General James B. Weaver, the apostle of despair, is developing his bump of political hope in a manner that may yet act beneficially on the rest of his mental organism. He is credited with saying: "The republican party has no possible chance of electing its candidate. It will enter the campaign handicapped from the start by conceded defeat. The republicans lost their foothold in the Northern states in 1890, and public sentiment has not been drifting in their direction since. There will be no change in their favor between now and November. The democrats are torn all to pieces on the silver and finance question, and have lost the South, which was their stronghold." This leaves the way clear for the people's party and of its chances the general says: "The candidate of the people's party will carry as many electoral votes as any other candidate. In fact, the fight is between the people's party and the democrats."

Mr. Haynes, one of the most reliable members of the T. P. Association, in the city today, has just come from the far interior of the Inland Empire; from way up, where the snow is deep; and he says its dollars to doughnuts with him, if the Columbia doesn't beat its past record for high water this year. He says snow fell last week, to considerable depth, on frozen ground, in the regions drained by both the Columbia and Snake rivers.

The Roelyn jurors say the disaster was caused by the explosion of fire-damp, the result of inefficient ventilation. The verdict gives satisfaction to the miners but the mine owners are of the opinion that the investigation was conducted in an unjust manner, the company not having the privilege of cross-examining the witnesses, or participating in the inquest by representatives.

A private letter from Jersey county, Ill., bearing date May 16th, received by a citizen of The Dalles today, says that the weather has been so bad up to that time that corn planting was literally impossible, and but few have been able to sow any oats. Winter sown wheat was badly damaged. Our dispatches tell of the havoc there.

R. S. Thompson, a retired capitalist from Los Angeles, is missing from his hotel in San Francisco. He was on his way to Colfax, Washington with his wife, to visit sons there, when he disappeared.

Apache kid, the renegade Arizona Indian bandit, made a raid on a miner's camp last week just below Miller's ranch, opposite Phoenix, and besides shooting the miners, either destroyed or took everything of value from the camp.

Opponents of Harrison claim to have assurances that Blaine will accept. Tom Platt, perhaps, after all, hasn't been so soundly asleep as supposed.

The Viunda at Halifax from Liverpool, reports having met hundreds of icebergs.

Deeming the demon will surely hang on Monday.

A Pointer.
"I am very much pleased with Chamberlain's Cough Remedy," says H. M. Hange, the druggist at Chatsworth, Ill. "During the epidemic of la grippe here it took the lead and was very much better liked than other cough medicines." The grip requires precisely the same treatment as a very severe cold, for which this remedy is so efficient. It will promptly loosen a cold and relieve the lungs, soon effecting a permanent cure, while most other medicines in common use for colds only give temporary relief. 50 cent bottles for sale by Blakeley & Houghton, druggists. d&w

Rheumatism Cured in Three Days.
Miss Grace Littlejohn is a little girl, aged eleven years, residing in Baltimore, Ohio. Read what she says: "I was troubled with rheumatism for two years, but could get nothing to do me any good. I was so helpless that I had to be carried like a babe when I was advised to get a bottle of Chamberlain's Pain Balm. I got it from our druggists, Mr. J. A. Kumber, and in three days I was up and walking around. I have not felt any return of it since and my limbs are limber as they ever were." 50 cent bottles for sale by Blakeley & Houghton, druggists. d&w

TO THE TRADE AND CONTRACTORS.

I DESIRE IT TO BE UNDERSTOOD that I have appointed Wm. Butler & Co. exclusive agents for the sale of the "Oregon" lime, at The Dalles, and surrounding country. Other parties have, through surreptitious and unbusinesslike methods, obtained a small quantity of this lime, which may naturally cause the idea that Butler & Co. are not the exclusive agents of these goods.

Such, however, is not the fact, and further stock of this article cannot be obtained from others than Wm. Butler & Co. The trade, however, will not lose sight of the fact that the great strife to obtain the Oregon lime by other dealers proves conclusively that the "Oregon" is the best lime in the market. Very truly,
T. F. OSBORN,
Gen. Agt. Or. Marble and Lime Co.

NOTICE TO ICE CONSUMERS.

As manager of The Dalles Ice Co. I wish to contradict the statements that I was only acting as agent for an outside company. I own one half interest in the company, and will sell ice this year and for years to come, and should a crop of natural ice come in this locality we will put up enough to supply this city for three or four years and Spokane companies will then have to withdraw their agents from here. Respectfully,
W. S. CRAM, Manager.
