 K. of P. Hall the first and third Wednes-  
 day of each month, at 7:30 P. M.

**The Greatest Building in the World.**  
 An astonishing feature of the Colum-  
 bian exposition will be one of the palaces  
 grouped in the heart of the fair grounds.  
 It is the Manufactures building. It will  
 bear the same relation to this exposition  
 as the Eiffel tower did to that of Paris  
 in 1889, and indeed its possible use as a  
 vantage point from which to see the fair  
 grounds has terminated in the negative  
 discussion for and against the con-  
 struction in Chicago of a rival to the  
 great tower of Paris. This greatest of  
 all the exposition buildings, and of the  
 buildings of the world, will present to  
 Lake Michigan a facade of such a length  
 as to suggest the wall of a city, yet it is  
 so admirably designed, so light and  
 graceful in its effect upon the vision,  
 that its true extent can only be com-  
 prehended when its dimensions are ex-  
 pressed in figures and by comparisons.  
 It is one-third of a mile long, and to  
 compass it round about is to walk a  
 mile. The roof of it is 1,688 by 788 feet,  
 and the span of the dome, the largest  
 ever attempted, is 388 feet. The roof is  
 280 feet from the ground, and the build-  
 ing has forty acres of ground floor. Two  
 of the vast machinery halls of the Paris  
 exposition could be wheeled through it,  
 and the Auditorium, the building of  
 which Chicago is most proud, could be  
 pushed under this great roof, tower and  
 all. - Julian Ralph in Harper's.

**Advance of the  
 Pipe Brigade.  
 Retreat of the  
 Cigar Cohorts.**  
 Yes the Pipe is coming to the  
 front as never before. The high  
 price of good cigars is helping  
 drive them out of use. Millions  
 of smokers use  
**Blackwell's  
 Bull Durham Smoking Tobacco.**  
 It is the most popular Brand in the market. Smoked for over twenty-  
 five years its fame is still growing - Quality always the same.  
**BLACKWELL'S DURHAM TOBACCO CO.,  
 DURHAM, N. C.**

**OREGON'S SHOWING  
 AT CHICAGO  
 NEXT YEAR**  
 Remains in doubt, but there  
 is no question about the  
 PORTLAND INDUSTRIAL EX-  
 POSITION - which opens Sep-  
 tember 21st and closes October  
 22d, being the best Exposition  
 ever held on the Pacific Coast.  
 So far as Oregon is concerned  
 it will be the forerunner of the  
 Exposition at Chicago in  
 1893. The principal attrac-  
 tions are the magnificent  
 American Band of Providence,  
 R. I. An art collection  
 valued at \$350,000, and em-  
 bracing some of the greatest  
 pictures owned in the United  
 States. Immense Horticultu-  
 ral and Agricultural exhibits,  
 the result of the combined  
 efforts of almost every county  
 in the state. A mineral ex-  
 hibit exceeding all former  
 years. A Stock Department  
 showing tremendous progress.  
 To these are added a larger  
 number of exhibits than ever  
 before; including [a magnifi-  
 cent electrical display under  
 the combined Thomson-Hous-  
 ton and Edison Companies.  
 All manufactures in full oper-  
 ation. Government models  
 of Battle Ships. The wonder-  
 ful Hall of Mystery. The  
 marvelous "Little World," the  
 product of a mechanical  
 genius; all interspersed by  
 novelties incident to the pop-  
 ular special days. Every-  
 thing new and nothing dead.  
 Greatly reduced rates on all  
 transportation lines.

**City Wagon Shop,**  
 Second St. opposite Hood's Stable.
