Old Preventives.

All the old preventives are being used in the present raid of influenza, and some new ones. Faith in the camphor bug still prevails, and English people, who, it must be admitted, are peculiarly afflicted with the distemper find practical solace in the Roman fever safeguard. A three or four grain quinine capsule is taken at 5:30 in the morning, followed at once with a small cup of black coffee. A newer agent, said to prevent efficiently, is to hang damp cloths, upon which thirty drops of volatile oil of eucalyptus are sprinkled, in rooms and corridors; a little should be mixed with spirits of wine and used as a spray. Eucalyptus in minute doses, one drop on a lump of sugar, is sometimes employed to ward off scarlet fever where one has been exposed. It is not, however, regarded as an absolute prophylactic. It should be used only under the directions of a physician.—Her Point of View in New York Times.

A Diamond Worth \$40,000.

A magnificent diamond, a perfect octahedron, weighing 205 carats, has been purchased from a river digger by a Kimberley buyer. It is the second largest stone ever found in the Vaal diggings, the largest being the celebrated Spalding diamond of 280 carats, but which was yellow and of bad shape. The price paid for the stone recently found is said to have been £2,000. Since his return from the river the buyer has been offered £8,000 for it, which offer has been refused.—South African Mining Journal.

The strength of the standing army in German states for 1892-3 will be made up of 20,524 officers, 489,989 men, 1,389 doctors, 893 paymasters, etc., 559 veterinary surgeons, 535 gunsmiths, 93 saddlers and 93,750 horse attendants.

The report comes from Mason, Mich., that the moonest man on earth lives there. He is said to have wrapped large fat icicles in fancy colored paper and given them to the children as a new kind of candy.

Pimples.

The old idea of 40 years ago was that facial eruptions were due to a "blood humor," for which they gave potash. Thus all the old Sarsaparillas contain potash, a most objectionable and drastic mineral, that instead of decreasing, actually creates more eruptions. You have noticed this when taking other Sarsaparillas than Joy's. It is however now known that the stomach, the blood creating power, is the seat of all vitiating or cleansing operations. A stomach clogged by indigestion or constipation, vitiates the blood, results pimples. A clean stomach and healthful digestion purifies it and they disappear. Thus Joy's Vegetable Sarsaparilla is compounded after the modern idea to regulate the bowels and stimulate the digestion. The effect is immediate and most satisfactory. A short testimonial to contrast the action of the potash Sarsaparillas and Joy's modern vegetable preparation. Mrs. G. D. Stuart, of 406 Hayes St., S. F., writes: "I have for years had indigestion. I tried a popular Sarsaparilla but it actually caused more pimples to break out on my face. Hearing that Joy's was a later preparation and acted differently, I tried it and the pimples immediately disappeared."

THE DALLES, Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here. The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.

THE DALLES CHRONICLE.

Daily and Weekly Editions.

THE CHRONICLE was established for the express purpose of faithfully representing The Dalles and the surrounding country, and the satisfying effect of its mission is everywhere apparent. It now leads all other publications in Wasco, Sherman, Gilliam, a large part of Crook, Morrow and Grant counties, as well as Klickitat and other regions north of The Dalles, hence it is the best medium for advertisers in the Inland Empire.

The DAILY CHRONICLE is published every evening in the week (Sundays excepted) at \$6.00 per annum. The WEEKLY CHRONICLE on Fridays of each week at \$1.50 per annum.

For advertising rates, subscriptions, etc., address THE CHRONICLE PUBLISHING CO., The Dalles, Oregon.
