THE DALLES - OREGON THURSDAY - MAY 19, 1892

A Sad Leap Year Story.

Leap year is with us once more, and if reports are true a number of Chicago's young ladies have already proceeded to make the most of it.

"Let me tell you a story about my friend 'Lill,'" said one of Englewood's fairest daughters.

"What's the matter? I asked. 'Her eyes flashed as she replied, 'I said to him, 'Mr. Falsette, there's the door, and please be very quick about it, too.'"

An Aluminium Boat.

I have just returned from a trip to Germany and Switzerland, and while in the latter country I witnessed a sight which was of itself sufficient to pay me for my journey. It was nothing less than the launching of the first boat ever built of aluminium.

This boat is not a large affair. It resembles in appearance and size the small naphtha launches, and in fact, its motive power is an engine of this kind, which has an improved device whereby the flame can be maintained while the boat is not in motion.

Not only are the ribs and plates made of aluminium, but the castings of the engine, the rudder and even the tiller ropes are made of the same metal.

Old People.

J. V. S. is the only Sarsaparilla that old or feeble people should take, as the medicinal which is in every other Sarsaparilla that we know of, is under certain conditions known to be emulating.

Mrs. Belden an estimable and elderly lady of 510 Mason St., S. F. was for months declining so rapidly as to seriously alarm her family.

Joy's Vegetable Sarsaparilla

A Necessity.

The consumption of tea largely increases every year in England, Russia, and the principal European tea-drinking countries. But it does not grow in America.

In view of these facts, is there not an immediate demand for the importation of a brand of tea that is guaranteed to be uncolored, unmanipulated, and of absolute purity? We think there is, and present Beech's Tea. Its purity is guaranteed in every respect.

BEECH'S TEA "Pure As Childhood"
