THE MEN REFUSE TO COMPLY.

The Insurance Rates Being Raised on Wholesale Houses.

THE WATER WAYS CONVENTION They Want Congress to do Something--Not so Bad as Reported--Killed on Suspicion.

OMAHA, Dec. 18.—An order was sent out yesterday to the telegraph operators working for the Fremont, Elkhorn & Missouri valley road, notifying the men that they must leave the order of railway telegraphers or leave the services of the company. This morning the superintendent of the road received a reply from several men refusing to obey the order and trouble is expected. It is said that similar orders have been sent to all men employed on the entire Chicago and Northwestern system.

Insurance Rates Going Up.
MINNEAPOLIS, Minn., Dec. 18.—The local insurance agents have received instructions from their home offices that dating from today rates on risks on wholesale mercantile establishments are to be advanced from 20 to 40 per cent. This advance is to be general over the country. This is the result of the alarming prevalence this year of disastrous fires in jobbing establishments. The companies declare that the losses from these fires have more than absorbed all the premiums paid during the year on all classes of risks.

The Water Ways Convention.
DETROIT, Mich., Dec. 18.—When the deep water ways convention re-assembled this morning the committee on resolutions introduced a memorial to congress urging that body to authorize immediate commencement and speedy completion of an unobstructed channel not less than twenty feet in depth and of sufficient width through the lakes and their connecting waters between Chicago, Duluth and Superior and Buffalo.

Not as Bad as Reported.
CITY OF MEXICO, Dec. 18.—Reports from reliable sources in every state of the republic, are to the effect that the rumors of great distress caused by the famine, and of rioting by the impoverished people are untrue. In Chihuahua, Durango, Zacatecas, Chihuahua and Potasi, the crops failed, causing some suffering, but measures for the relief of the needy are already taken. There has been no actual starvation reported in any of these states.

LIVE OAK, Fla., Dec. 18.—Just before 12 o'clock last night a mob of about 100 men, armed with rifles, called on Sheriff Pottsamer and overpowered him. INDIANAPOLIS, Dec. 18.—The consolidated ball league, now known as the National League and American Association, adjourned at four o'clock this morning. The two old organizations held separate meetings this morning and terminated their affairs, and dissolved. Nick Young was elected president, secretary and treasurer of the new league, and Chas. Phelps was chosen as solicitor. The headquarters will remain the same as the old league at Washington. The board of directors was drawn by lot, and composed of members equally from the Eastern and Western circuits. The members of the league organized on an iron clad ten-year basis, and no club can be dropped without the unanimous consent of the clubs, including the one to be dropped. The terms of settlement with clubs dropped are said to have been satisfactory to all parties.

SAN JOSE, Dec. 17.—Jacob Heft, aged 61 years, one of the wealthiest citizens and an old resident of this city, put three bullets into his head with a revolver this morning. He is not dead, but there is no hope of his recovery. No reason can be assigned for the suicide, unless it was the recent loss of \$20,000 in a street contract. He backed the contractors and the work was not accepted by the city.

ST. LOUIS, Dec. 16.—Grand master Sweeney of the Switchmen's Aid association, when asked what action his organization would take in the matter of the proposed new federation of railway employees, severely scored the advisory council of railway men for the action taken yesterday, and declared the switchmen would have nothing to do with it.

NOT A SOUL WAS SAVED

Fate of the People on Board the Brig Tahiti.

EVERY ONE OF THEM DROWNED.

Young College Man Who Swindled a Number of People.

WILL NOT RESORT TO ARMS.

France Is Not Liable to Fight--Indignant at Michael Davitt--Wanted to See a Naked Man.

SAN FRANCISCO, Dec. 17.—Messrs. George & Dick, local agents of the schooner Vine, have received a letter from Captain Kidston, of that vessel which puts at rest any doubts that might have existed as to the fate of the brig Tahiti. The letter was written at sea, while the Vine was being towed by the steamer Roseville, and says: "At noon of November 26, when towing the Roseville, eighty miles off Port Manzanillo we sighted a wreck bottom up. We went close to it and lowered a boat. I went to the wreck myself and succeeded in getting on her bottom first and taking possession. I saw her name and masts, I think they are still standing. She is the Brig Tahiti; I am perfectly sure of that. I spent two hours on bottom. The steamer Roseville will try to tow her to Manzanillo. The Tahiti looked as if she had been botom up for a month. Her rudder was gone and there was no sign of a living creature."

A Rascally Young College Man.
NEW HAVEN, Conn., Dec. 17.—Al Roberts, a young man representing himself to be a Harvard graduate, is charged with having victimized Yale students and prominent tradesmen to the amount of several hundred dollars. Roberts is a son of Dr. M. Roberts, of Springfield, Mass., a prominent physician. The young man claimed to be an agent of the Harvard advisory committee. His mission was to look into Yale's method in athletics and report. Roberts was shown every attention and introduced to all the prominent athletes in college. From them he borrowed considerable money, giving his note in security. He also contracted large bills for various articles at the stores in the city. For the goods he gave drafts on his father. These have gone to protest, and his father refuses to honor them, saying that his son is 21 years old and legally capable of contracting bills on his own account.

Will Not Resort to Arms.
SOFIA, Dec. 17.—The French minister of foreign affairs, after the breaking off of diplomatic relations between France and Bulgaria growing out of the expulsion of Chodouine, a correspondent of the agency of Ravas, from Bulgaria, instructed the French consuls in that country to close their consulates and to withdraw. It is not believed France will resort to arms to enforce her demand that the decree of expulsion be withdrawn, yet, nevertheless, the Bulgarian minister of finance is going to Vienna to negotiate a loan for the purpose of strengthening the army. Already troops have been hurried to Routschank and Philippopolis, and the garrisons at these places are now twice their usual size.

Indignant at Michael Davitt.
DUBLIN, Dec. 17.—United Ireland today prints an article signed "A Physical Force Man," which is a violent attack upon Michael Davitt, McCarthyite candidate for the vacant seat for Waterford county in the house of commons. The article says: "Of all the Irish crowd, he was the first to throw a stone and draw a dagger on Mr. Parnell. Guarded by English allies and goaded by English opinion, he was the first to stab the great Irish leader." The article concludes by asking: "Has he decided to enter parliament because he thinks Mr. Parnell's mantle will fall on his shoulders?"

Wanted to See a Naked Man.
LONDON, Dec. 17.—The ruling topic at a 5 o'clock tea in West End this afternoon, was the scene that took place yesterday at the studio of Mr. Jopling Rowe, the artist. Sandol, the strong man, who is of an unusually handsome figure, posed as a nude model before a large body of ladies for at least an hour and a quarter. The occasion of his appearance was a lecture on anatomy delivered by Mrs. Jopling Rowe to her fellow-artists, and illustrated by Sandol. News having got abroad of this attractive tableau, there was a great rush of Mrs. Jopling Rowe's friends, and the studio was crowded by people.
