The many friends of C. P. Halloway will be glad to learn from our dispatches of his escape from the wreck on the Union Pacific, near La Grande Tuesday night. Mr. Halloway is U. S., mail clerk and junior vice department commander of Oregon G. A. R. It was reported on the streets yesterday morning that Mr. Halloway had been fatally injured.

The CHRONICLE calls the attention of its readers to the advertisement of J. C. Baldwin in another place in this issue. The people of The Dalles ought to know Mr. Baldwin well enough to be assured that any statement he may make about his goods can be relied on. When Mr. Baldwin says he is selling out at cost the public may depend upon it that he is telling the truth. We advise purchasers to give him a call before buying elsewhere.

E. Jacobsen and Hugh Chrisman called at the grange store this morning and said they were collecting money to bury a poor man who had lately died in this city, leaving a wife and five children. Chandler looked Jacobsen, who was spokesman, full in the eye and then coolly said: "Jacobsen you are lying, I might believe you were it not for the company you are in." Jacobsen protested he was telling the truth. Then said Mr. Chandler "there is half a dollar. I'll watch you fellows. If you take a drink or buy a cigar till the new year is over, I'll find it out and make it cost you two and a half apiece." But

Jacobsen pushed the half dollar back to Mr. Chandler and he and his pard walked out.

Frank Le Bret was today examined by Dr. Shackelford and pronounced insane.

The Prineville News says W. F. Helm has moved his family from Wasco county to Prineville.

W. H. Moore of Dufur is in the city, awaiting the arrival of his wife and three children from Western Iowa. They intend to make Dufur their future home, and Mr. Moore will open a wagon shop at that place in the coming spring.

Prineville held an election a short time ago and when the smoke of battle was cleared away it was found that every man elected was a republican. The town is democratic by a large majority but the fight was strictly non-partisan. It was simply the choice of the people.

Complaints have been made at this office about boys who practice shooting off air guns and sling shots in the streets to the danger of store windows and pedestrians. If the boys must have fun of this kind let them indulge it in back yards or alleys where they can do no injury. We understand there is an ordinance prohibiting such practices on the public streets under a penalty of \$5. These boys had better beware or some of them will be caught up.

**Teachers' Meeting.**  
Yesterday at 10 o'clock a. m. a number of teachers met in the superintendent's office in answer to a call previously sent out by him, to discuss a plan for grading the schools of the county, which had been formulated by a committee at a previous meeting held on December 12th.

The day was spent in going over step by step, the work of the committee and several changes were made. A resolution was finally passed instructing the superintendent to have the plan of grading, as amended, published in the county papers and to have a sufficient number of copies printed in pamphlet form to supply the teachers of the county, and that the whole matter be referred to the teachers convened at the next county institute. In the meantime the fullest discussion of the subject is invited by the public. To the teachers present the superintendent extended his heartiest thanks for their assistance.

The Christmas tree held at Union church last Thursday evening was a grand festival for the little folks, and the hearts of many adults were made glad. Every child in Prineville was the recipient of some gift presented by a committee appointed for that purpose. And in this connection we venture the assertion that there is not another town or community in our great state of Oregon that has more of the milk of human kindness and generosity than has our little town of Prineville. The children most needing presents were the ones that were bounteously remembered by the committee, and that too, by presents that were useful. The act of the citizens of our little burg are ever open to the wants of the needy; and while many of the citizens of our town may not belong to the orthodox associations of our town, they are ever ready to donate to the support of those associations provided they are treated with courtesy. It is evident that our corporation believes that "It is more blessed to give than to receive."—Ochoco Review.

It has taken a quarter of a century to establish the fact that the mines of Union and Baker counties are remarkably rich and permanent. The Daily Democrat of Baker City reports as follows:

White Swan, two months run, two stamps \$35,000  
Bailey Elk Horn, 15 days, 3 stamps 10,000  
Bonanza, 1,800

Total \$49,800  
An average of over \$1,125 a day for five stamps. Show these figures in Portland. Hang this banner on the outer wall.

Two darlings 75 years of age each went tripping to the hyemal altar in Douglas county last week. They were Colonel J. Martin and Mrs. Margaret Triple. Hand in hand the loving couple waltzed to their funny-moon, the Welkin of Douglas county resounding with friendly cheers, and the house of joy redolent nectar of young rosebuds and spring tokens. Hooray for Colonel Martin and his bride.

The unexpected rush of trade in my closing out sale has broken my assortment of sizes in hats, boots, shoes, etc., and I found it necessary to order a small line of such goods, to sort up and make my stock complete in sizes. The goods will arrive tomorrow on our boat, the *Regulator*, and the prices of the new goods—hats, boots and shoes, rubber boots, etc., will be as low as the old stock at selling out rates. J. C. BALDWIN.

**The Old and the New.**  
"Of course it hurts but you must grin and bear it," is the old time consolation given to persons troubled with rheumatism. "If you will take the trouble to dampen a piece of flannel with Chamberlain's Pain Balm and line it on over the seat of pain your rheumatism will disappear" is the modern, and much more satisfactory advice. 50 cent bottles for sale by Snipes & Kinersly, druggists. daw

**For the Children.**  
Our readers will notice the advertisements in these columns for Chamberlain & Co., Des Moines, Iowa. From personal experience we can say that Chamberlain's Cough Remedy has broken up bad colds for our children and we are acquainted with many mothers in Centerville who would not be without it in the house for a good many times its cost and are recommending it every day. Centerville, S. D., Chronicle and Index. 25 cent, 50 cent and \$1 bottles, for sale by Snipes & Kinersly, druggists. daw

**A Preventive for Croup.**  
We want every mother to know that croup can be prevented. True croup never appears without a warning. The first symptom is hoarseness; then the child appears to have taken a cold or a cold may have accompanied the hoarseness from the start. After that a peculiar rough cough is developed, which is followed by the croup. The time to act is when the child first becomes hoarse; a few doses of Chamberlain's Cough Remedy will prevent the attack. Even after a rough cough has appeared the disease may be prevented by using this remedy as directed. It has never been known to fail. 25 cent, 50 cent and \$1 bottles for sale by Snipes & Kinersly, druggists. daw

**Children Cry for Pitcher's Castoria.**
