## OREGON'S SHOWING AT CHICAGO NEXT YEAR

Remains in doubt, but there is no question about the PORTLAND INDUSTRIAL EX-POSITION-which opens September 21st and closes October 22d, being the best Exposition ever held on the Pacific Coast. it will be the forerunner of the Exposition at Chicago in 1893. The principal attractions are the magnificent American Band of Providence, R. I. An art collection valued at \$350,000, and embracing some of the greatest pictures owned in the United States. Immense Horticultural and Agricultural exhibits, the result, of the combined efforts of almost every county in the state. A mineral exhibit exceeding all former years. A Stock Department showing tremendous progress. To these are added a larger number of exhibits than ever before; including a magnificent electrical display under the combined Thomson-Hous- PULLMAN SLEEPERS, ton and Edison Companies All manufactures in full operation. Government models of Battle Ships. The wondermarvelous "Little World," the product of a mechanical genius; all interspersed by novelties incident to the popular special days. Everything new and nothing dead Greatly reduced rates on all transportation lines.

adies Do you want to keep your husband home at night, and keep him agreeable and pleasant? He must smoke, and yet, you don't like the smell of his tobacco. You can drive him away to his club—out of just such things come misery, unhappiness and divorce. The trouble is that he uses poor tobacco. Coax him to get BLACKWELL'S BULL DURHAM SMOKING TOBACCO; its delicate aroma will not be offensive to you, and it will not fill all the curtains, hangings and clothing with that stale disagreeable odor that now troubles you. Daily and Weekly Editions.

THE CHRONICLE was established for the express purpose of faithfully representing The Dalles and the surrounding country, and the satisfying effect of its mission is everywhere apparent. It now leads all other publications in Wasco, Sherman, Gilliam, a large part of Crook, Morrow and Grant counties, as well as Klickitat and other regions north of The Dalles, hence it is the best

medium for advertisers in the Inland Empire. The DAILY CHRONICLE is published every evening in the week (Sundays excepted) at \$6.00 per annum. The WEEKLY CHRONICLE on Fridays of each week at \$1.50 per annum.

For advertising rates, subscriptions, etc., address THE CHRONICLE PUBLISHING CO., The Dalles, Oregon.

Wasco County,

Oregon,

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, pros-ITS TERRITORY.

It is the supply city for an extensive and rich agricultural

and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market. The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from

which finds market here. The Dalles is the largest eriginal wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these
