A Favorite Remedy.

Chamberlain's Cough Remedy is a favorite during the winter months on account of its great success in the cure of colds. There is nothing that will loosen a severe cold so quickly, or as promptly relieve the lungs. Then it counteracts any tendency toward pneumonia. It is pleasant and safe to take, and fully worthy of its popularity. For sale by Snipes & Kinersly, The Dalles, Or. d-w

Everybody likes it on account of the immediate relief it gives." There is nothing like it to loosen and relieve a severe cold. For sale by Snipes & Kinersly, druggists. dw
