Drowning Half a Continent.

When the Panama canal was first proposed a great cry went up that such a "ditch" would endanger the lives of millions of human beings. It was argued that the waters on the Pacific side of the isthmus were hundreds of feet higher than they were on the Atlantic side, and that the great rush of waters to even up the difference in the level of the two oceans would drown out all southern North America, all the West Indies and most of Mexico and Yucatan. Would be engineers and sensational editors passed their opinions or wrote yards of scare editorials on the subject. It now turns out that the Atlantic and not the Pacific is the higher of the two oceans, and that in place of the difference in level being hundreds of feet, as had been affirmed, the surface of the water on the east side of the isthmus is exactly 6 1/2 feet higher than it is on the western side.—St. Louis Republic.

Races and Religions of the British Army.

According to the annual returns of the British army, of the total strength of 106,599 officers and men, 151,311, or 76.3 per cent., are English; 16,538, or 8.3 per cent., are Scotch; 23,730, or 14 per cent., are Irish; Mohammedans, Hindus, Jews, etc., number 667 all told and need not be considered. Of the total 68 per cent. belong to the Church of England; 18.4 per cent. are Roman Catholics; 7.6 per cent. are Presbyterians and 6 per cent. are Wesleyans. Out of 64,000 officers and men in the royal navy over 47,000 return themselves as members of the Church of England.—London Public Opinion.

The Convict's Baby.

Early yesterday morning a knock was heard at the big door of the Fulton county jail. Jailer Miller opened the door and a ragged man came in. There was a haggard look on the fellow's face. It was Jim Wesson, the moonshiner, who escaped from the Fulton county jail a week ago to go home to see his sick baby. "I'm sorry, Mr. Miller," he said in a broken voice. "I hope you and Cap'n Morrow don't care, but I heard the baby." He stopped a moment until his lip quit quivering so, and went on: "I heard the baby was sick, and I thought about wife watchin' it at home, and I just had to go. I was sorry, an I wrote you I'd come back. An I done it. They done buried the baby, an I come back, an I hope you ain't mad." Captain Miller did not—could not utter a word of reproach. "I'm glad you have come back, Jim," he said.—Atlanta Constitution.

Rather Particular.

A well dressed man entered the office of a Bangor hotel one cold evening not long since and told the clerk he was a stranger in the city, had no money and asked for a place to sleep. The clerk had pity for him, gave him a good room, and as the night was cold obtained an extra blanket or two for the bed. The clerk left the man, who in a few minutes rang a call. The clerk went to the room, and the man told him he could not sleep in the room, as he was accustomed to have a fire in his sleeping apartment. The clerk was almost struck dumb, but managed to recover sufficiently to tell the man he was too particular for that hotel, that he had better seek free lodgings elsewhere, and so the bum was turned out into the cold world.—Bangor (Me.) Commercial.

CONSTIPATION.

Affects half the American people yet there is only one preparation of Sarsaparilla that acts on the bowels and reaches this important trouble, and that is Joy's Vegetable Sarsaparilla. It relieves it in 24 hours, and an occasional dose prevents return. We refer by permission to C. E. Elkington, 125 Locust Avenue, San Francisco; J. H. Brown, Portland; H. E. Winn, Geary Court, San Francisco, and hundreds of others who have used it in constipation. One letter is a sample of hundreds. Elkington writes: "I have been for years subject to bilious headaches and constipation. Have been so bad for a year back have had to take a physio every other night or else I would have a headache. After taking one bottle of J. V. S., I am in splendid shape. It has done wonderful things for me. People similarly troubled should try it and be convinced."

Most modern, most effective, largest bottle, same price, \$1.00, \$1.50, or \$3.00. For Sale by SNIPES & KINERSLY THE DALLES, OREGON.

A Necessity.

The consumption of tea largely increases every year in England, Russia, and the principal European tea-drinking countries. But it does not grow in America. And not alone that, but thousands of Europeans who leave Europe ardent lovers of tea, upon arriving in the United States gradually discontinue its use, and finally cease it altogether. This state of things is due to the fact that the Americans think so much of business and so little of their palates that they permit China and Japan to ship them their cheapest and most worthless teas. Between the wealthy classes of China and Japan and the exacting and cultivated tea-drinkers of Europe, the finer teas find a ready market. The balance of the crop comes to America. Is there any wonder, then, that our taste for tea does not appreciate? In view of these facts, is there not an immediate demand for the importation of a brand of tea that is guaranteed to be uncolored, unmanipulated, and of absolute purity? We think there is, and present Beech's Tea. Its purity is guaranteed in every respect. It has, therefore, more inherent strength than the cheap teas you have been drinking, fully one third less being required for an infusion. This you will discover the first time you make it. Likewise, the flavor is delightful, being the natural flavor of an unadulterated article. It is a revelation to tea-drinkers. Sold only in packages bearing this mark:

BEECH'S TEA "Pure As Childhood." Price 60c per pound. For sale at Leslie Butler's THE DALLES, OREGON.

THE DALLES, Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here. The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future. The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon. Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
