SIMON IS NOT "IN IT."

William B. Gilbert is Said to be the Probable Winner.

PASSED SENTENCE ON THE RIOTERS.

Judge of Crime Foster Gives His Findings in the Late Trouble.

GETTING READY TO FIGHT.

Garza is Steadily Organizing—One Was Found Guilty—Killed by a Train—Minor Mention.

WASHINGTON, Feb. 5.—It has been stated before that there is no chance for Joseph Simon to be circuit judge, and it was also stated that the Oregon delegation submitted to the president a communication highly complimentary of Judge Lord, Mr. Fulton and Mr. Watson, but it now appears, from sources which seem reliable, that neither of these gentlemen can secure the prize, and this morning Representative Hermann received from various portions in Oregon, chiefly from Portland, strong endorsements for William B. Gilbert, of Portland, which he submitted to the attorney-general, who is the president's mainstay in looking after the antecedents of candidates for judicial positions. Among the endorsements sent Mr. Hermann is one from one of the judges of the state court of Oregon. Mr. Gilbert has a fine showing for his candidacy, as one member of the Oregon delegation, Mr. Hermann, realizes the hopelessness of Simon's chances and has made no further effort in his behalf. The delegation have freely submitted to the president any endorsements received for Oregon candidates, hoping that in the end some Oregonian may be selected.

The Baltimore Case Decided. NEW YORK, Feb. 6.—The Herald's special cablegram from Valparaiso, Chili, says: "Judge of Crimes Foster today passed sentence in the long-pending and much-discussed Baltimore assault case of October 16, 1891. His sentence is subject to review by the court of appeals. The document covers 180 pages, and goes all over again the evidence against the accused and compares it closely with the evidence presented by the prisoners. The finding of the court is as follows: Carlos Arena and Alias James are sentenced to 540 days' imprisonment for wounding William Turnbull, the coal-heaver of the Baltimore, who died of his injuries: 300 for disorder, sixty days for carrying a knife and twenty days for giving an assumed name. This makes a total of 920 days. Joe Rhumada is sentenced to 320 days' imprisonment for injuring Turnbull. Frederic Roderigny is sentenced to thirteen days' imprisonment for wounding Boatwain Mate Charles W. Riggan, another of the American seamen, for public disorder, and for carrying a knife. It is held by Judge Foster that the evidence does not show that Roderigny did kill Riggan, on the contrary it is claimed that Riggan's death was caused by a shot which was fired by some unknown person. Gomez and Roderigny, under the Chilean penalties, must pay the families of Turnbull and Riggan damages. These damages are recoverable by civil suit. Congress will meet again in April.

Getting Ready to Fight. LEVENWORTH, Kan., Feb. 5.—Colonel Martin, United States army assistant adjutant-general, with headquarters at San Antonio, Tex., has just arrived in this city. He is sure the Mexican bandit, Garza, is not on American soil, but passes his time in the City of Mexico quietly organizing his forces. To a reporter he said: "Garza's organization is so complete that he can concentrate his strength at very short notice, and that strength is more than is known. Our troops will do all that is possible to protect the border. There will be no fighting between Mexicans on the American side of the river."

The Texan Declares His Position on the Tariff Question.

NEW YORK, Feb. 5.—A dinner was given tonight at the Reform Club to Roger Q. Mills, by President Ellery Anderson. Thomas G. Sherman, ex-Secretary Fairchild and other well-known Cleveland democrats were present. Mills for the first time indicated in a public speech the line of action to be followed by himself and friends in the present congress, regarding the tariff. He declared his intention to oppose the half-way and stand-still measures some of the democratic leaders advocated. He scouted the idea of going back to the tariff of 1883 and accepting that as a final settlement. He said the democrats had been fighting that tariff for thirty years, and he was for carrying on an eternal, uncompromising war. In closing his speech Mills said: "I will follow wherever the flag points to fair trade. I will follow wherever the flag goes, no matter who carries it; and I will follow wherever the battle is pitched."

Brutality Of German Officers. BERLIN, Feb. 5.—The order issued by Prince George of Saxony, as inspector-general of the German army and commander of the twelfth army corps, calling upon the officers of that corps to stop the inhuman treatment practiced upon privates by non-commissioned officers, is very likely to result in ameliorating the condition of privates of the whole army, and to free them from the brutal tyranny of low grade officers. The matter was discussed today by the budget committee of the reichstag and it was resolved to favor greater publicity in the proceedings of military tribunals and the punishments ordered by these courts.

The Whaleback at San Francisco. SAN FRANCISCO, Feb. 5.—The whaleback steamer Charles W. Wetmore, which made a voyage around Cape Horn with a cargo of machinery from Wilmington, Del., for Seattle, Wash., arrived yesterday with a cargo of coal for the Oregon Improvement company, which she will unload here. It is stated that some of her plates were bent in collision with a steamer at Seattle a week ago, and that it became necessary to unload a portion of the cargo at Port Townsend before proceeding. The damage, however, was easily repaired. It is understood the steamer will continue in the coal trade on this coast.

A Running Fight. HARRISBURG, Pa., Feb.—James Marshall and David Dunkley started to fight in a barroom yesterday, and gave two policemen and a crowd of 200 men and boys a race of two miles before they were caught. Both had pistols and kept up a running fire. One of the bullets struck John Sweizer in the left shoulder, inflicting a serious wound. Policeman Yingst was also wounded in both arms, and a boy shot through the hand. When taken into custody each man was found to have a full set of burglar tools. They are believed to be the companions of William Carney, arrested yesterday for robbery.

The early fruitgrowers of Oregon had a wonderful market for a few years at San Francisco. In 1854, 500 bushels of apples were shipped from Oregon to California and returned a net profit of from \$1.50 to \$2.00 per pound. In 1855 the shipments rose to 6,000 bushels which sold at from \$20 to \$30 per bushel. In 1856 the shipment rose to 20,000 boxes. Even in this year big prices were received and for choice fruit fancy figures were obtained, one box of Esopus Spitzenbergs selling for \$80. The Californians planted apple trees, and after 1860 the shipments of apples from Oregon began to decline. Apple raising was more profitable than gold mining for the first half dozen years of the industry in Oregon.

WANTED TO CHANGE LODGINGS.

A Party of Prisoner Caught Preparing to Break Jail.

THOUGHT HE WAS TRAVELING.

A Sleek Young Man's Scheme Exposed—Fought a Fatal Duel on Horseback.

LONDON, Feb. 5.—A correspondent of the Times at Valparaiso, says a police guard at the house of Egan, United States minister at Santiago, is maintained by the Chilean authorities with a view of preventing any attack at the instance of the rough element. This fact, the correspondent says, threatens to bring about a reopening of the difficulty with the United States. The correspondent further says the police judge at Valparaiso has increased the severity of the sentences imposed upon the assaults of the sailors of the United States steamer Baltimore. This course was demanded by the procurator.

Wanted to Change Lodgings. DETROIT, Feb. 5.—Wednesday a deputy sheriff saw signs of a conspiracy among eight prisoners in the county jail to escape. He was not able to discover their methods of operation and their tools, but it was found that the iron bars in a window had been nearly sawed in two. In the cellar of the building are three cells, called "dark holes," as bad as those in the English jails which Charles Reade told of. They are extremely hot and close, and there are iron rings six feet from the floor and similar rings near the door. Six of the suspected prisoners were manacled to these rings at 4 p. m. yesterday, their arms being stretched above their heads. They were left in that position all night. The torture was frightful, and all were ready to tell everything this morning. They agreed that George Daily, alias Miller, charged with larceny, was the leader, and the tools were given up. Back of the sink in ward six was found a saw made out of the shank of a woman's shoe fastened to a piece of broom handle, and in another place a large jack-knife, the blade of which had been notched into a saw. Among the conspirators were Charles Price, George Jefferson, and Edward Cornell, who are awaiting trial on the charge of having committed a daring burglary. One of them was kept in a dark cell until noon today, when he fainted.

Living With a Woman While Thought to be Traveling. HAWKSVILLE, Ky., Feb. 5.—Two years ago J. T. Dawson, a traveling representative of the St. Louis Range Company, met Miss Laura Robbins, of this place. She is the daughter of a wealthy retired farmer and horseman, and is known throughout the country for her beauty. Soon after the couple were married, and went to Wichita to reside. After a few months there, they traveled through various states, reaching here last spring. Dawson told his wife that he was compelled to take a trip to Europe for his firm. He went, and in due time Mrs. Robbins-Dawson began to receive letters postmarked London, Hamburg, Paris, Berlin, and other places. The letters were sent in charge of the St. Louis house and forwarded. Recently a letter postmarked in Scotland was received bearing United States stamps. This aroused suspicion, and led to an investigation which resulted in locating Dawson at Belmont, Mo., where he had been all the time living with another woman. The Robbins family will push Dawson to the limit, and the deceived girl, a brother and her father left this morning for Belmont.

Suicide of a Murderer. NEW YORK, Feb. 5.—The dead body of Frederick Seener who shot and killed his sweetheart, Maggie Weissmullin, at 24 East One Hundred and Twenty-sixth street, Wednesday night, was this morning found on a vacant lot on One Hundred and Sixteenth street, near Lenox avenue, with a bullet-hole in the right side of his head and a 32-caliber revolver lying beside him.

A Duel on Horseback. ELDERADO, Ark., Feb. 5.—A duel on horseback was fought near here last night by S. C. Shaw and John Ballard, in which the former was killed and the latter had his horse shot from under him. The coroner's jury rendered self-defense as the verdict. An old feud caused the trouble.
