## A Woman Worth Over \$90,00

Sixty thousand dollars in cash and bank books representing \$30,000 were found at Lyme, Conn., recently. They are the hidden wealth belonging to the late Mrs. Jane Kingsbury, who was supposed to be poor.

Attorney Cunningham and a Mr. Griswhich had not been used to the knowledge of the other persons in the house for years.

The books represented deposits amount-ing to about \$30,000. The search was continued and \$60,000 in money was found hidden in different places.

Of this sum \$14,000 was in gold pieces in denominations ranging from one dollar to fifty dollars. The balance was in currency. It was all hidden in the bottoms of trunks, bureau drawers and beds.

How Mrs. Kingsbury hoarded this was always thought she lived up to

Years ago Mrs. Kingsbury, whe the wife of Major Kingsbury and mo.a er-in-law of ex-Governor Buckner, of Kentucky, figured in a series of law-

suits in this state and Kentucky. They Sun

## Chess by Telephone.

A novel use of the telephone has been hear there is still a considerable quantity made in England on the occasion of a remaining in granaries awaiting better chess match between the British Chess prices, which under the present condi- club in London and the Liverpool Chess phone, the transmitter having a nickel plated monthpiece and being of the granular type, which is specially fitted for long distance talk. Two games were played simultaneously, the first being lost by the London club, and the second. which insted more than seven hours, being a draw.

A very amusing incident happened when London, at 7 p. m., proposed an adjournment of the game over the dinner hour, and board No. 2 at the same time offered a draw. Both offers were prices will rule lower this year than answer which was received with shouts Sec. 62. If any elector by accident or last, for various reasons. One is the of languter by the members of the London club, who had mustered in great force for the occasion.

"We heard you langh." was the message sent at once by the Liverpool men, much to the amusement of the London for the following Saturday, with a time limit of twelve moves per hour, and a hearty cheer was given by London and responded to by Liverpool.-Pittsburg Dispatch.

## A New Aluminium Alloy.

The Aluminium Brass and Bronze company aunonnces a new metal which is exceedingly tough, very ductile, and when either hard or soft drawn into wire, possesses an extremely tensile strength. for ordinary size annealed it is 86.000 pounds per square inch, and for hard drawn 136,000 pounds per square inch. Its ductility is such that the an-nealed wire will stand 124 twists in six inches, and the hard drawn wire thirty twists.

It solders with facility with resin, chloride of zinc or any of the ordinary solders and fluxes. In electrical resistance. comparing this new metal, ordinary copper taken as one. German silver is thirteen and the new metal is thirtyfive. It is this qualification that makes it valuable for resistance work in dynamo machinery and all electrical apparatus. Its specific gravity is about

in the town of Dexter, away back in 1867, a mill operative was app by another young fellow and importuned for a loan of ten dollars for a few days. The operative had just, that amount, but having a wife and aged mother to care for hardly dared spare it, for fear of need, but finally did divide, loaning the fellow five dollars. Soon after the borrower disappeared. and nothing more was heard from him until last Christmas day, when the lender, who is now a leading business man of Skowhegan, received a letter containing a check for the five dollars, accompanied by the most beautiful diamond solitaire stud he ever saw. The incident had long passed from his mind, but the letter and present recalled that loan of twenty-five years ago in Dexter. It remains to say that the borrower is now a wealthy jeweler in western New York. - Lewiston Journal.

Debt Paid After Many Year

## A Corious Chair.

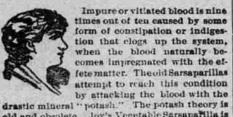

People in the Central Street station at l o'clock Saturday afternoon saw a very odd and decidedly novel chair puf aboard the train leaving at that hour. It is about six feet high, being built after the manner of the furniture used in lodge rooms

Charles Roberts was the maker, and the chair is a gift from him to his brother, J. G. Roberts, engineer on the Manchester express

The chair is made out of wood collected in different localities and embraces twigs and small limbs of trees from Pelham and Lake Winnepesaukee. and from the outskirts of the city.

There are walnut, birch, butternut, basewood, ash, willow and maple limbs in it, all blended prettily together in rustic fashion.-Lowell Citizen.

drastic mineral "potnsh." The potash theory is old and obsolete. Joy's Vegetable Sarsapafilla is modern. It goes to the scat of the trouble. It arouses the liver, kidneys and bowels to healthful action, and invigorates the circulation, and the impurities are quickly carried off through

Pas

the natural channe Try it and note its delightful action. Chas. Lee, at Beamish's Third and Market Streets, S. F., writes: "I took it for vitiated blood and while on the first bot-

the became convinced of its mer-its, for I could feel it was working a change. It cleanacst, purified and braced me upgenerally.

THE LEADING PAPER

The Dalles Chronicle

4

During the little over a year of its existence it has earnestly tried to fulfill the objects for which it was founded, namely, to assist in developing our

industries, to advertise the resources of the city and

adjacent country and to work for an open river to the sea. Its record is before the people and the

phenomenal support it has received is accepted as the expression of their approval. Independent in everything, neutral in nothing, it will live only to fight for what it believes to be just and right.

Commencing with the first number of the second volume the weekly has been enlarged to eight pages while the price (\$1.50 a year) remains the same. Thus both the weekly and daily editions contain more reading matter for less money than any paper

published in the county.

polls he shall securely knot together the per roll, and more plentifull.

ballot delivered to him shall, before ballot to the first clerk, who shall write upon the stub thereon "Not Voted," and sign his initials, and treat the stub and ballot in the same manner as in the case of a spoiled ballot, and both clerks case of a spoiled ballot, and both clerks shall note the fact upon the poll-books by drawing a line with pen and ink across the name of the person, and writing the words "Not Voted."

Sec. 66. Any elector who declares to Sec. 66. Any elector who declares to the chairman that he cannot read or write, or that by blindness, or other physical disability, he is unable to pre-pare his ballot, shall, upon request, re-ceive the assistance of two of the judges in the preparation thereof, and such officers shall ascertain his wighes and officers shall ascertain his wishes and prepare his ballot in accordance therewith, and such officers shall thereafter give no information regarding the same. The chairman may, in his discretion, require such declaration of disability to be made by the elector under oath. When-ever an elector receives assistance in this manner, the second clerk shall write upon the poll-book, opposite the name Golden C \$1.80; Extra C, \$2.10; Dry Granulated \$2.25. quire such declaration of disability to be upon the poll-book, opposite the name of the elector, the word "assisted," and if sworn, also "sworn." In preparing his ballot, any elector shall be at liberty to use or copy any colored or sample ballot provided by this act which he may choose to mark or have had marked in advance, to assist him [in] marking the official ballot. ally discontinue its use, and finally cease it

This state of things is due to the fact that the Americans think so much of business and so little of their palates that they permit China and Japan to ship them their cheapest and most worthless teas. Between the wealthy classes of China and Japan and the exacting and cultivated tea-drinkers of Europe, the finer teas find a ready market. The balance of the crop comes to America. Is there any wonder, then, that our taste for tea does not appreciate? In view of these facts, is there not an im-mediate demand for the tempetation of

mediate demand for the importation of a brand of tea that is guaranteed to be uncolored, unmanipulated, and of absolute purity? We think there is, and present Beech's Tea. Its purity is guaranteed in every respect. It has, therefore, more in-herent strength than the cheap teas you have been drinking, fully one third less being re-quired for an infusion. This you will disover the first time you make it. Likewise, the flavor is delightful, being the natural flavor of an unadulterated article. It is a revela tion to tea-drinkers.
