TERRIBLE LOSS OF LIFE.

Another Railroad Wreck in Which a Larger Number of Passengers Lost Their Lives.

Three train cars were derailed near the junction of the Union Pacific and the Oregon Short Line, killing at least 12 people and injuring several others. The accident occurred on the John Day branch in the early hours of the morning. The cause of the derailment is under investigation.

Searing Heat Underway all Over the Northwest—Lack of Storage Facilities Reported.

Heat, Aug. 15.—Searing heat is once again upon the Northwest, with temperatures reaching 104 degrees and humidity levels dropping to 20 percent. This heat wave is expected to last for several more days, with temperatures forecasted to remain above 100 degrees. The lack of storage facilities for food and water is causing concern among residents and local authorities.

TERRIBLE LOSS OF LIFE.

Another Railroad Wreck in Which a Larger Number of Passengers Lost Their Lives.

The train, a mixed freight and passenger train, was traveling on the Union Pacific Railroad near the town of John Day when the accident occurred. The train was pulling several train cars, including a boxcar and a passenger car, when it derailed. The cause of the derailment is under investigation.

The Dalles, Aug. 15.—Searing heat is once again upon the Northwest, with temperatures reaching 104 degrees and humidity levels dropping to 20 percent. This heat wave is expected to last for several more days, with temperatures forecasted to remain above 100 degrees. The lack of storage facilities for food and water is causing concern among residents and local authorities.
