sentiment in the community on the Show me a man who has failed in his ousiness because of his giving too muc time and attention to matters outside of his business, and nine times out of ten I will show you a man who, when a boy, did not learn as he should have learned, to pay that undivided attention to his school work which the formation of such qualities of character as attention and application demands. An old adage too many irons in the fire at the same Miner.

In the second place it is unjust both to his classmates that a child should be fornia mud bank the other day will some time collide with a jelly-fish and rily absent from his school duties. Every absence renders it necessary for the teacher to do special work with the ab-The beauty, if not the chivalry of the child may not lose any portion of the subject which the class has gone over in his absence and which is necessary for the child's intelligent and profitable Miss Mason's Soiree. There was able continuation of the subject. This extra work done by the teacher is nearly always at the expense of time or energy or both that properly belong to the class as a whole and not to any individual member of it. When the absence is unavoidably necessary the teacher will gladly make this extra expenditure of time and strength and the class will cheerfully acquiesce therein. But when

A ball was given at the Kingsley hall, Kingsley, on Thursday night last which was quite a grand affair and a very pronounced success. Our informant says consent of their parents, may attend school or not just as it happens to please

And again, inasmuch as under the laws of Vermont every absence, excusa-ble or otherwise, diminishes to a certain extent the district's share of the school money, so when such absence is avoidable, the parent consenting to it, or worse still, requiring it, in effect casts upon all the tax-payers of this community a certain amount, small though it man in Oregon. He was 102 years old be, of increased burden of taxation.

I rest the matter here, trusting that the proper spirit will take it into con-sideration and that the result will be grippe, and now Mrs. Herbert is sick.

Mrs. Cates, his mother, came down to sence on grounds reasonably avoidable

I know that the best sentiment of the Morgan, his brother-in-law, who yisited him, was also attacked and his wife is also seriously ill. It is hard lines, but then, for this "best sentiment of the community upon this subject is right and in complete accord with what I have stated above. It only remains then, for this "best sentiment" to make we hope to note the speedy recovery of Itself decidedly felt and those who might otherwise venture will no longer dare to run counter to it. The results will be most beneficial to the schools and their I have said the above in kindness

towards everybody and from a sense of

A Dangerous Road.

S. E. Farris returned to the city last evening from a month's visit to his old home in Wapinitia. Speaking about munity of its own, but they claim they the road over Tygh hill he said: "The Miss Sarah E. Walker has sung to get all they want to eat, notwithstand- upper grade is wholly impassible. One When Baby was nick, we gave her Castoria. can neither get up nor down. A wagon has to leave the grade and go square cannot fail to enjoy her beautiful and the 21st over the remains of Fireman W. down or up, as the case may be, the H. Pound, who lost his life in the rail- point of the mountain where it is so The talented young lady who is to road accident which happened near that steep that one has to hold on with his sing "A Bird in Hand" at the Mic-Mac place a few days ago. The jury brought teeth." How long will this state of afsing "A Bird in Hand" at the Mic-Mac concert this evening will also be heard in a verdict according to the facts pre-three settlements of Tygh, Wamic and three caused the accident was broken about say to his neighbors "Come and let us four feet from the end. At the top of build the new grade and remove this and relief is always sure to follow. I four feet from the end. At the top of build the level grade and humanity? particularly recommend Chamberlain's the rail the break was fresh, but the blot upon civilization and humanity? particularly recommend thamberlain's because I have found it to be safe and bottom showed that it was an old crack. Now is a time when work on the new The ties were proved to have been in grade might be started. A month or by Blakeley & Houghton, druggiets. dw two from now everybody will be at the plow. Must another year pass without anything having been done to remedy

this evil? The above had scarcely been set in from an eastern periodical contains so type when Frank Dean, of Wamic, much good sense and practical advice called at the Chronicle office and invices at 7 p. m. with preaching by Rev. that I should esteem it a favor if you formed the writer that in attempting to would give it a place in your columns. come up the particular place referred to, the disease to result in pneumonia, pro-on his way to town yesterday, his back vided that proper care be taken to avoid I can only add that I believe it applies on his way to town yesterday, his hack here with as much force as it does in the slipped off the grade and pulled the tack. Careful inquiry among the many horses fortunately escaped with nothing worse than some bad bruises. This sort Principal W. I. A. of thing has been happening at that To the people of this community in place every year or so for a long time. Houghton, drugglsts. general, and in particular to those who Three or four years ago W. H. Butts, of this city was going down the hill with a DEAR FRIENDS: It is my conviction, four-horse load of wheat and at the mishap, the wagon left the grade and from and after this date.

Yesterday afternoon a representative work for reasons that are neither good possible to make a good grade at that particular point it could certainly be done the CHRONICLE and its friends at night will prove that there is only one ture should be made to bend to it. haps human lives lost? We shall see.

CURRENT COMMENT

Hill, Cleveland, Flower, Carlisle, Campbell, Gray, Boies, Palmer, Gorman is the bouquat from which the demo-cratic party is to select a flower this year.—Press-Times

As soon as Uncle Sam shows that he has a backbone, Chili will take water. but until that time the Valparaiso mob will continue to do the double shuffle on tells us that it is not profitable to have the tail of our Uncle's coat .- Butte

Unless care is taken that stately manof-war which disabled itself on a Caliour navy will be short one boat .- Chi-

Iowa led all the states last year in the sent child when he returns in order that production of grain per capita, the amount being 240 bushels. This explains what a good many Iowa republicans were doing when the democrats re-elected Governor Boies .- Missoulian.

A few years ago Miss Cora Belle Fellows, a teacher among the Sioux Indians, made a sensation by marrying a young chief named Chaska,. The the and strength and the class with the cheerfully acquiesce therein. But when the absence is unnecessary, then the necessity of the performance of this extra labor is an injustice both to the teacher and to the child's classmates.

In the part place the tax-pavers of action that he took to drink and was recently killed on a grade crossing in South Dakota. Many think his death was intentional. Probably by this time Mrs. Fellows-Chaska has made up her mind that it doesn't do to be a heroine of a romance of the Roman order.

An Old Pioneer Dead.

SALEM, Or., Jan. 22.-Word was received here today of the death on Monday, at his home in Polk county, of Peter Lyron, who has for many years had the distinction of being the oldest persons being present, and the enter-tainment from beginning to end was most heartily enjoyed by all present.

be, of increased burden of taxadia.

This again is manifestly unjust and in-consistent with the duties and obliga-tions of good citizenship.

He settled in Polk county forty years ago, and during the last few years of his life did considerable work. September 25, having been born in 1789.

They Speak From Experience. "We know from experience in the use of Chamberlain's Cough Remedy that it will prevent croup," says Messrs. Gad-berry & Worley, Percy, Iowa. They also add that the remedy has given great satisfaction in this vicinity, and that they believe it to be the best in the market for throat and lung diseases.
