Superintendent Farley's Report. SALEM, Or., November 3, 1891.

Fall plowing has commenced on Tygh To Honorables Sylvester Pennoyer, G. W. McBrtde and Phil. Metschan, constituting the Board of Portage Commissioners:

GENTLEMEN-I herewith submit to you a short monthly report and also offer a few suggestions for your action, and trust the same will have your earliest attention. The total earnings of the portage up to November 1, 1891 (not including 60 cents collected by conductor for traffic of passengers from top of grade) are \$782.56. This includes the whole earnings of October and the seven days of September for which you

northern part of his own state where he \$267.79, The summary attached shows stand.

ing granges. He called to say that he is a reader and admirer of the CHRONICLE and is much pleased with the course it is taking in all matters relating to the unit of the state or the transportation company is to bear this expense or whether both are to bear it. In either of the two latter improved machine made brick, as soon as time to be a solution. well being of the farming classes. The cases, then I wish to know so as to col- as time will allow. doctor promises to favor the readers of lect the amount agreed upon by the

now and then, and we shall try and The board will also find attached a summary of the earnings of the road in teep him to his word. James Brown of Tygh Valley returned ast night from a five weeks trip to the last night from a five weeks trip to the this hurriedly and perhaps there might East whither he went with 24 head of be a few small errors but nothing of any horses and four colts. He reports hav- great consequence. The board will also \$1700. ing sold his stock at good prices but the find all passengers' tickets and freight expenses were so heavy that they ate up nearly all the profits. Still he got more they can find at any moment the earn-wise to the editor of the CHBONICLE or to than he could here for horses, taking ings of each day. I will state to the board the owner, W. L. Ward, Boyd, Wasco into account all expenses, which it is my intention to commence the comamounted to about \$22.50 a head. He pletion of the west incline on Monday, expects to go back on a similar errand November 9th and trust to have it finas soon as he has a sufficient number of shed in from eighteen to twenty days horses to make it worth while. Mr. from that date, and then there Brown advises all shippers to be sure will be no extra handling of freight re-

fore leaving as the Union Pacific, true to I wish to state to the board that I Weather forecast till 12 m. its character, charged him at both ends. think the tariff should immediately be After giving the company all they asked, modified so as to have possibly only five at this end of the line, he had to pay classifications of tariff so as to avoid labor \$23 extra at the other. That is the and mistakes and still the state make game the company played on young the same amount of revenue. I think Freeman the other day when they charged the portage charges are as large as any The Chronicle is the Only Paper in him \$70 extra and when he refused transportation company can afford to The Dalles that Receives the Associated to pay it and took the horses out of the pay and still I don't think the transporcar they had him arrested for grand tation companys should find any fault. car they had him arrested for grand larceny. But this is not all. They gave Mr. Brown at The Dalles a pass to Mr. Brown at The Dalles a pass to | tariff and retain the rates as they are, it Omaha and a half fare return pass but will be essential for the board to try to when he got back to Omaha they would reduce the operating expenses so as to not recognize his pass at all and he had to come within the limits of the earnings, to pay regular rates. Next time Mr. Therefore I would suggest the following Mr. John End and son of Wamic gave Brown goes East he don't go by the as a summary for that purpose, showing your liabilities monthly.
