WEATHER PROBABILITIES. THE DALLES, NOV. 25, 1891. RAIN. Weather forecast till 12 M.

WEDNESDAY, NOV. 25, 1891. The Chronicle is the Only Paper in The Dalles that Receives the Associated Press Dispatches.

LOCAL BRIEFS. Mr. W. Wing, of Wamic, gave this office a pleasant call today.

One or two cases of measles are reported at the old fort. Mr. Hugh Gourlay has gone out to Dufar on a short trip.

Tomorrow being Thanksgiving day, no paper will be issued from this office. Mr. Jack Nolan, of Wamic is visiting friends in The Dalles for a few days.

Look at McFarland & French's flaming "ad" in today's paper. It's a stunner. The building just erected on the ground where the building of I. C. Nickelsen formerly stood is to be occupied by the Columbia Packing company.

Mr. Limeroth of Fifteen Mile creek, gave the evergreen trees in the court yard a much needed trimming yesterday. A marriage license was issued this morning by County Clerk Crossen to Mr. R. H. Husbands and Miss Amanda Rordon.

Mr. I. C. Nickelsen, has six fine piano's from the Krannich & Bach's manufactory, which are excellent in tone as well as finish. Miss Charlotte Roberts is very ill with pneumonia at her fathers residence near this city.

We are pleased to learn she is in a fair way for recovery. the poor and the sick in the hospitals was one of the duties of life, and to not let the left hand know the gift of the right. This was Thanksgiving.

The Oregon railroad commissioners are out on the road again. We presume charge of railroad officials, in a palace car, provide for their special comfort and pleasure.

New sidewalks are being built and streets graded in different parts of the city according to the orders of the council. The laying of the sidewalks will be duly appreciated by the people.

The new main that bursted yesterday on Union street proved to be caused from an old flaw or crack which was overlooked when the pipe was laid.

Messrs. L. D. Ainsworth and J. C. Hostetler have bought the George Fillon property and will erect a beautiful residence on the same in the near future.

From the Astoria Town Talk it would appear to the reader that their city affairs were considerably mixed, and that judicial matters were a little loose.

The ex-Third regiment band were out on practice with their new instruments last night. The boys are delighted with their pieces, which are a marvel of excellence.

Mr. A. A. Urkhart, who has filled the position of freight clerk at the D. P. & A. N. company's dock, has resigned and Mr. Fred Dietzel has been appointed to fill the vacancy.

The British ship Buclench was boarded the other day at Astoria by a gang of roughs and through the efforts of Sheriff Smith thirty were arrested and on examination eight were bound over to appear before the grand jury under \$500 bonds each. The others were to have their hearing this Wednesday.

We understand that a party of young people of The Dalles intend going to Hood River for the Thanksgiving ball. The police court is not doing a very rushing business—only one drive was made last night and that was a drunk who settled and was discharged.

The water from the upper reservoir will be turned into the mains this afternoon and persons who desire, can tap the pipe on the hill at any time they wish. Master Ray W. Logan, son of Dr. H. Logan of this city, came home from Portland this morning, where he is a student in the Bishop Scott grammar school, to remain with his father through the Thanksgiving season.

We again remind our readers of the social to be given by the young ladies of the Methodist church at the reading room tomorrow (Thanksgiving) evening. All lovers of good times and things should not fail to attend. John Booth, the popular grocer, has fitted himself out with a brand new sign which is quite a novelty in that it is a different style from the general run of signs. The work was done by our artistic painter Mr. Hardy, and is a beauty.

It is reported on the streets that the Paul Mohr company are making arrangements to build barges, to be used in the movement of wheat on the Upper and middle Columbia. The rumor is not authentic but may be true all the same. Union Thanksgiving services at the Court house at 11 A. M. tomorrow. A goodly attendance of our citizens will surely take place. Rev. A. C. Spencer of the M. E. church will deliver the discourse on "Our country its past present and future."

Rev. Eli D. Sutcliff, rector of the Episcopal church in this city, gave his people a very fine discourse last Sunday, appropriate to the Thanksgiving season. He reminded his hearers that charity was an essential element in christian character—and that a remembrance of On the Eight Mile road, between the mouth of Dry Hollow and Phil Wagner's farm, there is a grade which is a little higher and steeper than any other place, and some wretch is mean enough to place poles on it so as to obstruct the travel entirely. Whoever she or he may be able to go to the lockup before they know it. A word to the wise ought to be sufficient. Colonel Houghton and O. Kinersly returned today from a two days hunt up the river, bringing home forty-four geese, but are in low spirits on account of serious injury to their decoys. It seems that a "goose" from the vicinity of Goldendale came over where they were, having previously dug a hole in which to hide himself close to that of the colonel and Mr. Kinersly and came in the night and settled himself comfortably in the same. It was not long before he fell asleep and he woke up just as day was beginning to break, and on looking out saw what he supposed to be geese and immediately proceeded to fill them with shot, but, alas for the Goldendale man, they were only Messrs. Kinersly and Houghton's innocent decoys.

WASCO ACADEMY NOTES. We regret that protracted illness keeps several from their places in the school room. Although the entrance of new pupils fills the vacancies this made so that the number present varies but little from week to week, we shall be very glad to welcome the old faces back. They can rest fully assured of the sympathy of both companions and teachers. As is usually the case the second quarter finds the pupil, as a whole, more studious and, of course, doing better work. The easy-going spirit of vacation has gone with the hot weather: the cool, bracing air gives new life and energy to the body, and the brain responds by prompt and more vigorous efforts. As the boys are some vigorously pursuing the foot-ball over the Common, some one is heard to ask: "Why can't the girls have some tennis courts laid out so they can have exercise as the boys do?" The question is certainly a pertinent one and ought to receive such an answer as would make the inquiry impossible in the future. The expenditure of a few dollars in grading would not only furnish opportunity for two or three good courts but also add much to the attractiveness of the grounds. Perhaps the condition of the flag-staff is appropriate for the season, when all the trees are being stripped of their foliage, but it has been bare so long that we would like to see the stars and stripes once more floating from its balyards. As this is thanksgiving week there will be no school on Thursday and Friday next. Probably all will give thanks for the breathing spell afforded, eat their fill of thanksgiving turkey and its accompanying viands, have a headache Friday in consequence, and return Monday with wry faces, fully aware that they are destined to fail completely in the day's lessons. How fortunate it is, after all, that "Thanksgiving day comes only once in the year!"

DIED. At her residence in Thompson's addition on Monday night, Mrs. Electa S. Robinson in her 75th year. She was buried on Fifteen Mile creek this morning. Services at the residence by Rev. A. C. Spencer.

BOHN. In this city, November 24, 1891, to the wife of Mr. M. Speichenger, an eight pound boy.

The resources of Douglas county will be beautifully exemplified in the construction of the new court house, which will have steps of Roseburg marble from the deer creek quarry. The floor of the portico, and also the columns will be made of the same kind of stone. The use of native woods in the interior of the structure will also add greatly to its beauty.—Ashland Tidings.

Five dollars reward will be paid for any information leading to the recovery of an iron-grey horse weighing about 900 pounds. Has collar and saddle mark and is branded "I bar", also shod in front. Information received at Hood's livery stable. 11-25-2tw.
