## THE JUDGES DISAGREED

Superior Judges Murphy and Wallace Disagree and Chute is Discharged From Jail.

General Boulanger Suicided at Brussels Today—Minister Hirsche Coming Home.

An Unlucky Family—In True Western Style—The Guatemala Matter Not Settled.

SAN FRANCISCO, Sept. 30.—Judge Murphy of the superior court in passing upon a writ of habeas corpus sued out by Richard Chute, discharged the latter from custody. Chute who is a well known politician, on Thursday last was fined five hundred dollars and was sentenced to five days in the county jail by Presiding Judge Wallace of the superior court for ignoring a subpoena of the grand jury to appear before them and give testimony which it is understood was wanted in connection with the investigation of the scandals affecting the last state legislature. After his sentence Chute procured a writ of habeas corpus, alleging the grand jury which had been chosen by Elisor and appointed by Judge Wallace was illegally constructed and had no power to summon.

BRUSSELS, Sept. 30.—General Boulanger committed suicide. The suicide occurred at the home of Mme. Debonne-maine, his mistress, who died here recently. Boulanger committed suicide about noon. He stood alone by the grave of his mistress for some time when his attendant who stood near by suddenly heard a sharp report in that direction, and rushing to the spot the attendant found General Boulanger lying dead upon the ground with a revolver clenched in his right hand. An examination of the body showed the dead man had placed the weapon in his right ear and fired the shot.

The suicide of General Boulanger caused a great sensation in this city and nothing else is talked of. The members of patriotic leagues are talking of giving a public funeral for the general, and they propose to inter his remains in France. It is believed that this will lead to serious disturbances.

BRIEF STATE NEWS.

A hundred and ninety-nine pounds of potatoes from a single pound of seed! That is what a Howell Prairie farmer raised this year.

The dwelling of B. B. Grigsby, of Lost River, Klamath county, was burned to the ground during the absence of the family. It was undoubtedly the work of an incendiary.

The body of an unknown man was found on the bank of the Columbia river near Crate's Point, Wasco county. He had been dead some time as little but the skeleton remained.

A. G. H. Overn, of Mankata, Minn., offers to furnish \$7000 if the people of Silverton will furnish \$7000 more, and put up a first-class fruit cannery. Mr. Overn is a man of capital, understands a cannery and means business.

Hon. John M. Osburn, of Corvallis, was robbed at the state fair of a \$3 gold piece. The robber, however, did not compensate himself much for his efforts, as the money was counterfeit and came into Mr. Osburn's hands by some oversight.

## FAMINE IN RUSSIA.

Terrible Suffering of the Starving Peasants Caused by Government Delay to Take Action.

An Attempt to Wreck a Train a Failure—Destructive Storms in Minnesota—Some Loss of Life.

A Lone Highwayman at Work in California—Educated on Stolen Money.

LONDON, Sept. 29.—A dispatch from St. Petersburg to the Telegraph, describing the situation in Russia arising from the failure of crops, and detailing the harrowing incidents of the famine now prevailing, says that not for centuries has such widespread distress been recorded. The Telegraph's correspondent says the authorities have delayed taking any action to relieve distress until it was too late. In addition to the scarcity of food, which caused untold suffering, the distress is intensified by the enormous number of unusually disastrous fires throughout the famine-stricken district, in many districts entire villages being destroyed. Added to this came the cattle plague. Thousands of head of cattle perished, and many families thus lost their only subsistence. What little food it is possible for the peasants to obtain is of the vilest description, but so sharp are the pangs of hunger that they gladly eat stuff that at other times they would not touch.

SPITE WORK.

An Attempt to Wreck a Train by Half Breeds.

EUREKA, Sept. 29.—A horrible accident was narrowly averted on the Arcata & Mad River railroad early Sunday morning. Saturday there was a dedication and ball to dedicate the new Odd Fellows' hall. The train, returning about 1 o'clock next morning, having on board twenty-five or thirty families of this city and Arcata, found a heavy plank across the track, which the pilot of the engine did not touch, but which, fortunately, was caught by the sand pipes, and shoved along in front of the wheels till the engineer could stop. It is supposed that some half-breeds, who have tried in vain to enter the Odd Fellows' lodge, attempted to wreck the train.

DESTRUCTIVE STORM.

Whole Townships Swept Over and Much Damage Done.

GRAND RAPIDS, Minn., Sept. 28.—A most destructive storm passed over the southern part of this and Baltrami counties, felling an immense amount of pine timber and causing some loss of life. It is impossible to get particulars owing to the remoteness of the station, which is unsettled and unoccupied, except by claim holders and cruisers for timber and mineral lands. Whole townships are known to have been swept over. If half that is reported is true, there has been damage to pine timber amounting to many thousands of dollars.

Lone Highwayman at Work.

CHICO, Cal., Sept. 29.—News is received that a lone highwayman held up Langdon's stage from Chico Sunday, but finding only a small sum in the box, ordered the driver to go on. The passengers were not molested. Andy Isenberg, of Magalia, was hailed a short time before but did not stop. He had \$200 in his possession. An attempt was made to stop the stage Friday but it was frustrated.

REDDING, Cal., Sept. 29.—The Redding and Bieber stage was robbed this morning, about fifteen miles from here, at 3 o'clock, between Roberts and Stillwater, by two masked men. Both boxes were taken. The amount of the loss is unknown.

Educated on Stolen Money.

SAN JOSE, Sept. 29.—W. M. Beggs, charged with obtaining a \$3000 ranch in exchange for some worthless property, from C. N. Newell, Near Alma, who, after selling the ranch, went to Ann Arbor, Mich., cannot be extradited. He was arrested there at the instance of officers of this city, some time ago. This morning the local authorities were notified that Beggs could not be brought back. Beggs was going to use the money to secure a course at the Ann Arbor law college.

A California Land Grant Suit.

LOS ANGELES, Sept. 29.—A bill was filed in equity in the United States court today against the Southern Pacific and 218 other defendants, to quiet the title and forfeit to the government \$50,000 acres of land in Los Angeles, San Bernardino and Ventura counties. The land is the over-lapping grant to the Atlantic & Pacific of 1866 and 1871. It is regarded as the most important suit ever brought in this state, and will go to the supreme court.
