FOR PRESIDENT, BENJAMIN HARRISON, of Indiana.

FOR VICE-PRESIDENT, WHITELEW REID, of New York.

THE NEW TURF QUEEN.

The press of the country is now filled with talk of Nancy Hanks, the new queen of the turf. The story of her mile done in 2:07 1/2 has circled the planet, and whenever a horse-lover is found he has forgotten the stirring conflict between capital and labor, the change of England's ministry and the preliminary agitation of an American political campaign, and read of the beautiful mare that trotted 5,280 feet in one second less time than that distance had ever been trotted before.

It was not so very long ago, in 1828, that a bet of \$2,000 was made and lost that no horse could trot a mile in three minutes. Second by second the time was lowered until quarter-seconds counted in records. Finally Maad S., in Cleveland trotted around the mile-track in 2:08 3/4. Although Sunol a few months ago in California beat that record by half a second, horsemen did not regard it as strictly the record for a mile, as Sunol trotted on a kite-shaped track.

But Nancy Hanks in Chicago has broken the record on the elliptical track. Her flight was followed by 20,000 Chicago eyes, and 10,000 Chicago voices did her honor when she flashed beneath the wire two minutes and seven and one-quarter seconds after the start.

Nancy Hanks, Budd Doble and the pneumatic sulky made the grand combination, and Chicago set the pace for the rest of the world.

The venerable mother of Mr. Whitelaw Reid lives on the old Reid homestead, near Springfield, O. She is a woman of striking appearance—tall, white-haired and well preserved for her advanced age, for she is within a few months of 89. When a correspondent called on her recently she was dressed neatly, but with great plainness, in a gown of black and white striped calico, with an old-fashioned cap of white lace on her head. Mrs. Reid's memory for the events of her younger years is excellent, and she tells quaintly of her son's departure for college. "When Whitelaw went away to school," she said, "he had a hard time to get along. One day I packed up for him a stack of butter, a loaf of bread, a sack of meal and a boiled ham. I wrote to him to get some buttermilk to mix with the meal and make some cakes. He wrote me back that it was the best meal he had eaten for a long time."

A San Francisco dispatch says there are but two ships left, by any probable chance, could bring to San Francisco any German cholera. Those are the British ship Jessouana, which sailed from Liverpool on August 19th and is expected to arrive in December and the British ship City of Athens, which sailed from Antwerp on August 23rd and will probably arrive about the middle of December. Strict precautions will be taken on the arrival of either ship by the city authorities to detect and destroy all dirty clothing, bedding or other articles that might contain the cholera germ. The cholera epidemic in the city has been entirely suppressed, and the authorities are confident that it will not return.

In the city of Cleveland, Ohio, the money was soon parted, as the old proverb says. The city of Cleveland is likely to become interesting, for Mr. Frick has the right to sit quietly by and let Michigan towns boycott his material. He'll have the law of a first class.

Popularity always goes out to the man who strikes against long hair and small pay. The man who suddenly paid all he was worth and the long hours served adm.

A new man can be made, out of one that's "used-up," bilious and dyspeptic. It's done by Dr. Pierce's Golden Medical Discovery. It starts the torpid liver into healthful action, purifies and enriches the blood, cleanses, repairs, and strengthens the system, and restores health and vigor. As an appetizing, restorative tonic, it sets at work all the processes of digestion and nutrition, and builds up flesh and strength. It's the only Blood and Liver Remedy that's guaranteed, in every case, to benefit or cure. If it doesn't do all that's claimed for it, the money is promptly refunded. But it keeps its promise—that's the reason it can be sold in this way.

"Discovery" strengthens Weak Lungs, and cures Spitting of Blood, Shortness of Breath, Bronchitis, Severe Coughs, and kindred affections. Don't be fooled into taking something else, said to be "just as good," that the dealer may make a larger profit. There's nothing at all like the "Discovery."
