HANGED FOR MURDER.

A Desperado Ends His Life on the Scaffold.
SAVANNAH, Mo., Sept. 8.—John Bulling was hanged here today at 2 p. m. The life of Bulling has been marked by many crimes. According to his own confession, he has been a desperate character, and for many years he has been haunted by fears of arrest for his many transgressions. He first came under notice of the officers of the law through his connection with a tragedy at Pittsburg several years ago, in which two men were killed. He escaped conviction in this case, and was next heard of in this state, when the crime for which he was hanged today was committed. He deserted his wife in the summer of 1888, and took up with another woman. His abandoned wife sought employment at the Herbert house, Savannah. Bulling getting access to her room one night in January, 1889, with an ax almost severed her head from her body and otherwise mutilated the remains in a horrible manner. For this crime he was tried and sentenced to be hanged in March last. The day before the execution was to take place he was respited to April 17, and on the night of the 10th of that month he escaped by cutting his way out of the Savannah jail. A large reward was offered for his capture, and the Pinkerton agency put men on his trail, but their search was unsuccessful. His arrest after a desperate running fire with the murderer and the wounding of Bulling in the arm. His identity was discovered the day of his capture, and he was once more placed in his old quarters in the Savannah jail. On July 6, the night after his arrival at Savannah, he attempted suicide by taking a dose of morphine which he had by some means managed to conceal about his person. The attempt, however, was unsuccessful and on August 7 he was again sentenced to be hanged, making the third time he had heard the death sentence pronounced on him. Last week it was discovered that Bulling was planning to break jail and cheat the gallows, but his designs were frustrated by the sheriff.

WAR PREPARATIONS.

Russia Strengthening Her Defenses Along the Austrian Frontier.
BERLIN, Sept. 4.—A Vienna dispatch says that the Russian villages near the Russo-Austrian frontier are thronged with soldiers. The frontier guards, who used to be merely gendarmes to prevent smuggling, have given place to whole regiments permanently quartered at every available point, and ready to act as a strong advance guard in pouring into the Austrian empire in the event of war. Observation towers are being built close to the frontier, and the Russians are also planning the like erection of three or four large forts to form bases for an invading army. The Russians are also constructing pontoons at Roni that can be used in crossing the Danube. Some of the pontoons are ninety-six feet long and eighteen feet wide, and others are 150 feet long. They are forwarded as rapidly as possible to the various places where pontoons might be required.

The Costa Rica Railroad.

WASHINGTON, SEPT. 4.—A cablegram from Costa Rica announces that the contract made between the government and a railroad syndicate for the construction of a railroad from San Jose, the capital of Costa Rica, and the principal Pacific port. The completion of this railroad will furnish an immediate competition with the Panama railroad.

No Revolution in Mexico.

ST. LOUIS, SEPT. 4.—A dispatch from the City of Mexico says much indignation has been caused there by the publication of the reports in the papers of the United States to the effect that the people of Mexico were about to inaugurate a revolution against the Diaz regime. President Diaz denies the rumors.

Crops a Failure.

DUBLIN, SEPT. 5.—The Freeman's Journal today says that the wheat crops in the western districts of Ireland, owing to recent terrible rainy weather, are only fit for litter. One-third of the potato crop is already gone and barley and oats rotting.

RIOTS IN NICARAGUA.

Several Citizens Shot Down During a Melee at Granada, Nicaragua —Others Exiled

Poles Displeased at the Appointment of a Russian Tyrant—Turkish Brigands.

NEW YORK, SEPT. 5.—Ramon Velez, of Revista, popular in this city, received a letter from his agent in Granada, Nicaragua, which states that the chief of police and a number of his soldiers were shot during the riots in that city August 23rd, and that more than fifty citizen rioters were either killed or wounded.

He says five persons, supporters of the movement against the government of ex-President Chamorro, ex-President Lavala Avelino Riva, Director Nicaraguense and Senors Enrique Gazman and J. D. Rodriguez were apprehended and imprisoned. The rioters included a number of prominent citizens. They were armed with rifles and attacked the barracks, firing on the garrison. It required a supreme effort on the part of the soldiers a number of whom were killed to repel the attack. On August 25th the suspected revolutionists were tried, found guilty and condemned to perpetual exile with the warning they would be immediately shot if found on Nicaraguan soil.

GOVERNOR OF WARSAW.

Poles Displeased at the Appointment of a Russian Tyrant.

ST. PETERSBURG, SEPT. 4.—The appointment of General Komeraff as governor of Warsaw has been coldly received by the Russian Poles, as the general has a high reputation for severity in putting down disaffection. While governor-general of the Transcaspian he had an execution nearly every day of nomad natives who had violated some trivial regulation of which they were ignorant. Among Komeraff's victims was the wife of a Russian army officer. The wife, a young woman not long married, was accused of nihilism. Komeraff, who knew no higher law than the will of the czar, held a one-sided trial, and sentenced the lady to Siberia. Her husband, a captain, committed suicide. Komeraff is acknowledged to be an able commander, and his appointment to Warsaw may mean that he is wanted where his military services will be needed.

TURKISH BRIGANDS.

The Government Taking Measures to Prevent Future Lawlessness.

CONSTANTINOPLE, SEPT. 4.—It is stated upon good authority that the dismissal yesterday of the Turkish ministry is due to the sultan's discontent at the spread of brigandage in Turkey. Recent outrages upon foreigners were committed by Turkish brigands, and a demand for indemnity for such outrages was brought by the German and French ambassadors representing the powers whose subjects suffered by this lawlessness. It is understood an energetic campaign will be opened immediately with a view to suppressing the lawlessness complained of.

A Prominent Hawaiian Dead.

SAN FRANCISCO, SEPT. 5.—The steamship Mariposa arrived today from Australia via Honolulu, being in Honolulu to Aug. 29th. Hon. John Dominis Prince Consort of Hawaii died, August 26th from a sudden attack of pneumonia. The prince was born in Schenectady, New York, May 10, 1832. His father was an Italian and his mother an American lady of Boston. He was taken to Hawaii when a child. He came to California in 49, during the gold excitement and spent some time here. He was married to the present Queen of Hawaii some years ago.

A Double Elopement.

SALEM, Ozn., SEPT. 5.—Fred S. Byron and Stella Mitchell and Louis Bejchel and Myrtle Durban were married today and took the train south. It is believed to be a double elopement. The girls are not of age and their parents have procured warrants for the arrest of the eloping couples. The grooms are from Portland. The eloping parties were arrested at Albany. The grooms are charged with perjury.

To Exhibit at the World's Fair.

NEW YORK, SEPT. 4.—The Earl and Countess of Aberdeen arrived here today. While here Lady Aberdeen will make arrangements for an exhibit of Irish home industries in the form of lace manufacturing and home-spun clothing, together with the famous Irish linen, in the woman's section of the coming World's fair at Chicago.

Large Exports of Wheat.

SAN FRANCISCO, SEPT. 4.—There was a large export movement in wheat during the past month, the number of cargoes cleared being twenty-seven, aggregating 1,499,000 centals, valued at \$2,476,000. In August, 1890, the exports were 1,006,000 centals, valued at \$1,476,000.

GLOOMY REPORTS FROM IRELAND.

Relief Money Exhausted—At the End of Their Supplies.

LONDON, SEPT. 4.—Right Hon. W. L. Jackson, member of parliament for Leeds, financial secretary of the treasury, and Sir H. E. Maxwell, member of parliament, a junior lord of the treasury, both conservatives, who have returned to London, after a tour of Ireland, undertaken on behalf of the treasury for the purpose of inquiring into the relief works, such as railways, etc., carried on under the auspices of the government, state the fund raised by Lord Zetland and Mr. Balfour for the relief of the people in the famine districts has been exhausted, and that it is probable that an additional appeal for aid will be issued. The nationalists declare that the money has in many cases been wasted, and in some instances been diverted from the purposes for which its donors intended it. They take issue in this respect with Messrs. Jackson and Maxwell, who report that the fund has been carefully administered. That additional appeals will have to be made to the charitable on behalf of the Irish people, at all events, is only too certain. The most gloomy reports come from all parts of the country. The recent storms have ruined the hopes of the farmers for a good yield of crops. Cereals are beaten into muddy soil, and though some farmers will reap the wet grain to save it from rotting in the fields, the yields will be practically nothing. Potatoes in many districts are woefully blighted, and the shortage of that staple crop will cause much distress.

THE WORLD'S FAIR.

A Proposition to Borrow \$5,000,000 From the National Treasury.

CHICAGO, SEPT. 4.—At the opening of the national Columbian commission this morning a communication from President Baker, of the local world's fair corporation, asking the co-operation of the national commission in securing a loan of \$5,000,000 from the government for the use of the fair, to be repaid out of the first receipts, and a resolution of the executive committee commission endorsing the request, was read and referred to the committee on judiciary.

A resolution was presented to reconsider and expunge from the records the resolution heretofore passed for the appointment of a committee to recommend certain modifications of the tariff law in the interest of the exposition. After a long discussion, the resolution for the appointment of the committee was reconsidered, and the matter referred to the committee on legislation.

A resolution pledging the commission to take up and consider the Sunday-closing question as soon as it should properly come before that body, was unanimously passed. The auditing committee presented its report, showing an excess of expenses by the commission for the year ending July 1, next over the appropriation of \$23,000. In order to avoid this the committee recommended the April meeting of the committee be postponed till July, and that the payroll be reduced. The report was referred to the committee on by-laws, and the commission adjourned till 2 o'clock this afternoon.

Relief Committee Headquarters.

The relief committee have designated the county court room as the depot for receiving contributions. A member of the committee will be on duty at all times to receive anything that may be offered and to supply information as to the most pressing needs. Clothing for women and children seem to be in greatest demand as is also bedding of all descriptions. Food supplies must be had and everything of this nature will be promptly distributed when received. Cash subscriptions can be made to Judge Thornbury, chairman of the committee or left at any of the banks. The secretary, Mr. M. A. Moody, acknowledges the receipt of several additional cash subscriptions, among them one from Hon. Ed. Hirsch of Salem.

The Funeral of Joseph P. Fitzgerald.

The funeral of the late Joseph P. Fitzgerald took place this morning from the Catholic Church, and was very largely attended. At the head of the procession was the band of which he was the drum major, followed by the city members of the third regiment and the firemen. Funeral services were rendered by the Rev. Father Brogeist and thus was laid to rest, at the age of twenty-two, a generous hearted, noble boy of whom it may be said, we shall not soon see his like again.

More Sufferers.

The following names must be added to the list of sufferers by the fire: Emory Campbell, \$1,000, no insurance; A. A. Brown, \$4,000, insurance, \$1,000; Geo. W. Beers, \$900, insurance, \$800; Henry Taylor, \$1,200, no insurance. Hundreds of other losses are not published simply because we have been unable to find them.
