STATE OFFICIALS.

Governor: S. Penney; Secretary of State: G. W. McBride; Treasurer: Phillip Meischen; Superintendent of Public Instruction: E. B. McKim;

COUNTY OFFICIALS.

County Judge: C. N. Thornbury; Sheriff: D. L. Cates; Clerk: E. B. Cresson; Treasurer: Geo. Kuch;

We have repeatedly called attention to the fact that the fees of the clerk and sheriff of this county are outrageously high. We make the statement and challenge contradiction that the clerk's fees amount to more than \$10,000 a year.

The Pendleton Tribune takes the Gazette, fore and aft, for expressing its opinion on the congressional fight. We do not desire to enter into any personal controversies, says the Gazette, if Mr. Leasure is the strongest man, we have been seriously misinformed, and, too, by members of the republican party hailing from all parts of the district.

The county conventions of the two great political parties are approaching and there never was a time in the history of this county when the necessity was so urgent that only the right kind of men be sent to the state conventions to nominate the state ticket.

Senator Mitchell has succeeded in obtaining an order from the secretary of war, relieving the governor of Oregon from responsibility for the loss of government property in possession of the Oregon National Guard and destroyed by fire at The Dalles, Oregon, September 2, 1891.

A Portland paper announces that Joe Simon proposes to be absent during the coming election. It is stated that he goes to Europe on an extended trip. This will be good news to many, especially the part that relates to the extension of the trip.

The Astorian says packers last year paid all the way from \$6.10 to \$6.75 per box for their tin, an average of perhaps, \$6.50 per box. This year with tin at the factory at from \$3.10 to \$3.25 per box, freight, say 40 cents per box, and the duty amounting to \$2.40, the tin is being laid down here at from \$6 to \$6.12 1/2 per box, which is a little improvement over last year.

The average weight of a measured bushel of Oregon wheat is sixty pounds. This exceeds the average of any state in the Union by half a pound. It is half a pound higher than California, a pound higher than Washington, and a pound and a half over the average for the whole United States.

The Portland Dispatch has revamped the old lie about H. W. Scott's wanting to succeed Mr. Dolph in the United States senate. This particular lie is so stale and ancient and malodorous that the Dispatch should have disinfected it before it was again brought before the public nostril.
