LOCAL BREVITIES.

The probate court is in session. Robert Kelly, the Kingsley merchant, is in the city. Wanted a lot of coffee pots: Apply to Jno. S. Schenck. Mr. C. G. Roberts came up last night from Hood River on the Regulator. In the office of the county clerk today license to wed was granted to Charles Boynton and Ida Youce. Miss Annie Moore, who has been visiting relatives and friends in this city, returned to Portland this morning. The regular meeting of the Winquatt Toboggan Club will be held to-night at the recorder's office, at 8:30 o'clock. A full attendance requested. The following persons are registered at the Umatilla House: J. P. Parish, Kingsley; J. M. Roth, Kingsley; E. M. Leslie, Wasco; T. Clay Neice, Moro; J. M. Johnson, Dufur. Lem Burgess of Bake Oven has bought out the entire sheep interest of Henry Steers of Antelope. It consisted of one sheep and the price paid for the band was \$2. Henry is going to start a bank in Fossil with the money. A communication from a reader and admirer of the CHRONICLE, whose letter is postmarked "Wapinitia," is held over till the writer furnishes us with his name. Then we'll show him the handsomest New Bain wagon he ever saw.

Sylvester Mason, jr. while riding horseback this morning, near the head Jamison Hollow was thrown against a barb wire fence through his horse becoming frightened and the young man received a severe cut in one of his legs. He was brought into town and placed under the care of Dr. Sheckelford.

Mr. John Schenck thought he secured his gate last Saturday night beyond any ordinary power to steal it. He drove a big six inch spike into the post just above the hinge and then went inside to enjoy his Halloween. But alas for the best laid plans of mice and men, scarcely an hour had passed till the gate was gone.

Sherman county has not got a saloon within her borders. Last term of circuit court three saloon keepers were indicted for selling liquor without license and each fined \$300. Now the last saloon is closed, as the keepers are unable to procure the necessary precinct majority in order to obtain license from the county court.

A Halloween party, given in honor of Miss Jennie Lawn was held at the residence of Mr. John S. Schenck last Saturday evening and the happy participants were unanimous in voting it one of the most pleasant gatherings they had ever attended. Games of every known and unknown variety were indulged in and enjoyed as only those conducted under the inspiration of the charming hostess could be. The participants were the Misses Nettie and May Williams, Jennie Marden, Matilda Hollister, Gertrude Meyers, Ursula and Louisa Rich, Miss Fraser, Mr. and Mrs. W. E. Garretson, Messrs. Ed. Williams, Sam Campbell, Martin Donnell, H. Lonsdale, J. Cran-

dall, Ainsworth, Doctors Eshelman and Southerland.

In the county court Monday George McIntosh was admitted to full citizenship.

A. A. Brown the grocer has moved into the store next door to Crandall & Burgett.

License to wed was granted Monday by Clerk Crossen to Gabriel Hardison and Jennie F. Splawn.

Council Meeting.

The regular meeting of the council was held Saturday night and the following business was transacted:

Dr. Sheckelford was allowed to deduct from his assessment an indebtedness of \$3700.

The petition of Mrs. Wingate and others asking for removal of fences on Fritz alley was referred.

Petition of Chas. Stubbling for rebate of license on billiard table was laid on the table.

Petition of N. B. Whyres for transfer of license to M. Blasen was granted. The request of Mr. Jno. Moore that the old water flume be removed, was referred.

The petition of The Dalles Merchants company for an arc light on Third and Monroe was granted.

An arc light was ordered for the intersection of Fourth and Washington.

Petition of H. S. and George Wilson for a deed to lot 2 in block 1 Trevitts addition was granted.

Petition of Aug. Buchler and others asking that J. H. Jackson be retained as night watchman was not granted.

Ordinance No. 236 for the vacation of that portion of Eighth street between blocks 14 and 15, Dalles City and that portion of the alley in the Nyce and Gibson's addition, lying between lots 1 and 8 of block 6 and lot 1 of block 7 and to accept the certain lands as a street, passed. C. E. Haight and H. J. Maier voting, no.

The recorder was instructed to record the deed of Joseph Beasley and W. L. Whealdon and O. D. Taylor dedicating ground for Eighth street.

The petition of McDonald Brothers for rebate of license was not granted.

The assessment of I. C. Nickelsen was reduced to \$600, net valuation.

Petition of E. P. Fitzgerald was referred.

The assessment of J. C. Baldwin was ordered corrected.

The petition of J. C. Hill for a liquor license was laid over till next meeting.

The city attorney was instructed to draw an ordinance fixing the salaries of the recorder and marshal at \$100 a month.

Ordinance No. 237 changing fire limits was passed.

Ordinance granting franchise to Electric light company referred.

Joe Burger was awarded the contract for furnishing the city with wood at \$5.25 for ash and \$3.50 for fir.

Another Mis-shipment.

For the third time during the past few weeks J. P. McInerney has had goods shipped to him from the east by a route different from the one ordered. The last instance occurred about a week ago, when a lot of merchandise which he had ordered by the Northern Pacific and the Dalles, Portland & Astoria Navigation company arrived by way of the Union Pacific. It seems the goods came to Council Bluffs by way of the Chicago, Burlington & Quincy road and that company transferred them at that place to the Union Pacific, in violation of the instructions and address on the packages. The goods are now in the Moody warehouse, Mr. McInerney having refused to receive them. The house from which Mr. McInerney purchased them has been advised of the error and Mr. McInerney awaits their reply.

ETTIE ROWE, Teacher.

Total Gross Valuation of All Property. The following statistics are taken from the assessment rolls already filed with the secretary of state:

1891.	1890.	
Crook	\$ 2,029,329	\$ 2,029,892
Washington	6,726,845	4,890,130
Grant	1,695,240	2,349,356
Malheur	1,294,745	1,382,292
Hartney	1,750,006	1,727,024
Total	\$13,500,825	\$13,297,024

The increase in gross valuation of the five counties returned is \$1,512,221. If this ratio is maintained the total valuation will show an increase of ten millions, perhaps. Linn county shows a net increase of over a million dollars. The tax rolls will show that counties having fruit lands in the market, and thereby inviting immigration, are increasing in valuation most rapidly.

Boston to Pasco.
We had a short conversation last Tuesday with a lady who had just arrived from the east, and was on her way to Dayton. She said her entire journey from Boston was a trip of decided pleasure till she reached Pasco, which she pronounced the worst place she ever saw; and to make matters still more unpleasant she was compelled to lay over there several hours. The wind she said was blowing a gale and the sand filled the air, eyes, nose, mouth and ears. She declared that it took an able bodied man to hoist an umbrella, and that it actually took two birds to sing one song—one to say pe and the other we—and the two didn't make a first class "pe we" song. We asked her, just to be funny, which place she liked best Boston or Pasco, and it made her so indignant that she turned on her heel and walked away, without even saying goodbye. We withheld her name for a lady with such a temper as that is liable to make trouble, if we give her half a chance.—Exchange.
