A Curious Fungus.

The department of agriculture at Washington has received from Consul Jones, located at Chin Kiang, China, a small bottle containing specimens of a curious fungus that actually grows from a species of caterpillar. Unlike as it may seem, this fungus literally transforms the caterpillar into a vegetable, making the unhappy insect serve the purpose of a root. The caterpillar itself is the larva of a moth peculiar to China and Japan. When the cold of winter approaches, this moth bores a hole in the ground to a depth of three to seven inches and curls himself up to wait for spring.

While taking his winter sleep he is often attacked by a remarkable disease, which causes him to send forth shoots like a sprouting vegetable. These shoots appear and fructify above the ground like any other species of mushroom. This remarkable animal vegetable has no other means of growth than the curious one above described. - St. Louis Republic.

A Study of Eyes.

A story is told of the courtship of the late Sir George Airy, the famous astronomer. By reason of his timidity, he seemed doomed to be a bachelor for life. But fortune favored him and he drifted into matrimony in an unexpected way. An intimate friend remarked to him one day: "Have you ever observed Miss Airy's eyes? They have the property of double refraction." "Dear me, that is very odd," he exclaimed; "I should like to see that. Do you think I might venture to call?" And he did, and begged permission to examine the young lady's eyes.

The novelty of the situation may have fascinated him. At any rate he begged the privilege of a second look at the eyes in a clear light; the problem grew so interesting that he at length came to the conclusion to make it a life study. The boldness born of scientific curiosity enabled him ultimately to propose. He was accepted, and the strange courtship ended in a happy marriage. - London Tit-Bits.

SICK

Head-Aches.

Sick-headaches are the outward indications of derangements of the stomach and bowels. As Joy's Vegetable Sarsaparilla is the only bowel regulating preparation of Sarsaparilla, it is seen why it is the only appropriate Sarsaparilla in sick-headaches. It is not only appropriate; it is an absolute cure. After a course of it an occasional dose at intervals will forever after prevent return.

JOE M. COZ, of 735 Turk Street, San Francisco writes: "I have been troubled with attacks of sick-headache for the last three years from one to three times a week. Some time ago I bought two bottles of Joy's Vegetable Sarsaparilla and have only had one attack since that was on the second day after I began using it."

BLACKWELL'S BULL DURHAM SMOKING TOBACCO. I'm an old smoker, and have at one time or another tried all the different Smoking Tobaccos, but for a good smoke Bull Durham beats 'em all. A leading characteristic of Bull Durham has always been the hold which it takes on old and fastidious smokers. What its excellence first secured, its uniformity has always retained, and it is, therefore, to-day as twenty-five years ago, the most popular Smoking Tobacco in the world. Get the genuine. THE DALLES CHRONICLE.

Daily and Weekly Editions.

THE CHRONICLE was established for the express purpose of faithfully representing The Dalles and the surrounding country, and the satisfying effect of its mission is everywhere apparent. It now leads all other publications in Wasco, Sherman, Gilliam, a large part of Crook, Morrow and Grant counties, as well as Klickitat and other regions north of The Dalles, hence it is the best medium for advertisers in the Inland Empire.

The DAILY CHRONICLE is published every evening in the week (Sundays excepted) at \$6.00 per annum. The WEEKLY CHRONICLE on Fridays of each week at \$1.50 per annum.

For advertising rates, subscriptions, etc., address

THE DALLES,

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
