Extension of Excursion Rates to Port-land Until Tuesday.

Don't miss the opportunity of seeing the Baltimore and Charleston, now in Portland. Round trip tickets will be on sale Monday and Tuesday May 16th and to his home at Hood River by the steamer 17th, at \$2.00. Tickets good for five W. C. ALLOWAY, Agent.

### NOTICE TO ICE CONSUMERS.

As manager of The Dalles Ice Co. I wish to contradict the statements that I was only acting as agent for an outside company. I own one half interest in W. S. CRAM, Manager.

#### GREAT PUBLIC INTEREST.

Concerning the Clear Lake Scheme of a Speculative Party.

In our issue of yesterday we called the attention of our readers, to the filing of possessary water-rights for speculative purposes, upon Clear Lake, one of the Pendleton today, which will set the ball largest of the beautiful bodies of water situated in the dark timber so high upon Chief Engineer A. N. Gilmore, of the the mountain range in the southwest steamship Oregon, now in Portland, corner of township 4, south range 9, made the trip up to The Dalles by east. The water of this lake surface is steamers of the D. P. and A. Nav. Co., 6,500 feet above the Columbia river in yesterday, accompanying his sisters front of this city, and, supplied as it is Misses Jane and Anna Gilmore this far by the constant condensation of the on their return to their home in Steuben- moist warm wind from off the vill, Ohio. The ladies have made the Pacific ocean, and from the melting tour overland, via. California, thence by snows from off the side of sea to Portland, and they say that of all Mount Hood, through the tortuous volthe routes traveled, none compare with carric fissures and channels from its very the Columbia from Portland to The crater, 5,000 feet above, guarantees to the Dalles. settler, who occupies the high table Among the passengers to Portland this lands and prairies such as Wapanitia, merning by steamer Regulator, was Mr. Wamic, and other similarly situated Johnson, of Moscow, Idaho, who in- fruitful lands, a source of perpetual formed a representative of THE CHRON- wealth when properly applied by a sys-ICLE that he was taking the boat just for tem of irrigation of a broad public charthe purpose of putting in a day where he acter which, from the action of the govcould learn from practical observation, ernment, we had entertained reason to

enacted the last session, to attempt to attempt to take control of all these waters, and the immense volume of privileges which are qualified by, and co-partners therewith; we mean the immense sized timber in great quantity and several varieties. We cannot but urge all who look upon the city water consumers will please to take notice that all sprinkling and irrigating from the city water works must be done between the hours of 6 and 7 a. m. and 6 to 8 p. m. Failure to comply with this rule will leave the consumer liable to have the water turned off and a charge of 50 cents will be made for having it turned on again. As the last gold is very coarse they are enacted the last session, to attempt to cannot but urge all who look upon the prosperous progress of our people in Elder J. T. Eshelman will preach at Eastern Oregon, especially in Wasco the Court house Sunday at 3 p. m., and county, if possible, to establish a broad at the close of the service will organize application of the privileges in behalf of a Christian church. All are cordially the people, instead of bowing for a generation or more; as cannot fail to be the Congregational church services as usu- fate of Eastern Oregon, if we must subal in the Court house, Sunday at 11 a.m. mit this great interest to the grindstone

Bunch grass, and its cattle and wool, must, as a certainty of fate, grow less and less, and seek homes and food farther in the wilds. But those who gather pro-G. R. Burnside, of Buffalo, N. Y. All ducts from the fruitful sedimentary soil not worshiping elsewhere are cordially in the place formerly occupied by cattle and sheep, must own and control the profound privileges Nature has provided to accompany these great changes of ness in the control of great public necessities. God's gifts, in the form of water, and rights of way, needed by great communities, should belong to the public first and open to individual effort widely spread. Such is one of the great privileges of a republican form of government, and laws should not be made to allow gathered capital to engross and control the public domain or its important formative privileges.

The Portland party who have entered upon this speculative movement, wrote to the county clerk of Wasco county not THE DALLES, May 14.—After reading to allow public notice to be made of his

The matter we have represented is narrowed into a question whether such year, I am reminded of the pertinent great public privileges, and the immense questions that agitated our people a resources embodied therewith, shall be fifty cents. See Pease & Mays ad. today, year ago. In the spring of 1891 there public advantages open to all, or held by a were two or more schemes, on paper and pretended corporation, who, under the grab
