Bank in a Quicksand. A French coastguard named Mainvielle met his death in a remarkable manner on the Mediterranean coast, near the mouth of Ande. He was going his rounds with a comrade when the latter, who was a few steps behind, saw Mainvielle sink suddenly into some quicksands. He went down so rapidly that he was unable to seize a stick held out to him, and in a few minutes had disappeared completely from sight.

The other man ran for assistance, but it was found impossible to find even the man's body, as the sea, which was very rough, was throwing up sand in large quantities on the spot.—St. James' Gazette.

A Battlefield Belle. A valuable battlefield relic was recently found near the city. It is an eighteen carat gold case watch, manufactured by the Tobias Watch company, Liverpool, the case being No. 3,868. It was plowed up one day last week by Mr. Davis on the old breastworks in Coke's district, Cobb county. The case is heavy and comparatively unimpaired, but the rust has completely eaten the hinges up. The covers were both found, but were separated from the case. It is heavily jeweled and was no doubt a very fine watch. The owner is supposed to have been killed.—Atlanta Constitution.

The Poor They Have Not with Them. At the union religious meeting at Vanue Thanksgiving day a collection was taken for the relief of the poor and needy. This money was placed in the hands of a committee of ladies, and now they come forward and report that they can find neither poor nor needy in the village or vicinity, and don't know what to do with the funds.—Cor. Pittsburg Dispatch.

Sounds Like Human Voices. Our whippoorwill demands his punishment in a distinct imitation of the human voice, and the command of the guinea fowl to come back could easily be mistaken for a human voice.—Brooklyn Eagle.

CON STIPATION. Afflicts half the American people yet there is only one preparation of Sarsaparilla that acts on the bowels and reaches this important trouble, and that is Joy's Vegetable Sarsaparilla. It relieves it in 24 hours, and an occasional dose prevents return. We refer by permission to C. E. Elkington, 125 Locust Avenue, San Francisco; J. H. Brown, Petaluma; H. S. Winn, Geary Court, San Francisco, and hundreds of others who have used it in constipation. One letter is a sample of hundreds. Elkington writes: "I have been for years subject to bilious headaches and constipation. Have been so bad for a year back have had to take a physic every other night or else I would have a headache. After taking one bottle of J. V. S., I am in splendid shape. It has done wonderful things for me. People similarly troubled should try it and be convinced."
