

The Dalles Daily Chronicle.

OFFICIAL PAPER OF DALLES CITY, AND WACCO COUNTY.

National Republican Ticket.

FOR PRESIDENT, BENJAMIN HARRISON, of Indiana. FOR VICE-PRESIDENT, WHITE LAW REID, of New York. FOR PRESIDENTIAL ELECTORS, J. F. CAPLES, of Portland. H. B. MILLER, of Grant's Pass. G. M. IRWIN, of Union. D. M. DUNNE, of Portland.

DO FARMERS WANT DIRECT TAXATION.

In discussing the tariff it should be remembered that we have to consider only duties upon imports. We levy no duties on exports. Whatever our people produce to sell abroad, says Congressman Milliken, goes out to our foreign customers free of any export tax. But why should we levy import duties? Well, it cost during the last fiscal year \$365,000,000 to carry on our government. We raised \$145,000,000 by our internal revenue taxes upon alcoholic liquors and tobacco, \$4,000,000 by the sale of public lands, and \$23,000,000 from miscellaneous sources. These sums left \$193,000,000 to be raised in some other way. How should this be done? By direct taxation on property? Have our farmers who are more heavily taxed than any other class of the community, considered what would be the burden upon them? What would be the condition of that great industry which produces the prime necessities of life, and is more than any other the source of our comfort and wealth, if obliged to pay in addition to its present large share in sustaining state, county and municipal government, its portion of \$193,000,000 for national expenses? What, then, would be the value of farm lands, and when would the farm mortgages, so much talked about, and lied about, by our political opponents be paid? By incorporating that radical free-trade plank into their platform democrats have not only repudiated the doctrines of Jefferson, Madison and the leaders of a century ago, but they have scorned the advice and spurned the memory of one of the noblest, most disinterested and greatest democrats who has lived in the last twenty-five years—Samuel J. Randall. Since the new tariff became a law, Rio coffee has declined in price 24.3 per cent. Dun's commercial agency reports the average fall in the necessities of life at 18 per cent. Dun's report would have been a good thing to incorporate into the republican platform.

Jay Gould is now so near The Dalles that we should feel slighted if he doesn't come on and take a look at us. Saturday was spent fishing at Pagena, near the mouth of the Shoshone, with John M. Thurston, general counsel for the Union Pacific. He is improving daily, and will remain for some time. George Gould and his party arrived at Shoshone falls about noon of the same day.

It is understood that in neither of the two letters recently addressed to Adlai E. Stevenson did Mr. Cleveland apply to him the sobriquet of "offensive partisan." This sobriquet was originally applied by Cleveland to Stevenson while the latter was decapitating 60,000 republican postmasters during the mug-wump interregnum of 1884-88.

"Among those persons selected with care for physical soundness and sobriety the death rate is more profoundly affected by the use of intoxicating drinks than from any other cause apart from heredity," is the statement of the president of one of the oldest life insurance companies in England.

Major James Lotan the newly appointed collector of customs, will probably assume the duties of office this week. Acting Collector L. A. Pike is now closing up accounts, and by the time Mr. Lotan is ready the office will be in a condition to step into it.

Lithographic portraits of Whitelaw Reid, barefooted and in overalls, are being circulated broadcast through southern Illinois and have already inaugurated a republican renaissance which threatens to set the watermelon patches afire with enthusiasm.

Congressman Post, of Illinois, has introduced a bill in favor of a national highway commission in the interest of good roads. It is better late than never, perhaps that this subject be brought up in congress.

The steamer Thomas J. Nixon has been purchased by the Great Northern and will be used as a transfer boat at Wenatchee, across the Columbia, until the bridge is finished.

The Oregon legislative assembly will meet the next session in January 1893.

At the head of all blood-purifiers is Dr. Pierce's Golden Medical Discovery. But it's different from all of them. Whatever is claimed for this, it's guaranteed to do. The money is refunded in every case where it fails to benefit or cure. It's because it is different that it can be sold so. All diseases originating from a torpid liver or impure blood yield to it. It cleanses and purifies the system, freeing it from all manner of blood-poisons, no matter from what cause they have arisen. For Dyspepsia, Biliousness, Scrofula, Salt-rheum, Tetter, Erysipelas, or any blood-taint or disorder, it is an unequalled remedy. Nothing else can take its place. "Golden Medical Discovery" contains no alcohol to inebriate, and no syrup or sugar to derange digestion. It's a concentrated vegetable extract; put up in large bottles; pleasant to the taste, and equally good for adults or children; works equally well all the year round.
