This railroad question is one that should interest every one in the county; it is a question for which bickerings and strife should be laid aside

would be produced. Grass Valley is one of the rich sections of Sherman county that stands in need of a railroad, and we hope before the days of another August comes it will have it

OREGON PRESS ASSOCIATION.

Fifth Annual Session to be Held at Astoria, Oregon, August 28, 29, and 30. The fifth annual meeting of the Oregon press association is to be held at Astoria and at Clatsop Beach, the 28, 29, and 30th of this month

During the session of the Oregon press association, several hours will be spent at that delightful seaside resort, Gearheart park, and the manager of Gearheart hotel will not only entertain but also cater to the wants of the inner man

Mr. Amos Strong, formerly of Salem, is now in charge of the Gearheart Park hotel on Clatsop beach, and is preparing to welcome right royally the visit of the Oregon editors August 30

The editors and their friends, who attend the meeting of the Oregon press association at Astoria, will find some of the most pleasant features of the session to be the visit and entertainment at Gearheart Park, the elegant appointments of the hotel, The incomparable sea bathing, and the refreshing coolness of the park

A visit to the government jetty at the mouth of the Columbia, a ride on the newly-built Astoria & South Coast railroad, a dinner at the Gearheart Park hotel and a dip in the bosom of mother Pacific, etc., are among the attractions at the meeting of the Oregon press association, at Astoria

A COMMENDABLE ATTEMPT.

Major Foote, an Old Soldier, Trying to Make a New Pension Law.

A very commendable attempt is being made by Major Allen Foote, a wounded soldier of the late war who was in active service from Bull Run to Appomattox, to stop the growing extravagance of pension appropriations

RESULT OF FAST DRIVING.

A City's Streets are Made a Racecourse with Disastrous Results.

SPOKANE, Wash., Aug. 14.—A serious accident resulting from fast driving, occurred last evening about 8 o'clock on Second street. F. M. Tull was speeding his trotter, Sleepy Bob, and on Second street he caught up with Kid Miller. A race ensued

Something New. The bankrupt sale of dry goods, etc., now going on at H. Solomon's old stand is a "new thing" for The Dalles, where a failure in business is a rare occurrence

Found. A small key, resembling a postoffice key, with a piece of red string attached. The owner can have it by calling at this office.

A Good Fish Story.

Salem Statesman: The city editor of the Seattle Post-Intelligencer claims to have caught 1500 trout in one week. The mind stands appalled at what the story would have been, had it been the managing editor
