John Booth believes in printers' ink. See his ad. in another column and learn that he always keeps on hand the choicest selection of fancy and staple groceries to be found in this city.

One common periodical drunk, to whom a blind fate has given means to fill up with rot-gut and pay a fine whenever he feels like it, went through the usual programme last night and this morning.

The engagement is announced of Miss Mattie E. Mitchell, daughter of Senator John H. Mitchell, of Oregon, to the Duke Francois de la Rocheton and of France.

The date of the marriage has not yet been announced but it will be celebrated soon.

The following persons are registered at the Umatilla House: T. A. Smith, Dufur; Lem Burgess, Bakeoven; Matt Busic, Wapinitia; Joe Summers, Antelope; Dr. St. C. Cox, Genesee, Idaho; Mr. and Mrs. Rowan, Prineville; H. E. Cockrill, Pendleton.

Sergeant A. H. Kennedy returned from a short visit to Portland yesterday. He says it was raining in elegant style and that he was so thoroughly disgusted with the place he came near going to Vancouver and enlisting in the regular army, which, it is reported, is taking all the men it can get at \$24 a month and rations instead of \$13.50, we presume on account of Chilian matters.

Here's the way the Baker City Democrat touches off its evening contemporary. It is just such gems of literature that makes newspaper work endurable in the far west: "The licentious, old reprobate, irregular practitioner and general all round two-legged piece of irresponsibility that is undertaking to palm himself off as an editor, continues his old tactics of lying in the face of the truth, but it profits him nothing. If the people were not so well acquainted with him his practices might have some weight.

The lot has fallen on the following persons to act as grand jurors; R. R. Hinton, foreman; E. L. Boynton, clerk; John Hienrichs; E. L. Craft; Frank

Graves; Henry Hillgen; and Clay Butler.

Robert Bradley of Boyd has traded his ranch on Union Hollow for a ranch in Benton county, formerly owned by William Bennett of Ten Mile.

Advices received today from Portland by Dalles shippers quote No. 1 wheat at ninety-four cents. At this rate the price at North Dalles ought to be ninety cents.

In conversation with Mr. R. Spencer of Morrow county today we learned that the old ranch of 200 acres of agricultural land in Gilliam county, formerly the property of C. L. Richmond of this city produced this year an average of 30 bushels of wheat to the acre. Charley is sorry that he is not a farmer this year.

An election for mayor and councilmen for Baker City took place a few days ago. Last Thursday the old council met for the last time and just before adjourning sine die they voted themselves a salary of \$60 each for services during the past year. It was proposed to make it \$100 but the sixty-dollar motion prevailed. Queer fellows those Baker City fathers.

Eight of the nine prisoners in the county jail were put under the hands of Barber Nicholas this morning and had their hair cut and faces shaved preparatory to their appearance before the circuit court. The ninth is a Chinaman and his case is left to the tender mercies to the janitor, John Fitzgerald, who is said to be the only white man in the city who can shave a Chinaman in the correct Chinese tonsorial style.

About dark last evening a track walker named Peter Peterson was knocked off a bridge below Hood River, by a passing train and sustained injuries by which he died a few hours after. The man fell a distance of sixty feet and when the company's physician, Dr. Doan, arrived he found his "ribs and back mashed in." Peterson was placed on the next train to be taken to the Portland hospital but he died on the way.
