could not linve a ounce of it and Dalles City got it. Such is the universal feeling and the CHROSICLE is glad of it.

The newspaper situation in this city is precisely as follyws: The CHRONICLE has poked the Sun off the fence and that paper is now the open apologist of the Union Pacific and M. A. Moody. The Times-Mountaineer has too wholesome a dread of public opinion to do the same, so it has crawled into a hole and pulled the hole in after it. Meanwhile the CHRONICLE is on top and it is going to the grocer. stay there.

The debating society held a spirited debate last Friday after school on the subject of the competition of conict labor of all kinds and pay the highest market price. See him at the East End. The debating society held a spirited with free labor. The weight of argument

was decidedly against such opposition. Rumor has it that certain boys from the city are planing some malicious mischief in connection with the Hallowe'en social next Saturday evening. Although nuide special provision for the reception and entertainment of all who interfere in anyway with their guests. We hope the rumor will prove unfounded.

Interest in out-of-door sports has culager, Jesse W. Allen. Henceforth all games, etc. will be under the auspices of the association.

We must remind Player, whose communication appeared in a recent issue of the Times-Mountaineer, that he has a de-fective memory. The city nine could hardly win "three or four games" from the academy team during a season when the latter received but one defeat, and that by a score of 15 to 14. #### A Favorite Remedy.

Chamberlain's Cough Remedy is a favorite during the winter months on ac-count of its great success in the cure of colds. There is nothing that will loosen a severe cold so quickly, or as promptly relieve the lungs. Then it counteracts any tendency toward pneumonia. It is pleasant and safe to take, and fully worthy of its popularity. For sale by Snipes & Kinersly, The Dalles, Or. d-w D. BUI
