California Town in the Sacramento Valley Badly Burned.

DESTRUCTIVE FIRE.

WILLOWS, Cal., Sept. 2 .- A fire broke although the fire department responded quickly, before they reached the fire the Willows hotel was in flames. The wind being from the south, it communicated to a frame on the north, and in spite of the fact that the firemen fought it heroically, the entire block was doomed, and the Union hotel and the Crawford house were soon in flames. A determined fight was made to save Hochheimer's store, but the heat from the Crawford house was so intense that the flames soon enveloped it, and one of the finest business-houses in northern California was doomed. The fire was finally got under control after it reached to the Chapman building, adjoining Hochheimer's on the north. It looked at one time as if the entire block from Sycamore to Walnut street would go. It is impossible to get the amount of loss at present but it is estimated at \$150,000 present, but it is estimated at \$150,000, partly covered by insurance.
