Word comes from all quarters that the neatest and most satisfactory die for coloring the beard a brown or black is Buckingham's Dye for the Whiskers.

Dr. L. Vanderpool, of Dufur, passed through the city today on his way to answer a summons as a witness in the United States court on the celebrated in a lower court in this same case, about Moore 43. 18 years ago.

"Is this hot enough for you?" is a silly question; but if you meet a man who complains of suffering from the 27. heat, ten to one you will find, on inquiry, that he does not use Aver's Sarsaprilla to tone up his system and free his blood from irritating humors.

At the first indication of disorder, the deranged or enfeebled condition of the stomach, liver, or bowels, should be promptly rectified by Ayer's Cathartic Pills. These pills do not gripe, are perfectly safe to take, and remove all tendency to liver and bowel complaints.

Tygh Valley has been an important trading point for many years. H. Staley started a store there about 15 years ago which, after changing hands several times, at last became the property of the Luce 2, Slater 44. present owners, Van Duyn & Hollingshead. These gentlemen carry a fine f goods and do an exce profitable business. They have just platted and laid out fifty acres in the neighborhood of the store for a town site, and a number of lots are already said to have changed hands, some of them to Dalles people. Old settlers say that Tygh Valley used to be an Indian paradise and it is a lovely spot indeed. It will not be surprising therefore, if a nice little town grows up there in the near future, especially as the people are talking of building soon a church house and graded school.

The above is not a complete vote of the county. But it is all that has been received today. It is pretty certain that the democrats have elected the sheriff and county judge. Republicans elect the assessor, school superintendent, surveyor and coroner, and possibly clerk and treasurer. They claim the legislative ticket also. The contest between Judges Bradshaw and Watkins is close. Wasco gives Watkins about 150 majority, but reports from Sherman may throw the result the other way. Judge Ben-For Prosecuting Attorney, 7th district nett has a large majority in this county. So has Mr. Ellis and Mr. Chamberlain.

THE STATE. Everybody is at sea. As the Oregonian says, never since telegraph lines connected the widely separated counties of Oregon has there been a general election in the state about which so little could be For Joint Representatives, 18th dis- given to the public on the following morning as the one held yesterday. Without doubt both congressmen will be republican. Judge Bennett's opponent has run ahead of his ticket in western Oregon, and last reports favor

his election. Fifteen precincts in Multnomah give Ellis 1,619, Slater 990, Moore 1,599, Bennett 1.009, Chamberlain 1,320, Webster 1,594. The count is slow, and returns

Several items of news are crowded out oy election returns.

For City Marshal. Julius J. Wiley will be a candidate for city marshal at the coming election. 6-7-d-d.

NOTICE TO ICE CONSUMERS. As manager of The Dalles Ice Co. I wish to contradict the statements that I was only acting as agent for an outside company. I own one half interest in the company, and will sell ice this year and for years to come, and should a crop of natural ice come in this locality we will put up enough to supply this city for three or tour years and Spokane companies will then have to withdraw their agents from here. Respectfully,
