

The Dalles Daily Chronicle.

WEDNESDAY - MAY 18, 1892

Couldn't Collect with a Club. It is astonishing how history repeats itself. For centuries we have been trying to perfect the laws so that no trace might be left of "the good old rule, the simple plan, that he may take who can."

"If you don't pay me that bill this instant I'll club the life out of you," said the victimized tradesman. The advertising agent cast an anxious look around and there wasn't a soul in sight.

The oldest son of Emperor William has inherited his father's talkativeness. He makes military addresses to his little brothers at table. He is not yet ten years old.

Building Material. We offer to the building public a full line of building material. We do not resort to trickery to buy or sell any lines handled by us.

TO THE TRADE AND CONTRACTORS. I DESIRE IT TO BE UNDERSTOOD that I have appointed Wm. Butler & Co. exclusive agents for the sale of the "Oregon" lime, at The Dalles, and surrounding country.

Such, however, is not the fact, and further stock of this article cannot be obtained from others than Wm. Butler & Co. The trade, however, will not lose sight of the fact that the great strife to obtain the Oregon lime by other dealers proves conclusively that the "Oregon" is the best lime in the market.

JERSEY BULL--"St. Lambert. The thoroughbred Jersey bull St. Lambert, will stand for the season at the Columbia Feed yard. For service apply to David George.

Where to buy Clocks. If you will call upon Mr. Stacy Shown, with Byrne, Floyd & Co., corner Second and Union streets, The Dalles, who has just opened the largest assortment and the finest lines of goods in this branch of trade, ever displayed in this city, and at prices which defy competition--you will at once know, where to buy clocks. He has them from \$2.00 up.

The Postage Stamp Nearly 52 Years Old.

The postage stamp will be fifty-two years old in May. Its inventor was a printer, James Chalmers, of Dundee, Scotland, who died in 1853. England, fifty-two years ago, introduced the new system of prepaying letter postage, and according to a decree of Dec. 21, 1839, issued the first stamps, which were to be put before the public on May 6 of the following year.

The Oldest Voter. Nathaniel Laird cast his eighty-seventh vote at Oswego, N. Y., Tuesday, Nov. 3. He was born 109 years ago in Iceland and came to this country at the age of fifteen. His wife is still living at the age of seventy-nine, but they have no living children.--Exchange.

Bees Graft a Rare Apple. Horticulturists who have seen it say that an apple which was picked in E. B. George's orchard, New Franklin, Pa., could only have been produced by a peculiar grafting done by the bees in the apple blossom season.

Exactly one-half of the apple is golden russet, like the apples that grew on the same tree, and the other half is bright green pippin, such a variety as grew on trees 100 yards distant. In blossoming time a bee must have transplanted a part of a distant pippin blossom into the petals of the russet's flower.--Exchange.

The pickle industry near Pittsburg has assumed enormous proportions. The largest shipment in this line ever made recently left Pittsburg for a Kansas City firm. It filled eighteen refrigerator cars and included over 5,750,000 pickles.

Old People.

J. V. S. is the only Sarsaparilla that old or feeble people should take, as the mineral potash which is in every other Sarsaparilla that we know of, is under certain conditions known to be emaciating. J. V. S. on the contrary is purely vegetable and stimulates digestion and creates new blood, the very thing for old, delicate or broken down people. It builds them up and prolongs their lives. A case in point:

Mrs. Beiden an estimable and elderly lady of 510 Mason St., S. P. was for months declining so rapidly as to seriously alarm her family. It got so bad that she was finally afflicted with fainting spells. She writes: "While in that dangerous condition I saw some of the testimonials concerning J. V. S. and sent for a bottle. That marked the turning point. I regained my lost flesh and strength and have not felt so well in years." That was two years ago and Mrs. Beiden is well and hearty to-day, and still taking J. V. S.

If you are old or feeble and want to be built up. Ask for Joy's Vegetable Sarsaparilla

Most modern, most effective, largest bottle. Same price, \$1.00, six for \$5.00. For Sale by SNIPES & KINERSLY THE DALLES, OREGON.

A Severe Law.

The English people look more closely to the genuineness of these staples than we do. In fact, they have a law under which they make seizures and destroy adulterated products that are not what they are represented to be. Under this statute thousands of pounds of tea have been burned because of their wholesale adulteration.

Tea, by the way, is one of the most notoriously adulterated articles of commerce. Not alone are the bright, shiny green teas artificially colored, but thousands of pounds of substitutes for tea leaves are used to swell the bulk of cheap teas; ash, sloe, and willow leaves being those most commonly used. Again, sweepings from tea warehouses are colored and sold as tea. Even exhausted tea leaves gathered from the tea-bushes are kept, dried, and made over and find their way into the cheap teas.

The English government attempts to stamp this out by confiscating it; but no tea is too poor for it, and the result is, that probably the poorest tea used by any nation are those consumed in America.

Beech's Tea is presented with the guaranty that it is uncolored and unadulterated; in fact, the same tea leaf pure and simple. Its purity insures superior strength, about one third less of it being required for an infusion than of the artificial teas, and its fragrance and exquisite flavor is at once apparent. It will be a revelation to you. In order that its purity and quality may be guaranteed, it is sold only in pound packages bearing this trade-mark:
