A Light Step.

Anybody can have a light step who will be at the pains to set the foot down right. In that lies all the difference betwixt a thumping, lumping gait and the light tread that makes people call you "velvet footed." The whole art and a second after. Treading flat footedover all the sole at once—the weight comes with a jar that is about equally destructive to quiet, to grace and to shoe leather. By stepping first on the ball, just back of the toes, its cushiony muscles act as a spring and make of walking a double pleasure. — Harper's Young People.

A Clerical Horse Buyer. There is a pastor in a midland town whose reputation for honesty is so high and his judgment of horses so good that it from the raw material, thus escaping he is employed by the gentry in his payment of the high tariff on manufac-neighborhood to buy their hunters and tured opium. The officers are today carriage horses. For this purpose he visits the principal Irish fairs. To so great an extent has this calling been forced upon him that he has been com. pelled to become quite a dealer in horses; and while he gives satisfaction to his clients he faithfully fulfills the duties of his more sacred office.—London Tit-Bits.

Cinnamon Kills Disease Germs After prolonged research and experiment in Pasteur's laboratory, M. Chamberland is reported to have come to tho conclusion that no living germ of diseaso can resist the antiseptic power of essence of cinnamon for more than a few hours. It destroys microbes as effectively if not as sapidly as corrosive sublimate.—New York Journal

CORVALLIS LETTER.

The New President of the Agricultural

Hon. Wallis Nash favored the college with a short, sensible speech Monday morning. In the course of his talk, Mr. Nash said that he did no want to scold, but he did want to advise some of the boys to quit "acting the monkey."

The boys that have the measles are getting along very well. Frank Lee, former editor of the Klickitat Leader, was taking notes at the college last week. L. I. Mercer, pastor of the Corvallis Christian church returned from New-England does not regard with favor port last Friday. He has organized a he proposed international silver conamong the hills by the ocean. William Cowden, a noted evangelist, is visiting to encourage any movement designed to to stir up the reform forces in this part disturb it. of the country.

ARBOR DAY CELEBRATED.

Better Late Than Never" was the Kingsley Motto. pecial to THE CHRONICLE.

KINGSLEY, Or., April 23.-We were a ittle late in getting ready for arbor day, but we celebrated the day with appropriate exercises on the afternoon of the 22d. At one o'clock the scholars, and their parents and friends who were to assist us in the celebration, assembled in the school house and for an hour, we were entertained by various exercises. Reading the law of Oregon which established the day, a story telling about the first arbor day, and how it came to be established, and where. Nebraska was the first state to take action on this subject of tree planting, and the first J. L. Harper, the contractor for the year, over a million trees were planted improvements on the eastern approach in various parts of that state, this is now to the Hood River bridge, was in The about twenty years ago. Then some Dalles yesterday. From him we learn thoughts about our country and what it that the work will be finished by the would be in the future, with remarks end of the present week. A strong about the flag and its beauty, and how guard rail and fence, with iron and we ought to love our country. Reading head of the grade to the bridge and the the Free. Speeches by the very little track has been widened so as to allow of folks added to the pleasure of the occatwo passes in this distance. Mr. Harper sion. After an hour spent in this way has earned fair wages by the job not- all adjourned to the school yard, where withstanding the fact that his bid was the ground had been marked off for the only \$415, against the highest bid of trees, and there was very busy work for a while with the spades digging the holes and setting out the trees. Each scholar A black cashmere shawl was lost on Tuesday evening, between the Regulator landing and Seventh street. Finder is requested to leave it at the Grange store.

E. N. CHANDLER.

was provided with a tree and planted it in the place assigned, naming the tree as his fancy dictated. We have Washington, Lincoln, Cleveland and other names of distinction. A record will be kept of was provided with a tree and planted it the trees and their position on the ground and by whom planted. This The river and harbor bill will be called and a mare, fram his ranch on Fifteen mile creek, four miles beyond Dufur. The cow is a blue color, horns sawed off, and a circle with a dot in it on one hip. The mare is white, two brands on her, one in the shape of an S. Any information will be suitably rewarded. 4-29-1m.

Rev. Isatan Burlingame has lost a cow and a mare, fram his ranch on Fifteen mile creek, four miles beyond Dufur. The cow is a blue color, horns sawed off, and a circle with a dot in it on one hip. The mare is white, two brands on her, one in the shape of an S. Any information will be suitably rewarded. 4-29-1m. record will be preserved among the records of the school, and will be of interest and thrifty trees, and the children of the next generation shall play under them. if they shall ask "Who planted this tree" the records will show. But this as well as other good days came to an end. We have made a beginning and it is for others to follow up the work. Twenty-eight trees were planted, twenty mystery flosted. The whole art and mystery fles in a single sentence: Put the ball of the feet down first, throwing the weight upon it and letting the heel come to the floor the hundredth part of coming years.

Across the front of the school ground and eight on the side. There is room for fifty more, which can be planted in come to the floor the hundredth part of coming years.

X. Y. Z. Pittsburg Opium Factory.

PITTSBURG, April 28 .- While nosing

about the Chinese quarters yesterday, in citizens dress, on search for smuggled opium, officers struck a fine lead; and search revealed large quantities of the crud material of which opium is made. In a moment it flashed on the officers where all the opium was coming from. The Chinese had learned how to make large cities, as it is believed that this wholesale scale in several of them.
