Col. Compton to be Reduced From Rank for Two Years on Half Pay and Will Stay at Home.

Severe Prairie Fires in South Dakota --Three Men Take a Very Quiet Leave of Their Jailor.

Rumored Trouble With Chili--The Union Pacific Matter Settled--Other Brief News.

WASHINGTON, Sept. 28.—The president passed upon the records of court-martial in the case of Colonel Compton, of the Fourth cavalry, who was charged with failure while in command of the military post at Walla Walla, to take steps to prevent the lynching of a gambler named Hunt, who was under arrest for killing one of the soldiers under him. The court found him guilty and sentenced him to suspension from rank and command for three years on half pay and to be confined to the limits of the military post. The president approved the proceedings of the court but mitigated the sentence to suspension from rank and command on half pay for two years.

Mr. Taboria, living near here, will probably die from the effects of burns received. No further news can be learned from the Holland settlements thirty-five miles south of here. Three men are known to have perished there. The loss there is estimated at \$50,000. At Winona, twenty miles from here, one man lost forty-three head of steers which were overtaken by fire and burned to death.

**Three Men Break Jail.**  
VISALIA, Cal., Sept. 28.—Gratton Dalton made his escape from the county jail last night. He was to be sentenced Monday next on a conviction of the Alida train robbery. John Beck, awaiting trial for horse stealing, and W. B. Smith, in for burglary, are also gone. The delivery was made by opening an iron window in the basement with a key then opening the kitchen door with a different key and the cell door with another. As the men passed out the doors were again locked, and nothing was known of the escape until this morning.

**Rumored Trouble With Chili.**  
WASHINGTON, Sept. 28.—For two hours this morning the president was in consultation with the representatives of the state and naval departments. Since last Friday cablegrams in cipher have been passing between Washington and Valparaiso but the officials refuse to make their contents public. It is gathered however, that they relate to affairs in Chili and that serious complications have arisen between the Junta and the United States representatives in that country.

**The Union Pacific Matter Settled.**  
NEW YORK, Sept. 28.—Over \$2,000,000 in subscriptions were received today to the new Union Pacific notes, this makes the total subscriptions \$700,000 more than was required. The subscription books are closed and the creditors committee was declared in operations on a plan to relieve the Union Pacific of its floating debt.

**Senator Dolph in Washington.**  
WASHINGTON, Sept. 26.—Cyrus A. Dolph, of Portland, sent the following

letter to Attorney-General Miller today: "I am advised that I have been recommended to the president for the office of circuit judge for the ninth judicial district. Fully appreciating the honor the appointment would confer, and grateful for the compliment paid me by the distinguished gentlemen who recommended my appointment, I am constrained to decline to become a candidate for the position. In reaching this conclusion, I have not been unmindful of the fact that citizenship imposes the duties of public service when required, but the condition of my health demands an early relaxation from severe application, and I feel that it would be unwise to become a candidate for a position which, if obtained, would require me to devote the remainder of my life to the exacting duties of a responsible office. Will you kindly cause this determination on my part, together with my sincere regards, to be communicated to the president."

**More Reciprocity.**  
WASHINGTON, Sept. 26.—For several years past the San Domingo republic has been maintaining in its tariff a free list of articles for the special encouragement of its agricultural industries. By the terms of its recent reciprocity with the United States this free list was to be abolished for all countries, excepting the United States. When the reciprocity treaty went into effect in accordance with this agreement the president of San Domingo, under date of August 8th, published a decree abolishing this free list and restoring all the articles named on it to the rate of duties fixed in the general tariff, which is an average of 60 per cent. ad valorem. By this action the reciprocity treaty is greatly increased in value for the United States. The articles on this free list embraced, among other things:

All classes of machinery, tools and implements for the development of agricultural and industrial establishments, tallow and oil for machinery, guano and manures, zinc and galvanized iron, cooperages and sacks for sugar, railroad material and equipments, barbed wire and coal.

**DEEDS OF CRIMINALS.**  
**The Dead Body of a Blacksmith Found Near Butte, Mont.**

BUTTE, Mont., Sept. 26.—Alfred Chastelle, aged forty-eight, a blacksmith, and a resident here for nine years, was found dead in Silver Bow creek, a mile southeast of the town, this morning. He lay on his back with his arms folded, and is full of muddy tailings from the smelters at Meadeville, a short distance above, where he was found. Surrounding the body in the ooze was a circle of footprints. At the inquest it was developed that the deceased had been to Meadeville on a collecting tour yesterday and had been drinking heavily. He started away at 11 o'clock, which was the last seen of him alive. What occasion he had to go down to the creek is a mystery, as it is entirely off the road to town. He leaves a wife and four children.

**DAVITT IN CHICAGO.**  
He is Not Disposed to Talk Irish Politics While in America.

CHICAGO, Sept. 26.—Michael Davitt, the well-known Irish agitator, arrived here this morning and is stopping at the residence of Alexander Sullivan. He declared his trip is a purely private one and has no connection with politics. He has spent five months in California for his health, in obedience to his physician's orders. He said he had no disposition to introduce the unfortunate domestic troubles in Irish politics among his countrymen in America, adding:

"We will settle that in Ireland at the next general election, and when it is settled the settlement will leave Parnell out of Irish politics. I have been invited to speak several times since I came to America, but deemed it my duty not to accept for the reasons given. I will not attend the league convention, to be held here next week. I am now on the road home."

**UNION PACIFIC'S FLOATING DEBT.**  
The Railroad's Troubles Are Now Considered Ended.

NEW YORK, Sept. 26.—The creditors' committee of the Union Pacific met today, and after adjournment it was announced that four-fifths of the \$5,500,000 collateral trust notes for the extension of the floating debt had been subscribed for. **Fitzgerald Will Preside.**
