LOCAL BREVITIES.

Better to weave the web of life. With a bright and golden filling. Doing God's work with a ready hand.

Hon. F. P. Mays came up from Portland on the noon train today. J. C. O'Leary vs. Henry Smith decision in favor of Smith the homestead claimant.

Dr. Gagen of Heppner was in the city today visiting Dr. Sutherland. The doctor gave the CHRONICLE office a pleasant call.

The register and receiver of the United States land office at this place have rendered decisions in the following cases of land contests. Henry Hudson of Dufur paid this office a welcome visit today.

Monday last Dr. Logan was called to see Mr. Thomas Burgess of Bake Oven who had been taken with an attack of dysentery. When the doctor left Bake Oven yesterday morning, Mr. Burgess was much better and able to be around.

A. J. McHaley and son Charlie and Dan Doyle, Wm. Davidson and his brother-in-law and a gentleman named Sherwin and several others from the neighborhood of Eight Mile have gone to the mountains, in the neighborhood of Salmon River, on a prospecting tour.

Mr. and Mrs. L. J. Klinger of Dufur returned last Thursday evening from a three-weeks' trip to the mountains in the neighborhood of Mount Hood.

In an interview last evening with Mr. Daley, the overseer of the Oregon bridge company, who have the contract for laying the new supply pipe between the new reservoir and the receiving basin at Mesplies we learn that 2600 feet of the excavation remain to be opened out of a total of 21,600.

Dr. Logan was called out on Monday to Sherar's bridge to attend Mr. James Dennis, a trusted man of Mr. Sherar's who has been in his employ for years.

by the horse was a red spot about the size of a silver dollar on his abdomen. Mr. Dennis was improving at last accounts. Mrs. C. S. McCully of Dufur is ill with typhoid fever.

Captain Wilson and family arrived on the noon train today. Mr. S. J. La France of Hood River came up to the city on the noon train today.

Dr. E. J. Thomas and wife are about to leave Hood River much to the regret of their many friends in that neighborhood. Mrs. Franklin of the Twelve Mile house, on the Canyon City road, died this morning.

The Union Pacific company will not accept the rates fixed by the Oregon railroad commissioners and according to the terms of the act will require to be sued in equity in some circuit court in this state.

Mr. R. Gilhousen and family returned Saturday evening from a three weeks' trip to the Cascade mountains and the Willamette valley. We learn from Mr. Gilhousen that Mr. C. W. Rice, whom he met at Soda Springs, intends leaving his family at Clackamas during the fall and coming winter.

Some idea of the magnitude of the steam and electric plant proposed for the world's fair may be gathered from the statement that 24,000 horse power is to be provided for driving the machinery. The power at the Centennial Exposition in Philadelphia was about 2,500 horse power and at Paris 6000 horse power was found sufficient.

The Union Pacific Wool Steal. From a private letter received this morning from Mr. and Mrs. J. H. Sherar, who are now in Boston, we are permitted to make the following extracts relating to the way the Union Pacific railroad company have treated Mr. Sherar in the shipment of his wool.

The finest exhibit yet. The finest lot of fruit that Major Ingalls has received yet for "Oregon on Wheels" arrived yesterday, when Mr. E. T. Sharp of the Gallaway farm brought in apples of the "Queen of the Durham" variety, which measured 1 1/2 inches around, and Potted Pippins that measured 1 1/4 inches.

It is now probable that The Dalles will build a portage railroad to a point near the mouth of the Deschutes and also the railroad to Sherman county and to the Fossil coal fields. These matters are no longer questions of expediency, they are imperative.

The pastor—So you think heaven is like Boston, do you? Mrs. B. (from the Hub)—Oh, of course not exactly; I don't expect too much.

Wanted. Ten or twelve good men. Wages \$2.25 per day, board \$5 per week. Apply to H. Glenn. House for rent next door east of Judge Thornbury's. Apply on premises or to H. Hansen.

INSTITUTE PROCEEDINGS.

Professor Wetzell Springs a new Idea Among the Teachers. Professor Wetzell in concluding his subject, "Writing," yesterday afternoon summed up by saying that he would never present to the eyes of his pupils a badly formed letter, not even as a contrast.

Professor Wetzell makes some pretensions to being a draughtsman. In fact he says there are few people who can surpass him in drawing—his breath and salary.

The old I-get-there-every-morning-in-time teacher has come to be a pleasant feature of the institute to the instructors. Be it said, to the credit of all concerned, your reporter has never been a member of a teachers' institute (and he has been a member of a good many) in which more vim and life are being displayed, and in which more solid work is being done than in the present one.

Prof. E. L. Shuey, Dayton, Ohio. DEAR SIR:—Replying to your request for a statement of the facts concerning my experience with the Equitable Life Assurance Society of New York in their late settlement with me, I would state that in the early part of 1881, my age being 56 years, I took out a Ten-Payment Life Policy in the Equitable upon their Ten-Year Tontine Plan, for \$50,000. My premiums during the period amounted to \$37,312.00. The Tontine period expired early in January of the present year, and the Company then offered me the following terms of settlement:

Table showing settlement terms: FIRST—A paid up policy for \$40,000.00 and cash \$7,781.00. SECOND—A paid up policy for \$4,000.00 and cash \$4,496.00. THIRD—Surrender my policy, and receive in cash \$6,496.00.

I was so little satisfied with the results of my investment that I chose the third, cash, proposition, but when I so decided, the company, through several of its representatives, labored to induce me to take one of the other forms of settlement, but finding that I was determined to surrender the policy and take the cash, they finally instructed me from the home office to send policy and receipts for the amount, \$36,496.80, to their State manager in Cleveland, and he would remit me the amount. I followed their instructions and sent the policy and receipt through my bank in Springfield to our correspondent in Cleveland, only to have it returned from the Cleveland Bank with the information that the State manager of the Equitable states that he "had not sufficient funds to meet it." This forced me to return it to the New York office, and compelled me to wait some twenty days after maturity before receiving final settlement.
