WEATHER PROBABILITIES.

San Francisco, Jan. 30, 1892. Weather forecast till 8 p. m. Sunday: Scattering rain snow, clearing away, generally KERKHAM.

LOCAL BREVITIES.

We regret to hear that Mr. O. C. Stevens of this city is in a very feeble condition of health.

The band boys have decided to give a grand invitation ball at the Umatilla House on Washington's birthday. Due notice will be given before hand.

Mrs. Geo. Dysart who has been visiting her parents Mr. and Mrs. Leslie to her home in Centralia this morning.

Memorial services for Mrs. Ursula Michell will be held at the brick schoolhouse tomorrow at 11 a. m. Epworth League at 5:30 p. m at Y. M. C. A. hall. Union services at the court house at 7 p. m., Rev. A. C. Spencer discoursing on the subject of "Belshazzar's Feast."

The law requiring certain expenditures of the county court to be published in the leading paper of each county has had one good effect at least. It has set the taxpayers to scanning the official list as never before, to see what has been done with their money.

Cascades locks, and these are employed in protecting the plant. A good sum of money yet remains from the last appropriation, which will be sufficient to carry on the work until the river and all getting better. harbor bill is passed by the present congress, if any bill is passed, and if Oregon gets any appropriations from the 5-cent congress.

Sherman county that is yet uncultivated. sons calling for same will give date on Not only in the extreme southern part which they were advertised: but in various parts of the entire county. Allen, Wm. And when this all once gets under cultivation twice the amount of wheat will be produced to what is now being raised. Iddings, I What Sherman county needs is more farmers. We have some good farmers in our county but we want more of them.

Newspapers so deficient in circulation are to be unable to successfully compete under the county publication law, cry sour grapes, but it is a fact that never before in the history of the state have have held a convention and asked each the county newspapers so filled their political party to place in nomination for columns with the details of county gov- the offices of county judge, commissioner ernment. One of these publishers in and legislature men who are in sympa-Marion county, finding he could not thy with the farming interests of the compete, at once informed the court state. The convention disclaimed all that it would be an outrage to pay more intention of taking any political action by the organizations represented. It than one cent per square. That is the Tony Noltner style of doing things .-Salem Journal.

One of the employes of the Electric Light company, a young man named sprained and he has besides an ugly semi-lacerated wound about two inches in length over the left eye. He had climbed to the top of an electric light pole-a distance of about thirty feet from the ground-when the pole broke off at the ground. Sandifer's fall was in from the mountains after grub, who, broken somewhat by the pole striking having found that Joles Brothers sold the telegraph wires when he was knocked off and fell on the railroad returned to camp.

For Goldendale, Wash, leave every day of the week except Sunday at 8 a. M.
Offices for all lines at the Umatilla House.

More than 2,500 Demorest medals have been won by the young people of Nebraska, and more than 1000 by those of each of the states of Minnesota, Michigan, Indiana, Illinois, Ohio, Tennessee and North Carolina. The first one to be awarded in The Dalles will be competed for February 15, and all good citizens should encourage Oregon young people to keep up with the procession.

Mrs. George Mahn of Mill Creek met with an accident yesterday afternoon by which one of her arms was broken in three places. She and her husband had just returned from town. After entering their own enclesure Mr. Mahn stopped to put up the bars when the horses started suddenly and Mrs. Mahn was thrown violently against the ground. Dr. O. C. Hollister went out and reduced the fracture and the lady was resting comfortable this morning.

Wamie Items.

WAMIC, Dec. 20, 1891.

Editor of the Chronicle: We have been having a nice winter so far, the days are clear and warm like There were some fears entertained for the safety of the fall grain, but I do not grain any yet, it makes little difference than homg needs require we have no has charge of the room. market, for we are locked up as it were without an outlet, and the county court holds the key, and they are not willing to assist us in building a road up Tygh Hill, so that we can get the products of our farm to market. It seems to me time without any effect, and forbearance | Holman. has ceased to be a virtue, and it seen's delegates whom they send to the county delegates whom they send to the county convention not to vote for any man for a county office, that will not pledge himself, to work if elected, to obtain a measure."

State, along come a bill which sheet on something over a million to Indianapolis. "Now this, gentlemen," said the "Watchdog" with a sauve, ingratiating air, "I take to be a very meritorious measure." Grove and Wamic, should instruct the reasonable appropriation from the

It was not N. B. Sinnott that made

The saying that a man's faith is known by his works, though somewhat trite, becomes apropos enough when the works materially affect the pocket. Little credit is due to one who says he has confidence in the town who yet neglects to exhibit his confidence by omething more substantial than idle words. It is different with J. O. Mack. At an expense of more than a thousand Attention is called to the advertise- dollars of cold cash he has just fittled ment in another column for a girl to do up, in connection with his large wholecooking and general housework for a sale liquor business, by long odds the family in the country. Good wages will handsomest sample room ever seen in be paid to a competent person. Apply this city, and what is still more to his credit, not a dollar has been expended Congregational church services will for material or work that has not been given to the merchants and artisans of The Dalles, excepting only for some material that could not be procured society of Christian Endeavor at 5:80 p. here. The carpenter work has been board is antique oak is the work of the Oregon Furniture Menufacturing company. All is as perfect as good taste and masterly skill could make it, and yet at the risk of invidiousness one can hardly refrain from saying that the decorative work of Mr. Ross will company of Mr. Ross will company thing of the company of the decorative work of Mr. Ross will company the company of the done by F. Ross, the decorating by Paul thing of the kind to be found here or elsewhere. Two handsome pictures of the horses Salvador and Firenze, the king and queen of the American turi, decorate the walls. They are magnificent pictures of two of the fastest runners on earth. Two bronze statues of ancient knights in armor, as handsome as anything of the kind could be, adorn the side board. A very tasteful marble lunch counter against the south wall. The sample room measures 23½ by 19 feet. It is lighted by day by a stained glass sky light and by night by an aggregate of eighty candle incandescents. There is not a chair in the room as the trade that by Blakeley & Honghton druggist of Ogden, train, "never be afraid to buy Chamberlain's Cough Remedy. There is no danger form it and relief is always sure to follow. I particularly recommend Chamberlain's because I have found it to be safe and reliable. 25 and 50 cent bottles for sale against the south wall. The sample spring, with nights cold and frosty, eighty candle incandescents. There is not a chair in the room as the trade that by Blakeley & Houghton, druggists. dw Mr. Mack cultivates and desires is not of think the freezing has hurt the growing the class that loafs around bar-rooms. It is only necessary to add that Mr. with the farmers here if the crops are James Wilson so long and favorably light or good. If we have more grain known in connection with this house

MR. HOLMAN'S ECONOMY.

Liable to Expand When it Comes to Indian Appropriation.

E. W. Ayres in the Kansas City Times that the county court would loose noth- the appropriation committee, has won that the county court would leose nothing financially in making a reasonable appropriation to assist in building a good

There are few bills he does not want and \$1 bottles for sale by Blakeley & road up Tygh Hill. The county would reduced, and many come in for a square get the money back again in the increase fight for their lives. Se Holman has Butler for the last three weeks returned in taxes, as then every available acre of gained the sobriquet of "The Watchfarming land would be put under culti- dog." But it has been noted on some vation, which would soon enhance the occasions with rage, on others with value of taxable property to such an ex- mirth, that an Indiana appropriation has tent in this part of the county, that the a much better time with Holman than tax payer would scarcely feel the differ- those of others States. reasonable appropriation from the county court to assist in building a road up Tygh Hill.

No deaths to report and the sick are all getting better.

Observer.

The sharp contrast between Holman's bitter opposition the little alien appropriation and his smooth greeting of the one which was to fill the lap of his own state urged Doekery, of Missouri, to smiling sarrasm.

contemplation of appropriations meant gists. for other states to those aimed at Indiana reminded me strongly of the lines

"Tis sweet to hear the watchdog's honest bark Bay deep-mouthed welcome as we draw near home."

The roar of committee delight which followed killed the Indiana appropri-ation. By such sleights are laws made and public money spent or saved.

Democratic correspondents at Wash ington have ceased talking about the jingoism of Mr. Blaine, and have taken an entirely different tack. They are now reporting that Blaine is not at all in sympathy with the course of the president in the Chilian affair; that his voice was for honeyed words and peace, and that the relations of the two men have approached the verge of a rup-ture. The individual reader must determine for himself the size of the dose that he is willing to swallow of these reports.-Spokane Review.

A Crook county note says: It is a well known fact that the pestiferous J. S. SCHENCK, county at an alarmingly destructive rate. Unless a ranchman has built for himself a special picket fence, his chickens fail an easy prey to the ravenous jaws of these varmints. Sheepmen are
